PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Negotiated Fringe Benefit Changes:

We have recently concluded negotiations and are submitting successor Fringe Benefit MOUs with the CCU and SEIU Local 721 for a two-year term ending September 30, 2015, for the Board's approval. These agreements and corresponding modifications to the County Code provide for previously approved changes in cafeteria plan contributions and subsidies, a one-time bonus, and a change in the rules related to the use of health care spending accounts.

Cafeteria Plan Contribution Adjustment:

The County cafeteria plan contribution is being increased by 7.2% per year in plan years 2014 and 2015 to help defray the added costs of health insurance premiums for represented employees. These increased contribution rates were previously approved by the Board on December 17, 2013, effective with the January 15, 2014, payday.

Deferred Compensation and Thrift Plan (Horizons 457 Plan) – Maximum Cap:

The County will increase the matching contribution cap from \$112 million per fiscal year (FY 2008-09 level) for Options and Choices employees who participate in the Horizons Plan. The increase will occur as follows: FY 2013-14 - \$121 million cap; FY 2014-15 - \$130 million cap; and FY 2015-16 – no cap so that there will be a full County match for the entire fiscal year.

\$500 Cash Bonus:

Full-time permanent employees will receive an ad hoc \$500 bonus payable in two \$250 installments via their cafeteria benefit plans. Specifically, those who receive taxable cash will receive an increase on this portion on their March 28, 2014, and July 30, 2014, paychecks. For employees who do not receive taxable cash, but have a pre-tax benefits deduction instead, this cash bonus will offset their deduction.

Temporary and part-time employees will receive two installments of \$125 for a total of \$250 in 2014. This bonus will be added to their Pension Savings Plan contribution and will be subject to IRS contribution limits.

Modification of the Health Care Spending Accounts:

Due to changes in federal tax law governing the “use-it-or lose it” provisions for Health Care Spending Accounts, plan participants may now roll over up to \$500 of unused funds at the end of the plan year to the next calendar year.

Successor MOU Amendments – CCU and SEIU Local 721 Bargaining Units:

We have reached an agreement with the bargaining units represented by the CCU and SEIU Local 721. We are requesting your approval of the successor MOUs which provide for a two-year term ending September 30, 2015, with general salary increases as follows:

CCU Unit 411 - Building Trades & Skilled Craftsmen and
CCU Unit 412 - Supervisory Building & Construction Trades and Operating Engineers

8 levels (approximately 2%) effective October 10, 2013
8 levels (approximately 2%) effective October 1, 2014
8 levels (approximately 2%) effective April 1, 2015

CCU Unit 721 – Psychiatric Social Workers
CCU Unit 724 – Supervising Psychiatric Social Workers

8 levels (approximately 2%) effective October 1, 2013
8 levels (approximately 2%) effective October 1, 2014
8 levels (approximately 2%) effective April 1, 2015

SEIU Local 721 Unit 702 – Supervising Deputy Probation Officers

8 levels (approximately 2%) effective July 1, 2013
8 levels (approximately 2%) effective July 1, 2014
8 levels (approximately 2%) effective January 1, 2015

- Note: Historically and by MOU provision, the salary adjustments for this bargaining unit follow that of the base unit, AFSCME Local 685 and other safety units.

SEIU Local 721 – All Remaining Bargaining Units:

8 levels (approximately 2%) effective December 13, 2013
8 levels (approximately 2%) effective October 1, 2014
8 levels (approximately 2%) effective February 1, 2015

Non-Represented Employees:

In conjunction with the increases in the County contribution and subsidies to the cafeteria plans for represented employees, the Board previously approved comparable adjustments in the medical premiums for Flex and MegaFlex employees on December 17, 2013. Similarly, general salary movement for non-represented employees was previously approved by the Board on September 24, 2013.

Considering that the Fringe Benefit Agreements for CCU and SEIU provide for a cash bonus of \$500 in 2014, it would be appropriate to extend similar economic adjustments to the non-represented employees. Accordingly, we are recommending a cash bonus in two installments of \$250 be added to the Flex and MegaFlex full-time participants by increasing the taxable cash in their cafeteria plan on the March 28, 2014 and July 30, 2014 paydays. In addition, non-represented temporary and part-time employees will receive two installments of \$125 for a total of \$250 in 2014 added to their Pension Savings Plan contribution.

Technical Correction:

Since the effective dates for salary movement for represented and non-represented nursing classifications differ, we have revised the Registered Nursing Schedule in the County Code (Tables D, E, and F) to clarify applicability to non-represented nursing classifications only.

Implementation of Strategic Plan Goals

The actions recommended in this letter promote the County's Strategic Plan Goal of Fiscal Sustainability by providing for a wage and benefit structure in a financially responsible manner.

Strategic Asset Management Principles Compliance

The salary increases, and the other economic adjustments and increases in the matching contribution cap for the Horizons Plan contained herein are within the parameters established by the Board and have been included in the County Budget for Fiscal Year 2013-2014. The County's pension actuary, Buck Consultants, has advised that the proposed salary adjustments do not exceed the increase in payrolls assumed in the current actuarial valuation of the retirement plans.

Therefore, there will be no negative impact on the funded status of the retirement system.

FISCAL IMPACT/FINANCING

The salary cost of living increases for the term of the aforementioned contract have been factored into the County budget for FY 2013-2014.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The accompanying successor MOUS and Ordinance have been approved as to form by the County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There is no impact on current services.

Respectfully submitted,

Section 4

The parties agree that General Members in Plans A, B, or C may not transfer to Plan E during the term of this agreement. General Members in Plan E may transfer to Plan D, and General Members in Plan D may transfer to Plan E during the term of this agreement. Since Plan E closed to new LACERA members effective November 27, 2012, it is not available for transfer to General Members in Plan G.

Section 5.

The parties mutually agree that the retirement program shall be continued so that retirement contributions meet the conditions set forth in Section 414(h)(2) of the Internal Revenue Code as presently codified.

Section 6.

In the event of future actuarial valuations and corresponding increases in contribution rates, the County shall negotiate with the Coalition prior to implementing any increase in employee contribution rates.

Section 7.

The parties agree to recommend to the Board of Supervisors the following with regard to retirement plan coverage for newly hired General and Safety Members:

- a) Each newly hired employee shall become a member of General Plan G or Safety Plan C, effective the first day of the month following the date of hire with the following exceptions: 1) Deferred member of LACERA prior to January 1, 2013 who returns to active membership; 2) An individual who becomes a member on or after January 1, 2013 and establishes reciprocity based upon membership in a reciprocal system on or before December 31, 2012; or 3) A former member of LACERA who has redeposited the accumulated contributions he or she withdrew prior to January 1, 2013 along with the interest those contributions would have earned. Individuals who meet one of these exceptions are entitled to become a member of General Plan D or to restore to their former other contributory plan. Former vested Plan E members are entitled to become Plan E members.

- b) For purposes of this Section 7, a "newly hired employee" shall mean an employee appointed to a position which otherwise entitles the incumbent to coverage under General Plan G or Safety Plan C.

Section 8.

The parties agree that the County will not re-enter the Social Security Retirement System until and unless mandatory provisions of state or federal law require such action, or until

and unless provisions of state or federal law would penalize the County should the County fail to re-enter the system. The parties further agree to meet and confer on the integration of County retirement benefits with Social Security Retirement Benefits in the event of such state or federal legislation. The scope of such meet and confer process shall include all retirement benefits impacted by said re-entry into Social Security.

Section 8.

The parties agree that for the term of this agreement, a portion of the County contribution to the Choices Plan that may be taken as cash if the employee waives health insurance coverage (described in attachment A to this MOU) equal to \$244.00 is considered as earnings for retirement purposes for each employee for whom a contribution is made, whether the employee elects to take cash or not.

This Section shall not apply to persons hired on or after January 1, 1996. For such employees, no portion of the County contribution to the Choices Plan will be considered as earnings for retirement purposes.

Section 9

The County will provide LACERA survivor benefits for domestic partners as permitted by State Law.

Section 10.

The County will provide retiree health insurance for domestic partners and their minor children who receive survivor benefits under LACERA.

ARTICLE 6 LONG TERM DISABILITYSection 1.

The parties agree to recommend jointly to the County's Board of Supervisors that said Board adopt and implement through amendment to the County Code the following modifications to the County's Long Term Disability and Survivor Benefit Plan (LTD Plan) to be effective on the effective date of the amending ordinance:

- a) LTD benefits shall not be payable in any case where an employee has been absent from work for six months or more prior to the commencement of total disability; provided, however, that this exclusion shall not apply to any employee whose absence is due to an approved, nonmedical leave.
- b) Should the surviving spouse fail to cooperate with the County for a period of 90 days, the survivor benefit payable under the LTD Plan shall be payable to the surviving children of the deceased employee or deceased disability beneficiary who otherwise meets all eligibility requirements. In the event that the survivor benefit is paid to the surviving children, duplicate payment for the same eligibility period shall not subsequently be payable to a surviving spouse.
- c) Extend LTD Survivor Benefits to domestic partners. "Domestic Partner", for purposes of this Article, shall parallel the definition used by LACERA.

Section 2.

The parties agree to recommend that the Board of Supervisors amend the LTD plan to:

- provide a maximum 2% COLA for LTD disability cases commencing on or after January 1, 2001. The COLA would be based on the Consumer Price Index for all urban consumers for the Los Angeles/Riverside/Orange County area (1982-1984 base) for each calendar year, not to exceed 2% per year, commencing the first month following two years of LTD benefit payments.
- increase the survivor continuance benefit under the LTD plan to 55%, effective July 1, 2001.

Section 3

The LTD health program would apply to new disabilities incurred on or after January 1, 2015 for members of the CAPE Medical plans. Eligibility rules for employees enrolled in a county-sponsored plan, whether or not they choose CAPE medical plan, will not change.

The LTD Health Insurance program provides guaranteed access to County-sponsored group health insurance for individuals currently enrolled in a health insurance plan and receiving LTD benefits. All eligible LTD participants, otherwise eligible to receive LTD benefits, will receive health insurance protection at no cost to the participant. Under this health insurance protection program, the employee would pay 25% of the monthly medical plan premium while receiving LTD benefits, and the County would pay the remaining 75%.

from the LTD Health Trust fund. No person shall be excluded from participating in a County-sponsored group health insurance plan solely by virtue of being an LTD Health Plan beneficiary.

Beginning January 1, 2008, employees can elect to “buy-up” 100% LTD Health Insurance subsidy at a cost to the employee to be determined each year by the County. The monthly premium will raise sufficient revenue to fund the program as determined by the County of Los Angeles. Under this optional coverage, the County would pay 100% of the monthly medical plan premium while the employee is receiving LTD benefits.

After two years, LTD recipients who are participants in a contributory retirement plan (i.e. Retirement Plan A, B, C or D) must apply for disability retirement benefits with LACERA. Failure to make such application will result in the cessation of LTD benefits. In the event the employee becomes eligible to receive retiree health insurance coverage with LACERA, LTD Health benefits will cease. The new program would apply only to new disabilities incurred on or after January 1, 2008 and would not apply to employees currently disabled or in the qualifying six month waiting period. Coverage would become effective for those employees after returning to work for a period of six months or more. Employees who do not elect the 100% Optional Coverage would be barred from enrolling in it for two years following that decision.

Beginning on January 1, 2005, LTD Health Insurance will be extended to the survivor (including a domestic partner) of an employee who is participating in the LTD health

insurance protection program, provided that the survivor was listed as an eligible dependent on record prior to the onset of disability.

The definition of “domestic partner” for this purpose will parallel the definition used by LACERA.

Subject to negotiations, the County reserves the right to protect the financial integrity of the LTD Health Plan through design changes, changes in employee funding requirement, or other measures. This program will sunset with the termination of the CCU fringe benefit MOU unless continuation of the program is specifically agreed to in a successor MOU.

ARTICLE 7 INJURY LEAVE

Section 1.

The parties agree that the benefits for persons injured in the course of employment who are not covered by Section 4850 of the Labor Code shall be those set forth in Section 6.20.070 of the County Code and that such benefits shall provide for the following:

- A. The sum of benefits prescribed by the Worker's Compensation Laws of the State of California plus benefits provided by said Section 6.20.070 and earnings from other employment shall equal 70% of an employee's base salary for a period not to exceed one year from the date of injury or the length of his/her continuous service prior to the date of injury, whichever is less. In no event, however, shall an employee receive less than the benefits required under the law.

- B. If an employee charges an absence due to work-related injury to full-pay sick leave, vacation, accumulated overtime, or accumulated holiday time pending a determination as to the compensability of said injury, he/she shall, in the event said injury is determined to be compensable, be entitled to have 70% of such benefits restored. The remaining 30% having been used to provide a higher benefit than is authorized for injury leave shall not be restored. For purposes of this Section, restorable time shall be calculated to the nearest 15-minute increment.

- C. From the time an injury is determined to be compensable until either one year from the date of injury, or the length of the employee's continuous service prior to the date of injury, whichever is less, an employee may not use any other leave benefits to supplement benefits described in this Article.
- D. Nothing herein shall prevent an employee from using leave benefits to supplement Workers' Compensation benefits available after one year from the date of injury, or the length of his/her continuous service prior to the date of injury, whichever is less.

Section 2.

Notwithstanding paragraph (A) of this Article, the parties agree that any person employed on a daily recurrent basis as an Ocean Lifeguard (Item No. 2923E) or on an hourly recurrent basis as a Lake Lifeguard, Parks and Recreation (Item No. 2948H) shall be entitled to receive the benefits set forth in paragraph (A) for a period not to exceed one year from the date of injury or a period equal to the employee's cumulative active service performed on or after July 1, 1985, whichever is less.

ARTICLE 8 THE CHOICES PLAN

Section 1.

The parties agree to recommend jointly to the County's Board of Supervisors for adoption and implementation by amendment to the County Code that the Choices Plan be continued during the period January 1, 2014, through December 31, 2015, as set forth in Attachment A.

Section 2.

The parties further agree to recommend jointly to the County's Board of Supervisors for adoption and implementation by amendment to the County Code that the County contribution toward health insurance for certain temporary and recurrent employees who are not eligible for the Choices Plan be continued during the period January 1, 2014, through December 31, 2015, as set forth in Attachment B.

Section 3.

The Labor and Management Committee which jointly administers the benefits provided to employees through the Choices Benefit Plan (Plan) shall be known as the Employee Benefits Administration Committee (Committee).

The Employee Benefits Administration Committee shall be comprised of five Labor Representatives designated by the Coalition of County Unions and five Management Representatives designated by the Chief Executive Officer.

The Committee shall have the authority, subject to CEO and Board of Supervisors approval when required, to:

- a) Develop its own internal procedures, including the scheduling of meetings and reports of contacts with insurance carriers.
- b) Negotiate with carriers of County-sponsored Choices insurance plans regarding premium rates and benefit plan design for all benefits provided to employees under the Choices Plan. In addition, during 1999, the parties agree that EBAC will develop strategies to mitigate future health insurance premium increases.
- c) Review utilization and claims experience of all County-sponsored Choices benefit plans, which may require access to all relevant reports, and face to face discussions with both providers and the appropriate agencies. This does not preclude the Committee from requesting similar information for other plans.
- d) Engage its own consultant. If it does, the cost of such consultant shall be negotiated by the County and the Coalition.
- e) Recommend to the CEO which County-sponsored benefit options, plans, and plan carriers will be offered through the Choices plan.

Members may use their individual resources to analyze, research, and develop recommendations to the Committee regarding new benefit plan options.

EBAC shall develop and have responsibility for administering a communications program to educate employees about utilization of the County-sponsored health plans.

Retiree Health Committee

Thirty days following Board approval of the Coalition of County Union's Fringe Benefit MOU. EBAC will meet to develop and make joint labor-management advisory recommendations to mitigate and control the cost of future retiree health insurance. The recommendations shall be submitted to the CEO no later than July 1, 2007. The CEO shall review the Committee's recommendations and prepare an analysis and report to the Board of Supervisors for review and consideration.

Coalition of County Unions (CCU) reserves its right to negotiate with the County any Retiree Health recommendation that affects wages, hours, and other terms and conditions of employment.

Plan Design Changes

The parties further agree to meet during 2007 to develop additional plan design changes for Kaiser and Cigna for plan years 2008 and 2009. If the parties cannot reach agreement by July 1, 2007, for plan 2008, or July 1, 2008, for plan year 2009, default minimum plan

design changes equivalent to other represented County-sponsored health plans shall be implemented for 2008 and 2009.

The Coalition of County Unions and the County adopts and incorporates by reference herein the Cost Mitigation Goals and Objectives dated December 14, 2006.

EBAC shall use the Cost Mitigation Goals and Objectives as a guideline in the development and design of benefit plans.

ARTICLE 9 **RENTAL RATES****Section 1.**

BILINGUAL PAY

The parties agree to recommend to the County's Board of Supervisors that said Board increase the additional compensation which may be received, if all the conditions enumerated in Section 6.10.140 of said code are met from \$80.00 per month (\$40.00 per pay period) to \$100.00 per month, (\$50.00 per pay period) effective January 1, 2001.

The parties further agree to recommend to the County's Board of Supervisors that effective January 1, 1992, said Board adopt and implement through amendment to County Code Section 6.10.140 that temporary and recurrent employees who meet the conditions stated in said County Code shall be eligible to receive bilingual pay.

ARTICLE 11

PAY DAYS

The parties agree that employees will be paid base pay, bonuses, overtime, and any other compensation on a semi-monthly basis. Employees will be paid on the thirtieth day of the month for services rendered from the first day through the fifteenth day of the month, and on the fifteenth day of the succeeding month for services rendered from the sixteenth day through the last day of the month. Employees will be paid on the last day of February for services rendered from the first day through the fifteenth day of February. If a day to be paid falls on a Saturday, Sunday, or a holiday, the payday will be the immediately preceding regular workday.

ARTICLE 12 SICK LEAVE

Section 1.

Effective with the pay period ending April 15, 2012, the Sick Leave Pay Period Accrual Rate shall be as follows:

Rule 1. For employees authorized 64 or 80 hours of Sick Leave per calendar year and assigned to a 40-hour workweek, the Sick Leave Pay Period Accrual Rate shall be four hours and 21 minutes (4:21) per pay period.

Rule 2. For employees authorized 64 hours of Sick Leave per calendar year and assigned to a 56-hour workweek, the Sick Leave Pay Period Accrual Rate shall be six hours and 32 minutes (6:32) per pay period.

Rule 3. For employees authorized 96 hours of Sick Leave per calendar year and assigned to a 40-hour workweek, the Sick Leave Pay Period Accrual Rate shall be four hours and 21 minutes (4:21) per pay period.

Rule 4. For employees authorized 96 hours of Sick Leave per calendar year and assigned to a 56-hour workweek, the Sick Leave Pay Period Accrual rate shall be six hours and 32 minutes (6:32) per pay period.

The aforementioned rates replace the accrual methods formerly utilized under the Countywide Timekeeping and Personnel Payroll System (CWTAPPS). Retroactive adjustments which encompass pay periods prior to the pay period ending April 15, 2012 will be made using the rates formerly in effect under CWTAPPS.

All other provisions prior to eHR implementation and not related to accrual remain the same as described in Sections 6 and 7 of this Article.

Section 2.

The parties further agree to recommend jointly to the County's Board of Supervisors for adoption and implementation through amendment to said County Code that during the term of this agreement only, full-time, permanent employees may be paid for unused full pay sick leave as follows:

- a) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from July 1, 2013, through December 31, 2013, and if, by December 31, 2013, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on December 31, 2013.

- b) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from January 1, 2014, through June 30, 2014, and if, by June 30, 2014, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on June 30, 2014.

- c) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from July 1, 2010, through December 31, 2014, and if, by December 31, 2014, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on December 31, 2014.

- d) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from January 1, 2015, through June 30, 2015, and if, by June 30, 2015, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on June 30, 2015.

- e) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from July 1, 2015, through December 31, 2015, and if, by December 31, 2015, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on December 31, 2015.

Further, an employee who elects to receive payment for unused sick leave as provided in this Article, shall make his/her election known in a manner prescribed by management within one month following the date said employee qualifies for said payment.

Section 3.

For purposes of this Article, a day of full-pay sick leave shall be defined as:

- a) Eight (8) hours for persons employed on a forty (40) hour per week basis.
- b) A pro rata portion of eight (8) hours in the case of one-half time or more permanent employees.
- c) Twelve (12) hours for persons employed on a fifty-six (56) hour per week basis in the Probation Department, the Fire Protection Districts, and the Forester & Fire Warden's Department.

- d) Eleven (11) hours for all other persons employed on a fifty-six (56) hour per week basis.

Section 4.

The parties further agree to recommend to the County's Board of Supervisors that Section 6.20.040 of the County Code shall continue to provide part pay sick leave benefits based on length of service. Such benefits shall be at the rate of 65% and 50% pay and shall be available for use subject to the conditions and limitations set forth in said County Code.

Section 5.

Notwithstanding Sections 1 and 2 of the Article, the parties agree that any person employed on a daily recurrent basis as an Ocean Lifeguard (Item No. 2923E) or on an hourly recurrent basis as a Lake Lifeguard, Parks and Recreation (Item No. 2948H) or Senior Lake Lifeguard, Parks and Recreation (Item No. 2949H) shall earn and accrue full-pay sick leave at the rate of one day (8 hours) of full-pay sick leave for each 22 days (176 hours) of cumulative active service rendered on or after July 1, 1981, in the case of Ocean Lifeguards and July 1, 1985, in the case of Lake Lifeguards, Parks and Recreation and July 1, 1987, in the case of Senior Lake Lifeguards, Parks and Recreation. The parties further agree that any such person who is reinstated pursuant to Civil Service Rules following a release from recurrent status shall be entitled to have restored to him/her any previously earned and unused full-pay sick leave; provided, however, that such leave shall otherwise be deemed available for use in accordance with the same conditions and limitations that affect full-pay sick leave benefits earned and accrued by other eligible employees.

Section 6.

Notwithstanding the provisions of Section 1 above, full pay sick leave was formerly earned and accrued as follows:

Employees hired prior to July 1, 1986, shall, effective January 1, 1994, earn 0.050 of an hour of full pay sick leave (0.075 of an hour for employees working a 56 hour shift) for each qualifying hour of service during a pay period. Qualifying hours include all active service hours, but do not include regular days off or overtime. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year. Employees will no longer receive a lump of sick leave on January 1 of each calendar year.

Such employees will receive, on January 1, 1994, a number of days of special usage only sick leave on a one-time only basis. This number of days is equal to such employees' annual maximum number of full pay sick leave days. This special sick leave can be used only after all other full pay sick leave subject to 50% payoff at termination is used, (that sick Leave earned on or after January 1, 1971), but may be used before full pay sick leave subject to 100% payoff is used (that sick leave earned prior to January 1, 1971). This special sick leave is not paid off at termination. Upon termination, an employee who otherwise qualifies for payoff of unused full pay sick leave is, in addition to all previously accrued and unused full pay sick leave, paid off for 50% of his or her current annual maximum number of sick leave days less any full pay sick leave taken in the year of termination.

Employees hired on or after July 1, 1986, shall, effective upon the implementation of phase 2 of the County-wide Timekeeping and Payroll-Personnel System (CWTAPPS) earn 0.050 of an hour (0.075 of an hour for employees working a 56 hour shift) for each qualifying hour of service worked during a pay period. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year.

Section 7.

The parties acknowledge that the following modifications to the County's full-pay sick leave program were agreed to in the 1985-87 Fringe Benefit Memorandum of Understanding between the Coalition and the County and the parties agree that said modifications shall be continued during the term of this Memorandum of Understanding.

- a) Employees Hired Prior to July 1, 1986: Employees hired prior to July 1, 1986 who are otherwise eligible to earn sick leave benefits shall earn and accrue full-pay sick leave in accordance with the following:
 - 1) Effective January 1, 1986, each eligible employee with less than 12 months aggregate service shall earn one day of full-pay sick leave for each 30 cumulative days of "active service" commencing from the date of hire; provided, however, that such leave shall not be credited to the books until the first day of the month following the completion of said active service.

"Active service" shall mean (i) compensated service arising from continuous active on-the-job performance of an employee's assigned duties, and/or (ii) any authorized paid leave of absence. In no event shall active service include any period during which an employee is receiving only those benefits authorized by the Workers' Compensation Laws of the State of California unless such benefits are authorized by Section 4850 of the California Labor Code.

- b) On the first of January following the completion of 12 months of continuous service, each eligible employee shall be credited with full-pay sick leave in accordance with the following table:

Number of Calendar Days of Active Service Required		
<u>Sick Leave Days Earned</u>	<u>Full-Pay Monthly Employees</u>	<u>Daily Employees</u>
1	30	21
2	60	42
3	90	64
4	120	85
5	150	107
6	180	128
7	210	150
8	240	171
9	270	192
10	300	214

11	330	235
12	358	255

The provisions of this subparagraph (2) shall (i) apply in lieu of the provisions of subparagraph (1) for employees with the requisite service, and (ii) apply to all full-pay sick leave that is earned and accrued on or after January 1, 1987, by such employees including full-pay sick leave that would otherwise have been earned and credited to the books on January 1, 1987, on the basis of qualifying service performed in calendar year 1986.

- c) Employees hired on or after July 1, 1986: Employees hired on or after July 1, 1986, who are otherwise eligible to earn sick leave benefits shall earn and accrue full-pay sick leave in accordance with the following:

- 1) Subject to the limitations set forth in subparagraph (2) below, each eligible employee shall earn and accrue one day of full-pay sick leave for each calendar month in which he/she completes at least 16 days of active service (or 11 days of active service in the case of daily employees). Each day of earned full-pay sick leave shall be credited to the books on the first day of the calendar month following the month in which it was earned.

- 2) A sick leave anniversary date shall be established for each employee based on his/her date of hire. This shall be accomplished in identical fashion to the way each employee's vacation anniversary date is established (i.e., anniversary date falls on the first day of the month of hire if employee is hired between the 1st and 15th of the month or on the first day of the month following hire if employee is hired between the 16th and the end of the month). During the 12-month period preceding each anniversary date, no employee shall earn full-pay sick leave in amounts that exceed the amounts shown in the following table:

<u>Sick Leave Anniversary Date</u>	<u>Maximum Number of Full-Pay Sick Leave Days That May Be Earned During Preceding 12 Months</u>
1st	10
2nd	11
3rd	11
4th	11
5th and beyond	12

Section 8. Personal Leave

Beginning January 1, 2007 , employees may use up to 96 (ninety-six) working hours (up to 144 working hours for those employees employed on a 56-hour workweek) of accrued full-pay sick leave in any one calendar year for personal reasons pursuant to County Code Section 6.20.030 A(2).

It is understood and mutually agreed that all employees covered by this MOU shall be entitled to use all Sick Personal days provided for herein.

ARTICLE 13PAYING OFF TIME CERTIFICATE

After an employee leaves County service, he/she shall be paid for any unused and payable sick leave, accumulated holiday time, and vacation time at the workday rate of pay in effect on the employee's last day of County Service. Such payment shall be made in one lump sum payment within 30 days, without interest, or as soon as practicable, thereafter. Payment for accumulated overtime shall be made on the same basis.

Employees, other than those laid off due to a reduction in work force, who are later reemployed or reinstated by the County shall be considered new employees in all respects with regard to service, compensation, and benefits.

Any full-time, permanent employee who has at least six months continuous service and is laid off pursuant to Civil Service Rules with less than 10 business days' notice, shall be eligible to receive, at the employee's option, one-half of any earned base pay remaining on the books as of the employee's last day of County service. Upon the employee's request to the appointing authority, such payment shall be made within five (5) business days following the employee's last day of County service. The employee's departmental payroll Section shall submit the appropriate payroll information to the Auditor-Controller within two (2) business days from the date of the employee's request.

ARTICLE 14MEAL RATES

The parties agree to recommend jointly to the County's Board of Supervisors that said Board adopt and implement through amendment to the County Code the following meal rates to be paid by those persons who purchase meals in County institutions:

	<u>Effective</u> <u>10/01/06</u>
Breakfast	\$2.00
Lunch	\$2.50
Dinner	\$3.00

All employees who are currently provided free meals by the County shall continue to receive free meals for the term of the Memorandum of Understanding.

ARTICLE 15**VACATION****Section 1.**

Effective with the implementation of Phase 3 of eHR for the pay period ending April 15, 2012, vacation shall be earned and accrued on a pay period basis for each qualifying hour of service. Qualifying hours include all active service hours, but do not include regular days off or overtime. Annual calendar year maximums remain the same as before the implementation of eHR. Employees will also accrue the higher rate and additional hours of vacation to which the employee is entitled as a result of his/her length of service on his/her respective anniversary hire date.

Vacation will be accrued according to the following eHR rates instead of the CWTAPPS rates previously in effect:

Table 1. Vacation Accrual Rates for 40 hour Employees

Vacation Years of Service	Vacation Pay Period Accrual Rate (hours:minutes)	Maximum Hours
Less than 4 years	3:35	80

Table 3. Vacation Accrual Rates for Fire Department 56 hour Employees

12 years or more	10:46	240

Retroactive adjustments which encompass pay periods prior to the pay period ending April 15, 2012 will be made using the rates in effect under CWTAPPS.

Prior to the implementation of eHR Phase 3, vacation was earned and accrued under CWTAPPS as described below:

Each employee otherwise eligible to receive paid vacation shall be credited with that amount of time earned since the employee's last vacation anniversary date. The only exception to this March 1, 1993, posting is for new employees who have not completed

one year's service. For such employees, the pro-rata share of vacation will be posted as reserve time and not be available for use until the employee completes one year. At that time, all the March 1, 1993, time plus accrued time since March 1, 1993, will be available for use. Subsequently, such employee will accrue additional vacation each pay period based on the accrual tables listed below for each qualifying hour of service. The restroom selected as a collection site shall be equipped with a sink to allow employees to wash their hands, a toilet, and be equipped with a stall for privacy.

During the specimen collection process, no unauthorized personnel shall be permitted in the restroom. The only authorized personnel are the employee and the

Collection Team Member of the same sex. Another Collection Team Member shall remain outside the restroom and shall bar entry for the time it takes to collect and package a specimen.

E. Employee Identification, Advisory Statement and Pre-Test Declaration Form

When the Collection Site Team contacts an employee, the employee shall be asked to present his/her County issued photo identification card or California Driver's License or California Identification Card as issued by the State Department of Motor Vehicles. If the employee is unable to present proper identification, he/she must be identified by his/her immediate supervisor.

The employee will also be asked to complete a Pre-test Declaration form (Exhibit "A"). The form elicits information about recent use of prescription and non-prescription medications, and accidental exposure to controlled substances. The form shall contain the employee's confidential test number. It is to be placed in a sealed envelope by the employee and given to the Collection Team. The form will be destroyed without being reviewed if the results are negative.

F. Collection, Integrity and Identification of Specimen

1. Worksite Collection

After an employee has been properly identified, briefed about the reason for the test and has completed the Pre-test Declaration form, the mechanics of the collection process shall be explained. The Collection Team shall require

the employee to remove any unnecessary outer garment (e.g., coats, jackets, etc.) and shall visually check for signs of concealed items that might be used to adulterate or substitute a sample. Personal belongings such as briefcases, purses, etc., must remain with the employee's outer garments. The employee shall retain control of his/her wallet.

The employee shall wash and dry his/her hands prior to providing a urine specimen. There shall be no further access to water, soap, any chemical agent, or other materials which could be used to adulterate the specimen until after it has been provided.

The Collection Team shall place a toilet bluing agent in the toilet bowl and, if the toilet is so equipped, in the reservoir tank. The purpose of this procedure is to deter the dilution of the specimen.

The employee shall be required to provide a specimen in a large, wide mouthed, easily carried, plastic non-reusable cup, unobserved and in the privacy of a stall or otherwise partitioned area. Unusual behavior shall be noted by the Collection Team on the Collection Log Sheet (Exhibit "B").

The employee will select two approved specimen bottles (samples A and B). The containers will have affixed to them specially prepared labels showing the employee's confidential identification number. The employee shall then

provide a urine specimen and divide it equally between the two bottles in the presence of the Collection Team.

A minimum of 50 milliliters (1.7 fluid ounces) must be provided or the specimen will be considered incomplete. If the Collection Team determines that there is an insufficient amount of urine (less than 50 milliliters total) in the specimen bottles, additional urine shall be collected and the insufficient sample(s) shall be discarded. In this instance, the employee shall remain under the supervision of the Collection Team. The employee shall be asked to drink fluids to aid in urination and shall be allowed a reasonable amount of time to furnish additional urine.

Immediately after a specimen collection, the Collection Team shall ensure the temperature is between 90 and 100 degrees Fahrenheit. The Collection Team shall also inspect the specimen for signs of adulteration (e.g., contaminants, color, etc.). Unusual findings should be noted in the remarks section of the Chain of Custody Form/ Collection Log Sheet.

In the presence of the Collection Team the employee shall secure lids on the specimen bottles. The Collection Team shall then seal the lids with evidence tape or labels from the Chain of Custody Form. If at the time of collection, there is reason to believe that the specimens have been diluted, adulterated, substituted, or in any way tampered with, the Collection Team shall report

the matter on the Chain of Custody Form/Collection Log Sheet. The Collection Team may report those observations on the Chain of Custody Form/Collection Log Sheet, in writing to the laboratory, which may analyze the suspect specimens. The results of those analyses shall be reported in the written laboratory report to the MRO for further action, if any is needed.

2. Alternate Collection Procedure

As an alternative to collection of the urine specimen at the worksite the employee may request, or management may require an employee to be transported to a contract medical facility listed in Exhibit C. Management may only require an employee to be transported if the collection cannot appropriately take place at the work site. Such transportation shall meet the following guidelines:

- a. The employee will be driven by someone other than his/her immediate supervisor, unless the supervisor and the employee agree that the supervisor is the most suitable person.
- b. Public transportation such as a taxicab may be utilized. In such case the department will provide a suitable person from the department to accompany the individual. Again, the supervisor should not be utilized unless there is agreement with the employee that the supervisor is the most suitable person.

- c. Security personnel from the department or from the Office of Public Safety may also be utilized for transporting the employee to the medical facility.
- d. Specimen collection at the medical facility shall conform to the guideline procedure as described in 4.F., Collection, Integrity and Identification of Specimen, herein above.

G. Refusal to Provide Urine Specimen

An employee who refuses to consent to a drug or alcohol test shall not be subject to disciplinary action for that refusal. However, the fact of the refusal shall constitute a rebuttable presumption that the employee was under the influence of drugs and/or alcohol at the time of the order to submit to the urine test.

Note: Failure to provide a specimen within a reasonable period of time (usually not more than four (4) hours) may constitute a refusal to take a urine test.

H. Chain of Custody

Test specimens shall be transported to one of the laboratories listed in Section 5.B. herein using the same documented chain of custody and standard of care and safety applied to other evidence transported to that laboratory. Sealed specimen bottles shall be placed in a locked portable container and kept under the direct

control of the Collection Team until it leaves custody at the laboratory. Only the Collection Team and laboratory personnel shall possess keys to the portable specimen container.

No written remarks about container contents or test employees' identities shall be made on the container except as required by the laboratory. The Chain of Custody Form/Collection Log Sheet and Pre-test Declaration forms shall be delivered directly to the Medical Review Officer along with a copy of the documentation which provided the basis for the reasonable suspicion test. Upon delivery to the laboratory, both the transporting employee and the laboratory employee authorized to receive the specimens shall open the container. They shall obtain the Chain of Custody Form/Collection Log Sheet and note their identities in the appropriate place on the form. At this point, the laboratory assumes custody of the specimens and Chain of Custody Form/Collection Log Sheets.

A copy of the Chain of Custody Form/Collection Log Sheet shall be retained by the Collection Team.

Section 5. Laboratory Testing

A. Test Methodology

The testing methodology will be based on a laboratory examination of a urine specimen and shall meet all analytical, quality assurance and quality control standards as set by NIDA/SAMHSA.

Laboratory analyses of urine specimens shall be restricted to those tests authorized by this agreement to detect drug abuse. They shall not be used for other purposes, such as the analyses of physiological states or diseases (e.g., pregnancy, AIDS).

B. Authorized Laboratories

Only the following SAMHSA approved toxicology laboratories may be used for testing conducted under this agreement for employees represented by the Coalition:

1. Smith Kline Beacham Clinical Laboratory (SBCL)
Van Nuys, California
(818) 989-2520
2. Toxworx Laboratories [formerly Laboratory Specialist, Inc. (LSI)]
Woodland Hills, California
3. Damon Clinical Laboratory
Newbury Park, California
(805) 498-3181
4. Unilab (formerly B.P.L. Metwest)
Tarzana, California
5. Quest Diagnostics, Inc (formerly Nichols Institute)
San Diego, California
6. Pharchem Laboratory
Menlo Park, California
7. Poisonlab
San Diego, California

8. Pacific Toxicology Laboratory
(Centinela Hospital Airport Toxicology Lab)
El Segundo, California
9. National Toxicology Labs, Inc.
Bakersfield, California

C. Laboratory Receipt of Specimens, Chain of Evidence and Rejection Criteria

Samples received by the laboratory shall be signed in on the Chain of Custody Form/Collection Log Sheet. Each sample shall be inspected for evidence of possible tampering. The employees' confidential identification numbers will be compared with the numbers on the Chain of Custody Form/Collection Log Sheet serving as the chain of custody document. Any evidence of any tampering, or discrepancies in the identification numbers on the samples and Chain of Custody Form/Collection Log Sheet, or in the event that the seal is broken on either sample, that there is no identification number, or the identification number is illegible, such shall be reported to the

Drug Abuse Program Director and shall be noted on the Chain of Custody Form/Collection Log Sheet. Such specimens shall not be tested.

D. Substances To Be Tested

Urine specimens may only be tested for any or all of the following:

1. Amphetamines/Methamphetamines
2. Benzodiazepines (e.g. Valium, Librium)
3. Barbiturates
4. Cocaine

5. Methadone
6. Methaqualone (e.g. Quaalude)
7. Opiates
8. Phencyclidine (PCP)
9. T.H.C. - Tetrahydrocannabinol (Marijuana)
10. Alcohol

E. Test Steps

1. Initial Screening

All specimens tested shall first go through an immunoassay screening test (EMIT) which will be used to eliminate "negative" urine samples from further testing.

Written documentation shall be maintained by the laboratory showing details of all the EMIT screening tests done under this program. These data may be reviewed by consultants to the Union. All samples that initially screen positive shall be stored in a locked freezer until confirmation studies by GC/MS are complete.

2. Confirmatory Test

Specimens which were initially screened and found to be positive shall be confirmed using Gas Chromatography/Mass Spectrometry (GC/MS) quantitative techniques.

3. Cut-off Levels

Cut-off levels for a positive test are either those established by NIDA/SAMHSA for the drugs for which NIDA/SAMHSA has made such recommendations, or as established through negotiations with the Coalition for those drugs on the list for which NIDA/SAMHSA has not established cut-off level(s). For purposes of this agreement, the cut-off levels are as follows:

<u>Drug</u>	<u>Initial Screen</u>	<u>Confirming Test</u>
	(EMIT)	(GC/MS)
Amphetamines (NIDA/SAMHSA)	1000 ng/ml	500 ng/ml
Benzodiazapines	300 ng/ml	300 ng/ml
Barbiturates	300 ng/ml	300 ng/ml
Cocaine (NIDA/SAMHSA)	300 ng/ml	150 ng/ml
Methadone	300 ng/ml	300 ng/ml
<u>Drug</u>	<u>Initial Screen</u>	<u>Confirming Test</u>
Methaqualone	300 ng/ml	300 ng/ml
Opiates (NIDA/SAMHSA)	300 ng/ml	300 ng/ml
P.C.P. (NIDA/SAMHSA)	25 ng/ml	25 ng/ml
T.H.C. (NIDA/SAMHSA)	100 ng/ml	15 ng/ml
Alcohol	.05g %	.05g %

Section 6. Laboratory ReportingA. Preparation of Laboratory Report - Negative Test Specimens

The laboratory shall prepare a report, by confidential test identification number, of any specimen screened as negative and shall forward such report to the Medical Review Officer. The Medical Review Officer will notify the employee and the department of the negative test. The employee shall be given the choice of having the test results made part of his/her record or having the Medical Review Officer destroy the report and pre-test declaration and all references to a test being conducted.

B. Preparation of Laboratory Reports - Positive Test Specimens

In the event that a specimen is found to be positive by the GC/MS process, the laboratory shall prepare a written report. The original report shall be retained by the laboratory. One copy, along with the sealed pre-test declaration form, shall be sent to the Medical Review Officer.

The laboratory report shall contain the following information:

1. Employee confidential test identification number.
2. The drug identified.
3. The initial screening method.
4. The date screened.
5. The screening analyst's name.

6. The printed output from the immunoassay screening instrument pertaining to the batch of samples which includes the positive sample. That output will include the data from the relevant standards, blanks, quality control samples, and positive sample.
7. The confirmation method.
8. The date confirmed.
9. The confirming analyst's name and signature.
10. The graphs and reports pertaining to the gas chromatograph mass spectrometer analysis of the relevant batch of samples and associated controls and quantitative standards.
11. The name and signature of the reviewing laboratory supervisor.
12. Collection Log Sheet.

Following confirmation, all positive urine samples are to be frozen and retained for a minimum of one (1) year by the laboratory, except when an employee appeals any negative action taken by the County, then the sample shall be maintained until all appeals are concluded.

Section 7. Review of Results

A. Report of Laboratory Results

The Medical Review Officer shall report to the tested employee the results of all urine tests within four business days from collection of sample.

B. Preliminary Determination

The laboratory shall notify the Medical Review Officer whenever it confirms a positive test result.

C. Medical Review

The Medical Review Officer shall conduct an in-depth review of all tests reported as positive by the Laboratory. The laboratory report will include all materials specified in Section 6, B. above. The MRO shall review the test subject's Pre-test Declaration and shall take such action as may be necessary to examine any alternate medical explanation for a positive test result. Such action may include a voluntary medical interview with the employee, at the option of the employee, and a review of all medical records made available by the employee.

The MRO will arrange an interview with the employee (employee's option). The MRO will try to contact the employee utilizing the daytime telephone number designated by the employee on the Pre-test Declaration form.

The MRO is authorized to terminate the process if the MRO determines that the test result was caused by appropriate use of medication. The MRO will then prepare a written report to the Department Head limited to his statement of conclusion. No further action will be taken.

If the MRO cannot close the case, he/she will contact the Program Director regarding the need for additional information in order to verify the employee's statements. The Program Director will immediately verify the facts presented by the employee. The information obtained will be provided to the Medical Review Officer.

The Medical Review Officer will prepare a written report to the Department Head limited to a statement of conclusion.

D. Employee Notification

If the MRO does not find appropriate medical justification for the positive laboratory findings, he/she shall notify the employee and prepare a written report to the Department. Upon notification to the employee of a positive finding, the employee shall be provided with the laboratory report (as described in Section 6, B. above) and the MRO's written report. The employee also shall be provided with a written notice of his/her right to have the second sample (Sample B) independently tested and reviewed by an independent MRO.

E. Retesting

When the laboratory has confirmed a positive test result, the employee or his/her representative may request that a GC/MS test of Sample B be conducted at another approved laboratory listed in Section 5, B. herein.

If the test results are positive, an independent Medical Review Officer selected by the employee or his/her representative will review the findings and interview the employee (at employee option). The MRO will prepare a report to be given to the Drug Abuse Program Director with a copy to the employee.

If the results of the Sample B tests are negative, the Drug Abuse Program Director may request that GC/MS tests of Samples A and B be performed at a third laboratory listed in Section 5, B. herein.

If the test results from the third laboratory are negative, or if the Program Director elects not to have a third chemical test, no further action will be taken.

If the test results from the third laboratory are positive, an independent Medical Review Officer agreed upon by the employee and the Program Director will review the findings and interview the employee (at employee option). The MRO will prepare a report to be given to the Drug Abuse Program Director with a copy to the employee.

The County shall pay for all such testing. All such testing of an employee covered by this agreement shall be on County time.

F. Audit Trail

Urine Testing results are inadmissible in any proceeding without an audit trail showing compliance with each spec of this procedure. Burden of showing compliance is on the County.

Section 8. Consequences of a Positive Test Result

If an employee tests positive for drugs or alcohol in a urine test conducted pursuant to the

procedure set forth herein, the employer may take disciplinary action for proper cause and rely on the positive test result in conjunction with the employee's observed behavior at the time that the test was ordered.

Departments shall consider the appropriateness of the employee voluntarily entering and completing an alcohol/drug abuse treatment program in lieu of or to mitigate the severity of discipline.

Any disciplinary action taken as a result of a positive drug test in conjunction with the employee's observed behavior on the job shall be subject to dispute through the same procedures that would govern any other disciplinary action.

Section 9. Further Provisions

A. Hold Harmless and Indemnification Clause

The County agrees to indemnify and defend the Coalition and each Union signatory to this agreement from any liabilities which may arise as a result of the employee organization entering into this agreement. It is expressly understood that the County of Los Angeles shall choose the counsel, and have control of all phases and aspects of the litigation and the Union's defense including settlement, and that the Union shall cooperate in that defense. It is further understood that this indemnity and defense provision only applies to those claims where the legality or constitutionality of the Urine Testing Program or any part of that program is at issue.

It does not extend to claims against the Union in which the legality or constitutionality of that program is not at issue. The County will not indemnify or defend the Union against any claim that the organization or anyone acting on its behalf improperly or negligently advised, represented, or performed services for an employee with respect to any event subsequent to the effective date of this agreement with respect to the Urine Testing Program, disciplinary proceedings arising from the program, or any other right or liability of the employee related to the program.

ARTICLE 33 PREPLACEMENT DRUG TESTING FOR EMPLOYEE/
APPLICANTS

Section 1. Scope

- A. The provisions of this agreement shall only apply to an employee who applies for a position which requires a urinalysis to detect the presence of drugs as part of the pre-employment medical examination.

- B. This agreement shall not supersede any departmental drug testing program which was in effect prior to this agreement or comes into effect after this agreement as a result of additional negotiations as appropriate.

Section 2. Notice

Each applicant who is required to provide a urine specimen for drug testing is required to first read and complete the Consent for Drug Analysis. When the form is presented to the applicant, he/she must show the technician positive identification, such as a driver's license. The applicant's signature on the form is witnessed by the technician. If the applicant refuses to sign the consent form or provide a urine sample, the examination process is terminated.

Section 3. Collection

- A. The nurse/technician provides the applicant with a label upon which he/she prints his/her full name, Social Security #, and date of specimen. The nurse/technician writes the applicant's account number onto the label and the applicant places

his/her initials below this number on the label. The label is then placed on the laboratory container and the applicant's name, account number and date of collection are recorded in the Lab Specimen Log. This is done in the presence of the applicant, who initials the Lab Specimen Log.

- B. All applicants who are providing urine specimens for drug testing should be given a gown and asked to disrobe. No personal belongings (except for a wallet) are allowed in the restroom; purses can be left in full view of the door. The nurse/technician provides the applicant with a receptacle, cleansing towel and instructions for collecting a specimen.
- C. Prior to obtaining the specimen, the restroom facility is prepared. The commode water is colored with a bluing agent, the water supply turned off (or evidence tape placed over the faucet), soap removed, and the back of the commode taped shut with evidence tape (if it is of a style that allows access into the tank).
- D. The applicant is instructed to wash his/her hands before entering the restroom. He/she is also instructed to not flush the toilet or attempt to turn on the water in the restroom.
- E. If the applicant states that he/she cannot give a specimen at this time, he/she is provided with something to drink and asked to wait until he/she can give one. He/she is advised that procedure requires the specimen be given at this time.

Failure to provide a specimen may be reason to disqualify the applicant. If there is a valid medical reason for not giving a specimen, the appropriate County authority is contacted for instructions on how to proceed.

- F. When the applicant returns with the specimen, the technician immediately checks the temperature. If the temperature of the specimen is below 90.5F or above 99.8F, there is reason to believe the specimen may not be valid, and the applicant is asked to provide another. If the color indicates that the specimen may have been watered down, a notation to this effect is also made on the chain of custody form.
- G. The specimen must be at least 50 milliliters in quantity. If it is not, the applicant is asked to provide another specimen. After the temperature and color of the second specimen is observed (and is acceptable), the specimens are combined and measured for quantity in the presence of the applicant. The specimens will then be split into equal samples, A & B. The specimen to be sent for drug testing shall not have been used for any other testing, including the so called "dip stick" sugar test.
- H. With the applicant observing, the nurse/technician pours the specimen into a pre-labeled laboratory container. The container is then sealed for shipment. The technician should place evidence tape (provided by the laboratory) on the top of the urine tube, covering the cap and side of the tube. The applicant then initials the evidence tape on the top of the cap.

- I. The nurse/technician completes the shipping envelope provided by the laboratory, giving the following information:
 - 1) Doctor in Group or Name of Clinic
 - 2) Patient ID# or Social Security#
 - 3) Date
 - 4) Patient Name
 - 5) Panel #

- J. Chain of Custody form is completed next by providing the following information:
 - 1) Applicant's Name (SS or ID#)
 - 2) Date of Collection
 - 3) Site of Collection
 - 4) Test or Panel #
 - 5) Signature of Applicant and Clinic Technician

- K. As a final step, the specimen is placed into a laboratory plastic bag with the original Chain of Custody form and sealed. A copy of the Chain of custody form is also stapled to the bag. The bag is placed into the shipping envelope and sealed with evidence tape. Specimens are refrigerated until picked up by the laboratory courier.

Section 4. Consequences of a Refusal/Failure to Take The
Pre-Employment Urinalysis

If an employee refuses/fails to take the pre-employment urinalysis, he/she shall be disqualified for medical reasons without the right of appeal under the civil service rules. Further, such medical disqualification shall not be subject to the grievance/arbitration provision in the applicable MOU. The employee's refusal/failure to take the urinalysis shall not be a presumption of any misconduct and no disciplinary action shall be taken against the employee.

Section 5. Laboratory Testing

A. Test specimens shall be transported to one of the laboratories listed in Section 5, B. herein, using the same documented chain of custody and standard of care and safety applied to other evidence transported to that laboratory.

B. Authorized Laboratories

Only the following toxicology laboratories may be used for testing conducted under this agreement:

- 1) Smith Kline Beacham Clinical Laboratory (SBCL)
 Van Nuys, California
 (818) 989-2520
- 2) Toxworx Laboratories [formerly Laboratory Specialist, Inc. (LSI)]
 Woodland Hills, California
- 3) Unilab (formerly B.P.L. Metwest Laboratory)
 Tarzana, California
- 4) Quest Diagnostic Inc. (formerly Nichols Institute)
 San Diego, California

- 5) Pharchem Laboratory
Menlo Park, California
- 6) Poisonlab
San Diego, California

C. Laboratory Receipt of Specimens, Chain of Evidence and Rejection Criteria

Samples received by the laboratory shall be signed in on the collection log sheet. Each sample shall be inspected for evidence of possible tampering. The confidential identification numbers will be compared with the numbers on the collection log sheet serving as the chain of custody document. Any evidence of any tampering, or discrepancies in the identification numbers on the samples and collection log sheet, or in the event that the seal is broken on any sample, that there is no identification number, or the identification number is illegible, such shall be reported to the medical facility and shall be noted on the collection log sheet. Such specimens shall not be tested.

D. Substances To Be Tested

Urine specimens may only be tested for any or all of the following:

- 1) Amphetamines/Methamphetamines
- 2) Benzodiazepines (e.g. Valium, Librium)
- 3) Barbiturates
- 4) Cocaine
- 5) Methadone
- 6) Methaqualone (e.g. Quaalude)
- 7) Opiates

- 8) Phencyclidine (PCP)
- 9) T.H.C. - Tetrahydrocannabinol (Marijuana)

E. Test Steps

1) Initial Screening

All specimens tested shall first go through an immunoassay screening test (EMIT) which will be used to eliminate "negative" urine samples from further testing.

Written documentation shall be maintained by the laboratory showing details of all the EMIT screening tests done under this program. These data may be reviewed by consultants to the Union. All samples that initially screen positive shall be stored in a locked freezer until confirmation studies by GC/MS are complete.

2) Confirmatory Test

Specimens which were initially screened and found to be positive shall be confirmed using Gas Chromatography/Mass Spectrometry (GC/MS) quantitative techniques.

3) Cut-off Levels

Cut-off levels for a positive test are either those established by NIDA/SAMHSA for the drugs for which NIDA/SAMHSA has made such recommendations, or as established through negotiations with the Coalition

for those drugs on the list that NIDA/SAMHSA has not established cut-off level(s). For purposes of this agreement, the cut-off levels are as follows:

<u>Drug</u>	<u>Initial Screen</u>	<u>Confirming Test</u>
(EMIT)	(GC/MS)	
Amphetamines (NIDA/SAMHSA)	1000 ng/ml	500 ng/ml
Benzodiazapines	300 ng/ml	300 ng/ml
Barbiturates	300 ng/ml	300 ng/ml
Cocaine (NIDA/SAMHSA)	300 ng/ml	150 ng/ml
Methadone	300 ng/ml	300 ng/ml
Methaqualone	300 ng/ml	300 ng/ml
Opiates (NIDA/SAMHSA)	300 ng/ml	300 ng/ml
P.C.P. (NIDA/SAMHSA)	25 ng/ml	25 ng/ml
T.H.C. (NIDA/SAMHSA)	100 ng/ml	15 ng/ml

Section 6. Laboratory Reporting

- A. The laboratory report, whether negative or positive, shall be returned to the medical facility from which the specimen came.
- B. The medical facility shall include the laboratory report in the applicant's medical examination record when the record is returned to the County Occupational Health Programs Unit for final review.

Section 7 Medical Review

- A. The County's Medical Review Officer shall conduct an in-depth review of all tests reported as positive by the laboratory. The MRO shall review the applicant's Pre-test Declaration and shall take such action as may be necessary to examine any alternate medical explanation for a positive test result. Such action may include a voluntary medical interview with the applicant, at the option of the applicant and a review of all medical records made available by the applicant.

- B. Following the above review, the MRO shall arrive at a decision as to whether the test result was caused by appropriate use of medication or other appropriate medical justification. If such justification exists the test shall be interpreted as negative by the MRO.

- C. If there is no such medical justification, the MRO shall interpret the test as positive and so document the medical record.

Section 8. Consequences of a Positive Test Result

- A. If the applicant has a positive drug test, he/she shall be medically disqualified from the position for which the test was done.

- B. The applicant shall be notified of this disqualification by means of the Medical Examination Results card normally used for reporting of medical examination results to the applicant.

- C. Notification of a disqualification for a positive test shall include information pertaining to the right to appeal and to have the specimen tested by a laboratory selected by the employee.
- D. For existing employees who are working in a sensitive position and are undergoing a preplacement medical examination for a position for which testing is required, a positive drug test result shall be reported to the employee's current department.

The MRO shall meet with and evaluate the employee. The MRO shall determine whether the employee is in need of a drug rehabilitation/treatment program. If a program is needed, the MRO shall recommend the appropriate type of program.

The employee must voluntarily enter and successfully complete an appropriate treatment/rehabilitation program. Refusal to do so may subject the employee to discipline up to and including discharge.

- E. For existing employees who are not currently working in a sensitive position and have a positive test, the MRO shall meet with and evaluate the employee. The MRO shall determine whether the employee is in need of a drug rehabilitation/treatment program. If a program is needed, the MRO shall recommend the appropriate type of program.

If the employee enters and successfully completes the program, no report of the positive test shall be sent to the employee's current department and no disciplinary action shall result from the positive test.

- F. Disciplinary action in which the drug test result was a factor shall be subject to dispute through the same procedures that would govern any other disciplinary action.

Section 9. Further Provisions

A. Hold Harmless and Indemnification Clause

The County agrees to indemnify and defend the Coalition and each Union signatory to this agreement from any liabilities which may arise as a result of the employee organization entering into this agreement. It is expressly understood that the County of Los Angeles shall choose the counsel, and have control of all phases and aspects of the litigation and the Union's defense including settlement, and that the Union shall cooperate in that defense. It is further understood that this indemnity and defense provision only applies to those claims where the legality or constitutionality of the Urine Testing Program or any part of that program is at issue. It does not extend to claims against the Union in which the legality or constitutionality of that program is not at issue. The County will not indemnify or defend the Union against any claim that the organization or anyone acting on its behalf improperly or negligently advised, represented, or performed services for an

employee with respect to any event subsequent to the effective date of this agreement with respect

to the Urine Testing Program, disciplinary proceedings arising from the program, or any other right or liability of the employee related to the program.

ARTICLE 34 PENSION SAVINGS PLAN

Section 1. Purpose.

The Pension Savings Plan (the “Plan”) is a retirement plan for temporary and part time employees of the County of Los Angeles who are not eligible to participate in the Los Angeles County Employees Retirement Association. It is intended that the Plan qualify under IRC Sections 457 and 3121 as a benefit enhancement provided to employees in lieu of participation in the Social Security System.

Section 3. Operational Details.

The parties further agree on the following matters which provide operational details concerning Plan operation, or are related to the Plan but are outside the scope of its provisions:

- A. The provisions of Chapter 5.19 are not subject to the Grievance Procedure set forth in Article 26 of this MOU,

- B. The County monthly contribution shall be 3 percent of compensation and the minimum monthly employee contribution shall be 4.5 percent of compensation.
- C. The Plan Administrative Committee (PAC) shall have responsibility for the operation and administration of the Plan and trust, and the members of the PAC shall be ~~A~~trustees@ subject to the fiduciary duties imposed on trustees under California law, including but not limited to the duties imposed by the Uniform Prudent Investors Act.

In the event that the County is mandated by Federal or State law to re-enter the Social Security system during the term of the current Fringe Benefits Memorandum of Understanding, at the request of either party, the parties agree to open negotiations within 45 days of such request regarding the impact of such mandate on the matching contributions of the employees represented by the CCU to be covered by Social Security.

- G. In the event that applicable law is changed to require the Plan to be terminated or merged into another form of deferred compensation program during the term of the current Fringe Benefits Memorandum of Understanding, at the request of either party, the parties agree to open negotiations within 45 days of such request regarding the impact of such termination or merger on Plan participants who are employees represented by the CCU.

Section 4.

It is agreed between the parties that any conflict between this Article and the Plan provisions of the County Code be resolved in favor of the Memorandum of understanding provisions.

ARTICLE 35 ENHANCED VOLUNTARY TIME-OFF PROGRAMProgram Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- EVTO shall be available to employees for the fiscal years 1992-93 and 1993-94 and will commence upon Board approval. This program may be offered in fiscal years beyond 1993-94 subject to Board approval.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the department head or his or her designee.
- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.

- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department management.
- In the event of a County emergency affecting public health or safety, a department head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a department head to terminate any leave of absence as described in Civil Service Rule 16.04.
- In the event an employee is subpoenaed to court on an EVTO day regarding a matter involving his or her County duties, the EVTO day will be considered canceled and the employee paid for the time necessary to comply with the subpoena, pursuant to his/her MOU.
- An employee may take up to 60 calendar days of EVTO each fiscal year during this program (see below for EVTO after 60 days) with the following benefit guarantees:
 - EVTO may be taken as 60 or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with management approval.

- EVTO will not affect County contributions to the Options, Choices, Flex or Megaflex benefit plans, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for regular days off and holidays. The current County pay policy is that an employee must be on a pay status for at least four hours on either side of a weekend or a holiday to be paid for the weekend or holiday. At the point the employee begins EVTO and returns to full-time it will be considered a qualifying event for purposes of modifying a participant's dependent care or health care spending account to the degree the account is impacted by participation in the EVTO Program, and is consistent with IRS regulations.

- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payment shall be made within 30 days following the date the employee is notified of the insufficient earnings. See Attachment for details.

- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.

- An employee may take a total of one year of EVTO with the following parameters:
 - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
 - After the first 60 days of EVTO, the 60-day EVTO benefit guarantees will not apply.
 - Retirement service credit will not accrue during this period.
 - FLSA non-exempt employees may request EVTO in increments as little as one hour.
- FLSA Exempt employees must request EVTO in full work day increments.
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.
- Department heads may continue to approve other unpaid leave of absences.

ARTICLE 36POLICY AND PROCEDURES FOR COMPLIANCE WITH
DEPARTMENT OF TRANSPORTATION RULES ON DRUG
AND ALCOHOL TESTING FOR COMMERCIAL DRIVERS**I. INTRODUCTION****A. SCOPE**

The intent of this policy and attendant procedures is to implement a basic, mandatory, Countywide program as required by the Federal Department of Transportation (DOT) for affected County drivers. This program is separate and apart from the County's Drug-Free Workplace Program and does not affect any departmental drug/alcohol testing programs, policies, rules, and procedures which were in effect prior to January 1, 1995, or will come into effect after this date.

The County's policy and procedures relate to testing required by the Federal Omnibus Transportation Employee Testing Act (OTETA) of 1991 and are subject to all current and future provisions of OTETA and Federal rules and regulations promulgated by DOT that implement the ACT.

B. POLICY

Under OTETA, persons who drive commercial motor vehicles must be tested for misuse of alcohol or use of drugs. DOT has published Rules mandating an anti-drug and alcohol misuse prevention program. The purpose of this program is to help prevent accidents and injuries resulting from the abuse of

drugs and alcohol by drivers of commercial vehicles. Effective January 1, 1995 all employers, public and private, will be subject to these Rules.

As an employer subject to the DOT Rules and regulations, the County of Los Angeles is implementing this policy and attendant procedures in all County departments. In accordance with DOT Rules, it is the policy of the County of Los Angeles that employees of the County whose job duties require them to be commercial drivers as defined in the DOT regulations are prohibited from:

1. Reporting to duty or remaining on duty requiring the performance of safety-sensitive functions while having a breath alcohol concentration (BAC) of 0.04 or greater.
2. Being on duty or operating a commercial motor vehicle while in the possession of alcohol unless the alcohol is manifested and transported as part of a shipment.
3. Using alcohol while performing safety-sensitive functions.
4. Performing safety-sensitive functions within four (4) hours after using alcohol.

5. Using alcohol for eight (8) hours, or until he/she undergoes a post-accident alcohol test following an accident which will require post-accident alcohol testing in accordance with these Rules.
6. Reporting for duty or remaining on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substance, except when the use is pursuant to the instructions of a physician who has advised the driver that the substance does not adversely affect the driver's ability to safely operate a motor vehicle.
7. Reporting for duty, remaining on duty, or performing a safety-sensitive function if found to test positive for controlled substances.
8. Refusing to submit to a post-accident alcohol or controlled substances' test, a random alcohol or controlled substances' test, a reasonable suspicion alcohol or controlled substances' test, or a follow-up alcohol or controlled substances' test as required by these Rules.

Employees engaging in prohibited activities as described above may not perform or continue to perform safety-sensitive functions. In addition, employees who engage in prohibited activities may be

subject to disciplinary action in accordance with applicable MOU provisions, and/or departmental policy.

C. GOVERNING REGULATIONS

Regulations governing the anti-drug and alcohol misuse prevention programs are set forth by the Federal Highway Administration (FHWA) and DOT's Office of the Secretary. These Rules are published in Title 49, Code of Federal Regulations (CFR), Part 382 et seq., which requires employers to test drivers required to obtain a commercial license, and Title 49, CFR, Part 40 which specifies procedures that must be followed by the employer when conducting drug and alcohol testing pursuant to regulations issued by FHWA.

These Rules become effective on January 1, 1995, for employers with 50 or more commercial drivers (CD,s), and January 1, 1996, for employers with 49 or less CD,s.

D. CENTRAL vs DEPARTMENTAL RESPONSIBILITIES

Central Responsibility

The Department of Human Resources (DHR) will administer the DOT Alcohol and Drug Testing Program through the Health, Safety and Disability Benefits Division. DHR will be responsible for implementing the random drug and alcohol testing portion of the Rules, for monitoring County departments'

compliance with pre-employment, post-accident, and reasonable suspicion testing as required by the Rules, and for record-keeping and reporting functions as specified in the Rules. In addition, through its Employee Assistance Program (EAP) or an approved contract, DHR will provide substance abuse professionals (SAPs) and referrals in compliance with the DOT Rules.

The County's Program Manager (CPM) will be the Chief of Occupational Health Programs who can be reached at 213-738-2187. The role of the CPM will be to oversee and evaluate the County's program; provide consultation to County departments regarding implementation of the program; maintain all necessary records regarding testing programs required by the DOT Rules; implement and administer the random testing component of the Rules; and establish and monitor any contracts with medical providers, laboratories, medical review officers, etc. which may be required to implement the Rules.

Departmental Responsibility

Departments are responsible for directing employees to authorized testing locations for the purpose of pre-employment, random, post-accident, reasonable suspicion, return-to-duty, and follow-up testing within the parameters established under this policy.

1. Departmental Program Manager (DPM) - Each department having covered employees must assign an individual to manage this program. The DPM or other individual designated by the department will be a liaison with the County's Program Manager in DHR. Departmental policies will be reviewed, and copies maintained, by the CPM. The DPM will be responsible for implementing the County's program in his/her department; overseeing and evaluating the program; reviewing all discipline applied under this policy for consistency and conformance to the department's policies and procedures; scheduling pre-employment, post-accident, and reasonable suspicion testing; and ensuring confidentiality of any records pertaining to the program. The DPM must ensure that all covered employees are aware of the provisions and coverage of the department's anti-drug and alcohol misuse prevention program.
2. Supervisors - These individuals include departmental staff responsible for observing the performance and behavior of covered employees. Their responsibilities include observing and documenting events suggestive of reasonable suspicion, and requesting a second supervisor for substantiating and concurring for reasonable suspicion testing, if applicable.
3. Employees - Each covered employee will receive a copy of materials that explain the requirements of the DOT regulations, and the

County's policy and procedures with respect to meeting these regulations.

II. TESTING REQUIREMENTS

A. APPLICABILITY

Any applicant/employee holding a commercial driver's license (CDL) and performing safety-sensitive functions for the County will be subject to drug and alcohol testing under this policy.

B. DEFINITIONS

1. Blind Sample or Blind Performance Test Specimen - A urine specimen submitted to a laboratory for quality control testing purposes, with a fictitious identifier, so the laboratory cannot distinguish it from employee specimens, and which is spiked with known quantities of specific drugs or which is a blank, containing no drugs.
2. Breath Alcohol Concentration (BAC) - The alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath as indicated by a breath test.

3. Chain-of-custody - Procedures to account for the integrity of each urine specimen by tracking its handling and storage from the point of specimen collection to final disposition of the specimen.
4. Commercial Driver (CD) - Any person who operates a commercial motor vehicle. This includes, but is not limited to: full-time, regularly employed drivers; casual intermittent or occasional drivers; and leased and independent drivers.
5. Commercial Motor Vehicle (CMV) - A vehicle with a gross combination weight rating of 26,001 or more pounds inclusive of a towed unit with a gross vehicle weight rating (GVWR) of more than 10,000 pounds; or has a gross vehicle weight of 26,001 or more pounds; or is designed to carry 16 or more passengers, including the driver; or is of any size and is required to be placarded under the Hazardous Materials Regulations (49 CFR part 172, Subpart F).
6. Confirmation Test - For alcohol it means a second test, following a screening test with a result of 0.02 or greater that provides quantitative data of alcohol concentration. For controlled substances it means a second analytical procedure to identify the presence of a specific drug or metabolite which is independent of the initial test and

which uses a different technique and chemical principle from that of the initial test in order to ensure reliability and accuracy. Gas chromatography/mass spectrometry (GC/MS) is the only authorized confirmation method for cocaine, marijuana, opiates, amphetamines, and phencyclidine.

7. County's Drug-Free Workplace Program - The policy and procedures for a Drug-Free Workplace Program which were approved by the Board of Supervisors and implemented on July 1, 1990, and which include additional procedures approved by the said Board on June 9, 1992; and Article 32, Urine Testing - Reasonable Suspicion only of the Coalition Fringe Benefits' MOU.
8. Covered Employee - A commercial driver performing safety-sensitive functions.
9. Initial Test (also known as Screening Test) - For alcohol, it means an analytical procedure to determine whether a driver may have a prohibited concentration of alcohol in his/her system. For controlled substances it means an immunoassay screen to eliminate "negative" urine specimens from further consideration.

10. Medical Review Officer (MRO) - A licensed physician responsible for receiving laboratory results generated by an employer's drug testing program who has knowledge of substance abuse disorders and has appropriate medical training to interpret and evaluate an individual's confirmed positive test result together with his/her medical history and any other relevant biomedical data.
11. On-duty Time - All time, from the time a driver begins to work or is required to be in readiness to work until the time he/she is relieved from work and all responsibility for performing work. On-duty time includes:
 - a. all time at a carrier or shipper plant, terminal, facility, or other property, or on any public property, waiting to be dispatched;
 - b. all time inspecting, servicing, or conditioning any commercial vehicle at any time;
 - c. all time spent at the driving controls of a commercial motor vehicle in operation;
 - d. all time, other than driving time, in or upon any commercial motor vehicle except time spent resting in a sleeper berth.

- e. all time loading or unloading a vehicle, supervising, or assisting in loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate a vehicle, or in giving or receiving receipts for shipment loaded and unloaded;
- f. all time spent performing the driver requirements following an accident or after striking an unattended vehicle;
- g. all time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle;
- h. all time spent providing a breath sample or urine specimen, including travel time to and from the collection site, in order to comply with random, reasonable suspicion, follow-up, or post-accident testing.
- i. performing any other work in the capacity of, or in the employ or service of, a common, contract or private motor carrier; and
- j. performing any compensated work for any non-motor carrier entity.

12. Performing A Safety-sensitive Function - A driver is considered to be performing a safety-sensitive function during any period in which he/she is actually performing, ready to perform, or immediately available to perform any safety-sensitive functions.
13. Pre-employment Testing - Conducted when a covered person is hired, transferred, promoted, or assigned into a safety-sensitive function.
14. Prohibited Drugs - Marijuana, cocaine, amphetamines, opiates, and phencyclidine (PCP).
15. Safety-sensitive Function - Any of the on-duty functions stated above, under *On-Duty time*.
16. Substance Abuse Professional (SAP) - Means a licensed physician (Medical Doctor or Doctor of Osteopathy), or a licensed or certified psychologist, social worker, employee assistance professional, or addiction counselor (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission) with knowledge of and clinical experience in the diagnosis and treatment of alcohol and controlled substances-related disorders.

C. SUBSTANCES FOR WHICH TESTING IS REQUIRED

1. Marijuana, cocaine, amphetamines, opiates, and phencyclidine (PCP).
2. Alcohol.

D. DRUG AND ALCOHOL TESTS REQUIRED

1. Pre-employment Testing - conducted before applicants are hired or after an offer to hire, but before actually performing safety-sensitive functions for the first time. Also required when employees are transferred, promoted, or assigned to a safety-sensitive (driver) position. Only drug testing is required for pre-employment testing.

Prior to the first time a driver performs safety-sensitive functions, the department must ensure that the driver undergoes testing for controlled substances in accordance with the DOT Rules.

- a. Departments are not required to administer pre-employment drug tests if the driver has undergone testing with another employer within 6 months for controlled substances' testing, or participated in a random controlled substances' testing program in the previous 12 months (from date of application). Results of such testing should indicate a negative test for controlled substances. In addition, the department must

ensure that no prior employer of the driver of whom the department has knowledge, has records of a violation of the DOT Rules by the driver within the past 6 months.

- b. If a department chooses to waive the pre-employment testing, the DPM must obtain from the driver's previous employers, the following information:
 - (1) Names and addresses of the program(s).
 - (2) Verification that the driver participates or participated in the program(s).
 - (3) Verification that the programs conform to DOT requirements.
 - (4) Verification that the driver is qualified under the DOT Rules, including that the driver has not refused to be tested for controlled substances.
 - (5) The date the driver was last tested for controlled substances.

- (6) The results of any tests taken within the previous 6 months and any other violations of prohibited conduct.

An applicant should be requested to sign a release to allow the department to inquire of applicant's previous employer(s), if the applicant has participated in a testing program, and to obtain results. This information must be obtained and reviewed by the department no later than 14 calendar days after the first time a covered driver performs safety-sensitive functions for the department, if it is not feasible to obtain the information prior to the driver performing safety-sensitive functions. The department may not permit a covered driver to perform safety-sensitive functions after 14 days without obtaining the information.

2. Post-accident Testing - conducted after accidents on safety sensitive employees who have been in an accident involving a human fatality or when a citation has been issued in one of the following situations:

- There has been bodily injury with the need for immediate medical attention away from the scene, or

- There has been disabling damage to any motor vehicle requiring tow away.
- a. The department must provide drivers with necessary post-accident information, procedures, and instructions, prior to the driver operating a commercial motor vehicle, so that drivers will be able to comply with these requirements.
- b. Alcohol Test. If a BAC test is not administered within two (2) hours following the accident, the supervisor must prepare and maintain a record stating the reasons the test was not promptly administered. If not administered within eight (8) hours following the accident, attempts to test must cease and a record made of the reasons why the test was not administered.
- c. Drug Test. If a controlled substance test is not administered within 32 hours, the supervisor must cease attempts to administer the test, and prepare and maintain a record of why the test was not administered.

- d. A driver subject to post-accident testing must remain available for testing and, if the driver fails to remain available, he/she may be deemed to have refused testing.
- e. Following collection. After returning from the collection site, the driver must not be allowed to perform safety-sensitive functions pending the results of the drug test or if the alcohol concentration is 0.02 or greater.

If the alcohol concentration is 0.02 or greater but less than 0.04, the driver may be allowed to resume safety-sensitive functions not less than 24 hours after the test.

NOTE: Using alcohol within eight (8) hours after an accident, or until tested, is prohibited.

- f. The results of a breath or blood test for the use of alcohol or a urine test for the use of controlled substances conducted by the California Highway Patrol, local law enforcement or other officials having independent authority for the test, meet the DOT requirements provided test results are obtained by the department.

NOTE: Necessary medical attention must not be delayed in order to collect the specimen(s).

3. Reasonable Suspicion Testing - conducted when a trained supervisor or departmental official observes behavior or appearance that is characteristic of alcohol misuse or drug abuse. The supervisor or departmental official must be trained in the detection of possible symptoms of alcohol misuse and drug abuse.

The objective of this test is to identify alcohol and drug affected employees who may pose a danger to themselves and others in their job performance.

Employees may be at work in a condition that raises concern regarding their safety and productivity. A supervisor or departmental official must then make a decision as to whether there is reasonable suspicion to believe an employee is using or has used a prohibited drug or is misusing alcohol based on the following criteria:

- a. The decision to test must be based on a reasonable and articulate belief that the employee is misusing alcohol or is using prohibited drugs on the basis of specific, contemporaneous physical, or performance indicators of

probable alcohol misuse or drug use such as appearance, behavior, speech, or body odors of the individual.

Observations may include indications of chronic and withdrawal effects of controlled substances.

Whenever feasible, reasonable suspicion shall be confirmed by a second supervisor, manager, or other reliable witness.

- b. Alcohol Test. Alcohol testing is to be done while the driver is performing safety-sensitive functions, just before performing safety-sensitive functions, or just after the driver has ceased performing such functions.

If a BAC test is not administered within two (2) hours following observed indicators, the supervisor must prepare and maintain a record stating reasons for the delay. If not administered within eight (8) hours, attempts to test must cease and a record made of the reasons why the test was not administered.

The department must not permit an employee to perform or continue to perform safety-sensitive functions until a) a BAC test is administered and the driver's alcohol concentration

measures less than 0.02, or b) 24 hours have elapsed following the determination that there is reasonable suspicion

to believe that the driver has violated the prohibitions concerning the use of alcohol.

- c. Drug Test. A written record, signed by the supervisor(s) who made the observations, must be made of the observations leading to the reasonable suspicion test immediately, whenever feasible, and in all cases within 24 hours of the observed behavior or before the test results are released, whichever is earlier.
- d. Transport of affected driver. The department will arrange for transportation of employee to a collection site in accordance with the following guidelines:
 - (1) The employee will be driven by someone other than his/her immediate supervisor unless the supervisor and the employee agree that the supervisor is the most suitable person.

- (2) Public transportation such as a taxicab may be utilized.

In such a case, the department will provide a suitable person, from the department, to accompany the

individual. Again, the supervisor should not be utilized unless there is agreement with the employee that the supervisor is the most suitable person.

- (3) Security personnel from the department may also be utilized for transporting the employee to the collection site.

4. Random Testing - conducted on a random, unannounced basis. The primary objectives of random testing are to deter alcohol misuse and prohibited drug use, and to ensure a drug and alcohol free workplace.

Random alcohol testing will be conducted just before, during, or just after performance of safety-sensitive functions, while random drug testing will be conducted anytime the employee is at work.

The minimum annual percentage rate is set by the Federal Highway Administration. Currently, the rate for random alcohol testing must be 10 percent of the average number of covered employees, and for

drug testing, 50 percent of the covered employees. The test must be spread reasonably over a 12-month period.

NOTE: Each year the FHWA will publish the minimum annual percentage rate for random drug and alcohol testing of covered employees.

The key aspects of the random testing selection process are addressed below:

- a. Random selection of employees for alcohol and drug testing will be in accordance with the procedures described in Appendix A of this policy.
 - b. The DPM is responsible for notifying employees who have been selected for random testing, to proceed to the test-site immediately following notification.
5. Return-to-Duty Testing - conducted when an employee who has violated the prohibited alcohol or drug-use conduct standards returns to performing safety-sensitive duties.
- a. Alcohol Test. The DPM is responsible for ensuring that an

employee who has engaged in conduct prohibited by the DOT Rules concerning the use of alcohol, undergoes a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02.

- b. Drug Test. For employees who have engaged in conduct prohibited by the DOT Rules concerning the use of controlled substances, a return-to-duty test for controlled substances will be ordered by the Medical Review Officer (MRO). A negative test for controlled substances will be required before the employee can return to performing safety-sensitive functions.
 - c. The MRO or an SAP when applicable, will notify the DPM whether the affected employee can return to performing safety-sensitive functions.
6. Follow-up Testing - when the MRO or another SAP determines that the employee requires assistance in resolving problems associated with alcohol misuse or drug abuse, the employee will be subject to unannounced follow-up testing as directed, for up to 60 months. At least 6 tests will be conducted in the first 12 months after a driver returns to duty. The MRO or the SAP may terminate testing after the 6 tests.

The MRO or SAP when applicable, will notify the DPM of the need for an employee to have follow-up testing and will specify the frequency and duration of such testing.

III. REVIEW OF TEST RESULTS

A. ALCOHOL TESTING

Refer to Appendix C of this policy.

B. DRUG TESTING

The MRO will review and interpret confirmed positive test results for controlled substances obtained from the various testing protocols (i.e. pre-employment, random, post-accident, reasonable suspicion, return-to-duty, and follow-up), and will notify the DPM in writing within 3 business days of making his/her (MRO's) decision.

The MRO will be a licensed physician with knowledge of substance abuse disorders.

Procedures for MRO review of controlled substances' test results are contained in Appendix B of this policy.

IV. CONSEQUENCES OF A POSITIVE TEST/REMOVAL FROM DUTY

- A. Compliance with the County's anti-drug and alcohol misuse prevention program must be a condition for employment in a position that is covered by FHWA regulations.
- B. A covered employee must be removed from a safety-sensitive function under the following conditions:
 - 1. A BAC of 0.04 or greater. A BAC of 0.02 or greater but less than 0.04 will result in the removal from safety-sensitive function for at least 24 hours.
 - 2. Consumption of alcohol within four (4) hours prior to reporting to duty.
 - 3. Refusal to submit to an alcohol or a drug test required by this policy.
 - 4. Possession or use of alcohol or drugs when on duty.
 - 5. Testing positive for drugs.
 - 6. Information from previous employer(s) has not been received within 14 days after the first time safety-sensitive functions have been performed.

7. There is reasonable suspicion the employee may be impaired as shown by behavioral, speech, and performance indicators.
- C. Refusal to take a test will result in the employee's removal from safety-sensitive functions and may constitute a rebuttable presumption that the employee was under the influence of alcohol or drugs at the time of the test.
 - D. Additional discipline of an employee found to be in violation of the prohibitions regarding alcohol and controlled drug use specified in the DOT Rules will be in accordance with applicable MOU provisions, and departmental rules and policy.
 - E. Testing results are inadmissible in any disciplinary proceeding without an audit trail showing compliance with each aspect of this procedure. Burden of showing compliance is on the County.

V. RETENTION OF RECORDS

Records to be maintained in regard to this program are those specified in Title 49, CFR, Part 382, Subpart D, ' 382.401(c).

Records related to this program will be maintained by the CPM or approved contractor in a secure location with controlled access.

Any records regarding this program which originate with the DPM (e.g. pre-employment, reasonable suspicion documentation, documents generated in connection with decisions on post-accident tests, etc.) will be maintained confidentially in a secure location with controlled access.

VI. REPORTING REQUIREMENTS

The CPM will be responsible for preparation and maintenance of an annual calendar year summary of the results of the County's testing programs in accordance with DOT regulations in Title 49, CFR, Part 382, Subpart D, ' 382.403.

VII. ACCESS TO FACILITIES AND RECORDS

Driver information contained in records required to be maintained under this policy must not be released by the CPM or the DPM except as required by law, or expressly authorized, or required by DOT regulations.

The County will permit access to all facilities utilized in complying with the DOT Rules, to the Secretary of Transportation, any DOT agency, or any State or local officials with regulatory authority over the County or any of its drivers.

VIII. PROMULGATION OF POLICY AND PROVISION OF TRAINING

A. EDUCATIONAL MATERIALS

The DPM must ensure that each covered employee receives a copy of this policy and accompanying procedures, and the following additional

information, before the start of alcohol and controlled substances' testing required under the DOT Rules, and to each driver subsequently hired or transferred into a covered position:

1. The name of the DPM to whom questions about the materials can be directed.
2. The categories of covered employees who are subject to the provisions of this policy.
3. A description of what constitutes safety-sensitive functions.
4. Information concerning the effects of using alcohol and controlled substances on an individual's health, work, and personal life; signs and symptoms of problems associated with alcohol misuse or use of controlled substances; and available methods of intervention, including confrontation, referral to the County's EAP and/or referral to management, when a problem with misusing alcohol and/or using controlled substances is suspected. This material is available through the EAP at (213) 887-5300.

B. CERTIFICATE OF RECEIPT

The DPM must require each covered employee to sign a statement certifying receipt of the copy of this policy. The original of the signed statement must be retained by the department, and copy may be provided to the employee.

C. SUPERVISORY TRAINING

Supervisory and departmental staff designated to determine whether a covered employee must be tested for drug or alcohol for reasonable cause must receive training under the anti-drug and alcohol misuse prevention program. These designated individuals must receive at least 60 minutes of training on alcohol misuse and an additional 60 minutes of training on drug use. It must cover physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances. This training is available through the County's EAP at (213) 887-5300 or may be obtained from an outside vendor.

IX. REFERRAL, EVALUATION, AND TREATMENT

- A. Employees who have engaged in conduct prohibited by the DOT Rules and have been identified as such, must be advised by the DPM or MRO of the availability of the County's EAP or contract SAP to serve as a resource for names, addresses, and telephone numbers of other SAPs available to provide counseling and treatment programs.

- B. Each employee who engages in conduct prohibited by these Rules must be referred to the EAP or contract SAP to determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse and controlled substances use.

If the EAP or other SAP prescribes a program of rehabilitation, the employee must be evaluated by that SAP before returning to duty to determine if the employee has properly followed the rehabilitation program.

- C. A returning employee must be subject to unannounced follow-up testing for alcohol and controlled substances in accordance with Part II D (6) of this policy.
- D. Evaluation and rehabilitation, and assignment of costs of such evaluation and rehabilitation will be made in accordance with the County's Policy on a Drug- Free Workplace.
- E. The requirements of this section with respect to referral, evaluation and rehabilitation, do not apply to applicants who refuse to submit to pre-employment testing for controlled substances, or who have a verified positive pre-employment test for controlled substances.

X. HOLD HARMLESS AND INDEMNIFICATION CLAUSE

The County agrees to indemnify, hold harmless and defend the Coalition and each Union signatory to this agreement from any claims or liabilities which may arise as a result of the employee organization entering into this agreement. It is expressly understood that the County of Los Angeles shall choose the counsel, and have control of all phases and aspects of the litigation and the Union's defense including settlement, and that the Union shall cooperate in that defense. The County will not indemnify or defend the Union against any claim that the organization or anyone acting on its behalf improperly or negligently advised, represented, or performed services for an employee with respect to any event subsequent to the effective date of this agreement with respect to the Urine Testing Program, disciplinary proceedings arising from the program, or any other right or liability of the employee related to the program.

APPENDIX APROCEDURES FOR COORDINATING PROGRAM WITH APPROVED VENDOR

The County has arranged for Addiction Medical Consultants, Inc. (AMC) to administer and operate the program. AMC subcontracts with Smith Kline Beacham Clinical Laboratories for specimen collection and analysis for controlled substances and also for collection of breath alcohol. In addition, AMC has a Medical Review Officer (MRO) who will review all substance abuse test results. AMC also provides SAP services and will maintain all D.O.T. required records and will prepare yearly reports as required by D.O.T.

(a) *AMC will provide to all departmental program managers (DPMs) the following:*

- (1) A list of approved collection sites, including after hour sites.
- (2) Referral forms for alcohol and substance abuse testing.

(b) *Identification of Random Pool.*

- (1) County departments must identify those employees who are subject to the provisions of the DOT Rules and identify them in the County-Wide Timekeeping and Personnel Payroll System (CWTAPPS).

- (2) In the "Employee License" screen (Code LIC) of CWTAPPS, the department will enter a code "COMMERCIAL" which will indicate commercial driver's license. (This code shall be entered only for those drivers subject to DOT testing. All other drivers will not be coded).
 - (i) The department will update this field as soon as a new driver is hired, or an employee is transferred or promoted to a position which requires a commercial driver's license and which is covered by DOT regulations.
 - (ii) When an individual is no longer employed in such a position, the department will remove the COMMERCIAL code. (If the code is not removed and the employee is still in service, he/she will be left in the random selection pool and be subject to testing).
 - (iii) For detailed instructions on entering and updating this field, the department should refer to the CWTAPPS manual.
- (c) *Random Selection Process.*
 - (1) AMC will notify DPMs at the beginning of each month of the names of that department's employees who are to have random drug or alcohol tests. The DPM will then have the rest of that month to schedule the employee for testing.

Employees are not to be notified of their scheduled date of testing until the start of that day's shift.

- (2) The DPM will ensure that each selected employee is given an Employee Drug Test Authorization Form and will check off the box for "Random Testing." The DPM will then instruct the employee to go to the nearest collection site for testing.
 - (3) AMC will report immediately and directly back to the DPM of any positive alcohol tests and as soon as practicable within the limits established by the DOT Rules, of any positive substance abuse tests.
- (d) *Pre-employment, Reasonable suspicion, and Follow-up testing*
- (1) The DPM will use the same referral form but will check off the appropriate box for type of testing and will arrange for the applicant or employee to be tested at one of the collection sites.
 - (2) Because the collection sites for pre-employment drug testing are different from the medical examination clinics, the applicant will have to go to two locations to complete his/her pre-employment examination.

- (3) Results from the pre-employment drug testing will be sent by AMC to Occupational Health Programs (OHP) to be merged with the results of the medical examination.
- (4) If the pre-employment drug test results are reported as positive, the individual will be disqualified from the DOT-covered position and Occupational Health Programs will notify the hiring department that the individual has been medically disqualified. For applicants who are current County employees, OHP will apply the provisions of the County's 1992 Drug-Free Workplace Program in regard to offering rehabilitation services and to notification of the employee's current department.

APPENDIX BROLE OF THE MEDICAL REVIEW OFFICER(a) *MRO Responsibilities.*

- (1) The role of the MRO is to review and interpret confirmed positive drug test results obtained through the testing program. In carrying out this responsibility, the MRO must examine alternate medical explanations for any positive test result. This action may include conducting a medical interview with the individual and review of the individual's medical history, or review of any other relevant biomedical factors. The MRO must review all medical records made available by the tested individual when a confirmed positive test could have resulted from legally prescribed medication. The MRO must not, however, consider the results of urine samples that are not obtained in accordance with DOT regulations.
- (2) The MRO may require that the primary specimen be re-analyzed to verify the accuracy or validity of the test result.
- (3) The duties of the MRO with respect to negative drug tests are purely administrative.

- (4) The MRO will maintain records regarding the program in accordance with Title 49, CFR, Subpart D, Part 382.409.

(b) *Positive Test Results.*

- (1) Prior to making a final decision to verify a positive test result, the MRO must give the individual an opportunity to discuss the test result with him/her.
- (2) The MRO will contact the individual directly, on a confidential basis, to determine whether the employee wishes to discuss the test result. Except as provided in section (b)(5) of this Appendix, the MRO must talk directly with the employee before verifying a test is positive.
- (3) If, after making all reasonable efforts and documenting them, the MRO is unable to reach the individual directly, the MRO must contact the DPM who must direct the individual to contact the MRO as soon as possible.
- (4) If, after making all reasonable efforts, the DPM is unable to contact the employee, the department must follow its policy on dealing with the individual.

- (5) The MRO may verify a test as positive without having communicated directly with the employee about the test in three circumstances:
- (i) the employee expressly declines the opportunity to discuss the test;
 - (ii) the DPM has successfully made and documented a contact with the employee and instructed the employee to contact the MRO, and more than 5 days have passed since the date the employee was successfully contacted by the DPM; or
 - (iii) other circumstances provided for in the DOT Rules.
- (6) If a test is verified positive under the circumstances specified in section (b)(5)(ii) of this Appendix, the employee may present to the MRO information documenting that serious illness, injury, or other circumstances unavoidably prevented the employee from timely contacting the MRO. The MRO, on the basis of such information, may re-open the verification allowing the employee to present information concerning a legitimate explanation for the confirmed positive test. If the MRO concludes that there is legitimate explanation, the MRO declares the test to be negative.

(c) *Re-analysis Authorized.*

The MRO must notify each employee who has a confirmed positive test that the employee has 72 hours in which to request a test of the split specimen.

- (1) If the employee requests an analysis of the split specimen within 72 hours of having been informed of a verified positive test, the MRO must direct, in writing, the laboratory to provide the split specimen to another DHHS-certified laboratory for analysis. If the analysis of the split specimen fails to reconfirm the presence of the drug(s) or drug metabolite(s) found in the primary specimen, or if the split specimen is unavailable, inadequate for testing or untestable, the MRO must cancel the test and report cancellation and the reasons for it to the DOT, the CPM, and the employee.
- (2) If the employee has not contacted the MRO within 72 hours, as provided above, the employee may present to the MRO information documenting that serious illness, injury, inability to contact the MRO, lack of actual notice of the verified positive test, or other circumstances unavoidably prevented the employee from timely contacting the MRO. If the MRO concludes that there is a legitimate explanation for the employee's failure to contact the MRO within 72 hours, the

MRO must direct the re-analysis of the primary specimen or analysis of the split specimen, as applicable, be performed.

- (3) The employee is not authorized to request a re-analysis of the primary specimen.

(d) *Disclosure of information.*

Except as provided below in paragraph (d)(1), the MRO must not disclose to any third party medical information provided by the individual to the MRO as a part of the testing verification process.

- (1) The MRO may disclose such information to the County, a DOT agency or other Federal safety agency, or a physician responsible for determining the medical qualification of the employee under appropriate DOT regulation, as applicable, only if:

- (i) an applicable DOT regulation permits or requires such disclosure;
- (ii) in the MRO's reasonable medical judgment, the information could result in the employee being determined to be medically unqualified under an applicable DOT agency rule; or
- (iii) in the MRO's reasonable medical judgment, in a situation in which there is no DOT rule establishing physical qualification standards applicable to the employee, the information indicates that continued

performance by the employee of his or her covered function could pose a significant safety risk.

- (2) Before obtaining medical information from the employee as part of the verification process, the MRO must inform the employee that information may be disclosed to third parties as provided above, in section (d)(1), and the identity of any parties to whom information may be disclosed.

APPENDIX CBREATH ALCOHOL TESTING PROCEDURES(a) *Locations for Breath Alcohol Testing.*

- (1) The County will identify breath alcohol testing locations which will be required to meet provisions set forth in Title 49, CFR, Part 40, Subpart C. Specifically, they will be required to have all necessary personnel, materials, equipment for breath testing that will be provided at the location where testing is conducted. Covered employees will be directed to these sites to participate in alcohol breath testing in accordance with procedures set forth in Title 49, CFR, Part 40, Subpart C.
- (2) In unusual circumstances (e.g. when it is essential to conduct a test outdoors at the scene of an accident), a test may be conducted at a location that does not fully meet the requirements of paragraph (a)(1) above. In such a case, all effort will be made to provide visual and aural privacy to the employee to the greatest extent practicable.
- (3) The Breath Alcohol Technician (BAT) will supervise only one employee's use of the Evidential Breath Testing (EBT) device at a time. The BAT will not leave the alcohol testing location while the testing procedure for a given employee is in progress.

(b) *The Breath Alcohol Testing Form.*

- (1) A Breath Alcohol Testing Form prescribed by DOT will be used for maintaining the breath alcohol test results. A copy of the Form is located in the Forms' section. This Form cannot be revised or modified except that a form directly generated by an EBT may omit the space for affixing a separate printed result to the Form.
- (2) The Form will provide triplicate copies. Copy 1 (white) will be retained by the BAT. Copy 2 (green) will be provided to the employee. Copy 3 (blue) will be transmitted to the keeper of records, Addiction Medical Consultants, Inc. (AMC). Except for the Form generated by an EBT, the size of the Form must be 8 1/2 by 11 inches in size.

(c) *Preparation for Breath Alcohol Testing.*

- (1) The BAT will require a positive identification of the employee, either through a photo I.D. card or by a departmental representative.
- (2) If requested by the employee, the BAT must provide a positive identification to the employee.
- (3) The BAT must explain the testing procedure to the employee.

(d) *Procedures for Screening Tests.*

- (1) The BAT must complete Step 1 on the Breath Alcohol Testing Form. The employee must then complete Step 2 on the Form, and sign the certification. Refusal by the employee to sign the certification will be regarded as refusal to take the test.
- (2) After the BAT attaches an individually-sealed mouthpiece (opened in view of the employee) to the EBT device, the BAT will instruct the employee to blow forcefully into the mouthpiece until the EBT device indicates that adequate breath has been obtained.
- (3) If the EBT device has capability to print the Breath Alcohol Testing Form, the BAT must ensure, before administering the test, that both BAT and employee read the sequential number displayed by the device. Following the test, the BAT must show the employee the result displayed on the EBT device.

If the EBT device generates a printed result, but does not print it directly onto the Breath Alcohol Testing Form, the BAT must show the employee the result displayed on the EBT device and affix the result printout to the Breath Alcohol Testing Form in the designated space, using a method that will provide clear evidence of removal (such as tamper-evident tape).

If the EBT device lacks printing capabilities, the BAT must show the employee the result displayed on the EBT device, complete Step 3 of the Breath Alcohol Testing Form, and make required entries in the log book. The employee must initial the log book entry.

- (4) If the screening test reveals a BAC of 0.02 or greater, a confirmation test will be performed.

(e) *Procedures for Confirmation Test.*

- (1) The employee must be instructed not to eat, drink, put any object or substance into his or her mouth, and to the extent possible, not belch during the 15-minute waiting period between the completion of the screening test and the beginning of the confirmation test.
- (2) This test must be performed within 30 minutes of the completion of the screening test.
- (3) If the screening and confirmation test results are not identical, the confirmation result is deemed to be final.

- (4) The BAT must ensure, before administering the test, that both BAT and employee read the sequential number displayed by the device. If the EBT device has capability to print the test results directly onto the Breath Alcohol Testing Form, the BAT must show the employee the result displayed on the EBT device.

If the EBT device generates a printed result, but does not print it directly onto the Breath Alcohol Testing Form, the BAT must show the employee the result displayed on the EBT device, and affix the test result printout to the Breath Alcohol Testing Form in the designated space using a method that will provide clear evidence of removal.

- (5) Failure to sign in Step 4 of the Form must not be considered a refusal to be tested, and the BAT must note the employee's failure to sign in the remarks section of the Breath Alcohol Testing Form.
- (6) The BAT at the collection site will transmit all results to AMC in a confidential manner in writing, by telephone, or electronic means.

NOTE: If an employee is accompanied to the alcohol testing location by an authorized departmental representative, then the authorized representative may observe the testing procedure(s), and the BAT will provide the test results (Copy 3 of the Breath Alcohol Testing Form) directly to the authorized

representative.

In case of a confirmed positive test, the results will be transmitted immediately to AMC or the accompanying authorized departmental representative in order to prevent the employee from performing safety-sensitive functions.

(f) *Refusal to Test and Uncompleted Test.*

Refusal to complete and sign the Breath Alcohol Testing Form (Step 2 only), to provide breath or an adequate amount of breath, or otherwise to cooperate with the testing process in a way that prevents completion of the test, will be noted by the BAT in the remarks section of the Breath Alcohol Testing Form. The testing process will be terminated and the BAT will immediately notify AMC.

(g) *Inability to Provide an Adequate Amount of Breath.*

- (1) The BAT must instruct the employee to attempt to provide an adequate amount of breath. If the employee refuses to make an attempt, the BAT will immediately inform AMC.
- (2) If the employee attempts and fails to provide an adequate amount of breath, the BAT will so note in the remarks section of the Breath Alcohol Testing Form and immediately inform AMC who will direct the employee to obtain an evaluation from a licensed physician concerning the employee's medical

ability to provide an adequate amount of breath.

- (3) If the physician provides a written statement that a medical condition exists to preclude an adequate amount of breath, it will not be regarded as a refusal to take a test. If the physician is unable to determine a medical condition exists to provide an adequate amount of breath, it will be regarded as a refusal to take a test.

APPENDIX DURINE SPECIMEN COLLECTION PROCEDURES

- (a) *Scope - Drugs Covered.* The DOT drug testing regulations require that testing be conducted for marijuana, cocaine, amphetamines, opiates, and phencyclidine (PCP). Urine specimens collected under this policy will be used only to test for controlled substances designated or approved for testing in accordance with the DOT Rules and will not be used to conduct any other analysis or test.
- (b) *Designation of Collection Site.* The County will identify collection sites which will be required to meet provisions set forth in 49 CFR Part 40, Subpart B. Specifically, they will be required to have all necessary personnel, materials, equipment, facilities and supervision to provide the collection, security, temporary storage, and shipping or transportation of specimens to a DHHS-certified drug testing laboratory. Covered employees will be directed to provide urine specimens at these sites in accordance with procedures set forth in 49 CFR Part 40, Subpart B.
- (c) *Privacy.*
 - (1) Procedures for collecting urine samples will allow for individual privacy unless there is reason to believe that a particular individual may alter or substitute the specimen to be provided, as further described below.

- (2) The following circumstances are the exclusive grounds constituting a reason to believe that the individual may alter or substitute the specimen:
- (i) the employee presents a urine sample that falls outside the normal temperature range (32E-38EC/90.0E-100.0EF), and
 - (A) the employee declines to provide a measurement of oral body temperature immediately after the specimen is collected and the collection site person inspects the specimen to determine its color and look for any signs of contaminants, or
 - (B) the oral body temperature varies by more than 1EC/1.8EF from the temperature of the specimen;
 - (ii) the last urine specimen provided by the employee (i.e., on a previous occasion) was determined by the laboratory to have a specific gravity of less than 1.003 and a creatinine concentration of 0.2 grams/Liter;
 - (iii) the collection site person observes conduct clearly and unequivocally indicating an attempt to substitute or adulterate the sample (e.g., substitute urine in plain view, blue dye in specimen presented, etc.);
or

- (iv) the employee has previously been determined to have used a controlled substance without medical authorization and the particular test was being conducted under a DOT regulation providing for follow-up testing upon or after return to service.
- (3) A designated department representative, must review and concur in advance with any decision by a collection-site person to obtain a specimen under the direct observation of a same gender collection-site person based upon the circumstances described above in section (c)(2) of this Appendix.
- (d) *Integrity and Identity of Specimen.* The collection-site person must take precautions to ensure that a urine specimen is not adulterated or diluted during the collection procedure, and that information on the collection container and the drug testing custody and control form can identify the individual from whom the specimen is obtained. The following minimum precautions will be taken to ensure that unadulterated specimens are obtained and correctly identified:
 - (1) To deter the dilution of specimens at the collection site, toilet bluing agents will be placed in toilet tanks wherever possible, so the reservoir of water in the toilet bowl always remains blue. Where practicable, there will be no other source of water (e.g., no shower or sink) in the enclosure where urination occurs. If there is another source of water in the enclosure, it will

be effectively secured or monitored to ensure it is not used as a source for diluting the specimen.

- (2) When an employee arrives at the collection site, the collection-site person must ensure that the employee is positively identified as the individual selected for testing (e.g., through presentation of photo identification or identification by the department's representative). If the employee's identity cannot be established, the collection-site person will not proceed with the collection. If the employee requests the collection-site person must show his/her identification to the employee.
- (3) The collection-site person will ask the employee to remove any unnecessary outer garments such as a coat or a jacket that might conceal items or substances that could be used to tamper with or adulterate the employee's urine specimen. The collection-site person must ensure that all personal belongings of the employee, such as a purse or briefcase remain with the employee's outer garments. The employee may retain his/her wallet. If the employee requests it, the collection-site person must provide the employee a receipt for any personal belongings.
- (4) The employee will be instructed to wash and dry his/her hands prior to providing a sample.

- (5) After washing hands, the employee will remain in the presence of the collection-site person and will not have access to any water fountain, faucet, soap dispenser, cleaning agent, or any other materials which could be used to adulterate the specimen.
- (6) The employee may provide his/her sample in the privacy of a stall or otherwise partitioned area that allows for individual privacy. The collection-site person will provide the employee with a specimen bottle or collection container, if applicable, for this purpose.
- (7) The collection-site person will note any unusual behavior or appearance on the drug testing custody and control form.
- (8) In the exceptional event that a County-designated collection site is not accessible and there is an immediate requirement for specimen collection (e.g., a situation requiring a post-accident test), a public rest-room may be used according to the following procedures:
 - (i) A collection-site person of the same gender as the employee must accompany the employee into the public rest-room which must be made secure during the collection procedure. If possible, a toilet bluing agent must be placed in the bowl and any accessible toilet tank. The collection-site person must remain in the rest-room, but outside the stall, until the specimen is collected. If no bluing agent is

available to deter specimen dilution, the collection-site person will instruct the employee not to flush the toilet until the specimen is delivered to the collection-site person. After the collection-site person has possession of the specimen, the employee will be instructed to flush the toilet and to participate with the collection-site person in completing the chain-of-custody procedures.

(9) *Split Sample.*

- (i) Since the County is subject to drug testing Rules promulgated by the FHWA, it is required to use the "split sample" method of urine collection for drug testing. Under this method, the employee will be required to provide at least 45 milliliters (mL) of urine.
- (ii) (A) The employee will be asked to provide a sample in a collection container or a specimen bottle capable of holding at least 60 mL.
 - (B) 1) If a collection container is used, the collection site person, in the presence of the donor, will pour the urine in two specimen bottles. Thirty (30) mL will be poured into one bottle, to be used as the primary specimen. At least 15 mL will be poured into the other bottle, to be used as the split specimen.

- 2) If a single specimen bottle is used as a collection container, the collection site person, in the presence of the donor, will pour 15 mL of urine from the specimen bottle into a second specimen bottle (to be used as the split specimen) and retain the remainder (at least 30 mL) in the collection bottle (to be used as the primary specimen).
- (C) Both bottles will be shipped in a single shipping container, together with copies 1, 2, and the split specimen copy of the chain-of-custody form, to the laboratory.
- (D) If the test result of the primary specimen is positive, the employee can request the MRO to direct the split specimen be tested in a different DHHS-certified laboratory for the presence of the drug(s) tested positive in the primary specimen. The MRO must honor the request if it is made within 72 hours of the employee having been notified of a verified positive test.
- (E) When the MRO informs the laboratory in writing that the employee has requested a test of the split specimen, the laboratory must forward, to a different DHHS-approved laboratory, the split specimen bottle, with seal intact, a copy of

the MRO's request, and the split specimen copy of the chain-of-custody form with appropriate chain-of-custody entries.

- (F) The result of the test of the split specimen will be transmitted by the second laboratory to the MRO.
 - (G) Action required by DOT regulations as a result of a positive drug test (e.g., removal from performing a safety-sensitive function) will not be stayed pending the result of the split specimen.
 - (H) If the result of the test of the split specimen fails to reconfirm the presence of drug(s) or drug metabolite(s) found in the primary specimen, the MRO must cancel the test, and report the cancellation and the reason for it to the DOT, the DPM, and the employee.
- (iii) Upon receiving the specimen from the individual, the collection-site person will determine if there are at least 30 mL of urine for the primary specimen bottle and an additional 15 mL for the split specimen bottle.

- (A) If the individual is unable to provide the necessary quantity of urine, the collection site person will instruct the individual to drink up to 40 ounces of fluids during a period of up to three (3) hours, and again attempt to provide a complete sample using a fresh collection container.
 - (B) The original insufficient specimen will be discarded.
 - (C) If the employee is still unable to provide an adequate specimen, the insufficient specimen will be discarded, testing discontinued, and AMC so notified. The MRO will refer the individual for a medical evaluation to develop pertinent information concerning whether the individual's inability to provide a specimen is genuine or constitutes a refusal to test. Upon completion of the examination, the MRO must report his/her conclusions to the DPM in writing.
 - (D) In pre-employment testing, if the County does not wish to hire the individual, the MRO is not required to make a referral.
- (10) After the specimen is provided and submitted to the collection-site person, the employee must be allowed to wash his/her hands.

- (11) Immediately after the specimen is collected, the collection-site person will measure the temperature of the specimen. The temperature must be taken within 4 minutes of urination.
- (12) A specimen temperature outside the range of 32E-38EC/90E-100EF constitutes a reason to believe that the employee has altered or substituted the specimen. In such cases, the employee may volunteer to have his/her oral temperature taken to provide evidence to counter the reason to believe he/she may have altered or substituted the specimen.
- (13) Immediately after the specimen is collected, the collection-site person must also inspect the specimen to determine its color and look for any signs of contaminants. Any unusual findings will be noted on the urine custody and control form.
- (14) All specimens suspected of being adulterated will be forwarded to the laboratory for testing.
- (15) Whenever there is reason to believe that an individual has altered or substituted the specimen, a second specimen will be obtained as soon as possible under the direct observation of a collection-site person of the same gender.

- (16) Both the individual being tested and the collection-site person, will keep the specimen in view at all times prior to it being sealed and labeled. The specimen will be sealed (by placement of a tamper-proof seal over the bottle cap and down the sides of the bottle) and labeled in the presence of the employee. If the specimen is transferred to a second bottle, the collection-site person will request the individual to observe the transfer of the specimen and the placement of the tamper-proof seal over the bottle cap and down the sides of the bottle.
- (17) The collection-site person and the individual being tested must be present at the same time during procedures outlined in Paragraphs (d)(18)-(d)(21).
- (18) The collection-site person must place securely on the bottle an identification label which contains the date, the individual's specimen number, and any other identifying information provided or required by the County. If separate from the label, the tamper-proof seal must be also applied.
- (19) The individual must initial the identification label on the specimen bottle for certifying that the specimen collected is from him/her.
- (20) The collection-site person must enter all information identifying the specimen on the drug testing custody and control form, and must sign the form

certifying that the specimen collection was conducted according to applicable Federal requirements.

- (21) (i) The individual will be asked to read and sign a statement on the form certifying that the specimen identified as having been collected from him/her is in fact the specimen he/she provided.
 - (ii) When specified by DOT regulations or required by the collection site (other than a County site) or by the laboratory, the employee may be required to sign a consent or release form authorizing the collection of the specimen, analysis of the specimen for designated controlled substances, and release of the results to the employer. The employee may not be required to waive liability with respect to negligence on the part of any person participating in the collection, handling, or analysis of the specimen, or to indemnify any person for the negligence of others.
- (22) The collection-site person will complete the chain-of-custody portion of the form, and prepare the specimen for shipment. If the specimen is not immediately prepared for shipment, the collection site person must ensure that it is appropriately safeguarded during temporary storage.

- (23) The collection-site person cannot leave the collection site in the interval between presentation of the specimen by the employee and securement of the sample with an identifying label bearing the employee's specimen identification number (shown on the urine custody and control form) and seal initialed by the employee. If it becomes necessary for the collection site person to leave the site during this interval, the collection will be nullified and, at the election of the Addiction Medical Consultants, Inc., a new collection begun.
- (e) *Failure to cooperate.* If the employee refuses to cooperate with the collection process, the collection-site person will inform Addiction Medical Consultants, Inc. and will document the non-cooperation on the drug testing custody and control form.
- (f) *Employee Requiring Medical Attention.* If the sample is being collected from an employee in need of medical attention (e.g., as part of a post-accident test given in an emergency medical facility), necessary medical attention will not be delayed in order to collect the specimen.

APPENDIX ELABORATORY PROCEDURES

- (a) *Security and Chain-of-Custody.* The drug testing laboratories will be required to be secure at all times. They will be required to use chain-of-custody procedures to maintain control and accountability of specimens from receipt through completion of testing, reporting of results during storage, and continuing until final disposition of specimens.
- (b) *Receiving.*
 - (1) Shipments of specimens received by the laboratories will be checked for tampering and chain-of-custody information. The specimens will be retained in the laboratories until all analyses have been completed.
 - (2) If the laboratory observes that the split specimen is untestable, inadequate, or unavailable for testing, the laboratory must nevertheless test the primary specimen. The laboratory does not inform the MRO of the untestability, inadequacy, or unavailability of the split specimen until and unless the primary specimen is a verified positive test and the MRO has informed the laboratory that the employee has requested a test of the split specimen.

- (3) The laboratory will log in the split specimen, with the split specimen bottle seal remaining intact, and store the sample securely. If the result of the test of the primary specimen is negative, the laboratory may discard the split specimen. If the result of the test of the primary specimen is positive, the laboratory must retain the split specimen in storage for 60 days from the date which the laboratory acquires it (see section (h) of this Appendix). Following the end of the 60-day period, if not informed by the MRO that the employee has requested a test of the split specimen, the laboratory may discard the split specimen.
- (4) When directed in writing by the MRO to forward the split specimen to another DHHS-certified laboratory for analysis, the second laboratory must analyze the split specimen by GC/MS to reconfirm the presence of the drug(s) or drug metabolite(s) found in the primary specimen. Such GC/MS confirmation must be conducted without regard to cutoff levels of section (f) of this Appendix. The split specimen must be retained in long-term storage for one (1) year by the laboratory conducting the analysis of the split specimen (or longer if litigation concerning the testing is pending).
- (c) *Short-term refrigerated storage.* Specimens that do not receive an initial test within 7 days of arrival at the laboratory will be placed in secure refrigeration units.

- (d) *Specimen Processing.* When conducting tests, every batch of specimens is required to have an appropriate number of standards for calibrating instruments and a minimum of 10 percent controls. Both quality control and blind performance test samples are required to appear as ordinary samples to laboratory analysts.
- (e) *Initial Test.*
- (1) The initial test will be an immunoassay which meets the requirement of the Food and Drug Administration for commercial distribution. The following initial cutoff levels will be used when screening specimens to determine whether they are negative for the five drugs for which testing is required.

	Initial test cutoff levels (ng/ml)
Marijuana metabolites	50
Cocaine metabolites.....	300
Opiates metabolites.....	¹ 300
Phencyclidine	25
Amphetamines	1,000

¹ 25 ng/ml if immunoassay specific for free morphine

- (2) These cutoff levels are subject to change by the DHHS as advances in technology or other considerations warrant identification of these substances at other concentrations.

(f) *Confirmatory Test.*

- (1) All specimens identified as positive on the initial test will be confirmed using GC/MS techniques at the cutoff values listed below for each drug. All confirmations will be by quantitative analysis. Concentrations which exceed the linear region of the standard curve will be documented in the laboratory record as "greater than highest standard curve value."

Marijuana metabolites ²	15
Cocaine metabolites ³	150
Opiates:	
Morphine	300
Codeine	300

² Delta-9-tetrahydrocannabinol-9-carboxylic acid.

³ Benzoylcegonine

Amphetamines:

Amphetamine	500
Methamphetamine ⁴	500

- (2) These cutoff levels are subject to change by the DHHS as advances in technology or other considerations warrant identification of these substances at other concentrations.
- (3) *Retention Of Samples.*
- (i) Samples that yield positive results on confirmation must be retained by the laboratory in properly secured, long-term, frozen storage for at least 365 days.
- (ii) Within this 365 day period, the employee or designated representative, DOT agency or other State agencies with jurisdiction, or the County may request in writing that the sample be retained for an additional period. If the laboratory does not receive the request to retain the sample within the 365- day period, the sample may be discarded.

(g) *Reporting Results.*

- (1) The laboratory will report test results to the County's MRO within an average of 5 working days after receipt of the specimen by the laboratory. Before any test result is reported (the results of initial tests, confirmatory tests, or quality control data), it will be reviewed, and the test certified as an accurate report by the laboratory's responsible individual. The report will identify the drugs/metabolites for which tests are conducted, whether results are positive or negative, the specimen number assigned by the County, and the drug testing laboratory specimen identification number.
- (2) The laboratory will report as negative all specimens which are negative on the initial test or negative on the confirmatory test. Only specimens confirmed positive will be reported positive for a specific drug.
- (3) The MRO may request from the laboratory and the laboratory must provide quantitation of test results. The MRO must report whether the test is positive or negative and may report the drug(s) for which there was a positive test, but will not disclose the quantitation of test results to the department. The MRO may reveal the quantitation of a positive test result to the department, the employee, or the decision maker in a lawsuit, grievance, or other

⁴ Specimen must also contain amphetamine at a concentration greater than or equal to 200 ng/ml

proceeding initiated by or on behalf of the employee, and arising from a verified positive test.

- (4) The laboratory may transmit results to the MRO by various electronic means (e.g., teleprinter, facsimile, or computer) in a manner designed to ensure confidentiality of the information. Results may not be provided verbally by telephone. The laboratory and Addiction Medical Consultants, Inc. (AMC) will ensure the security of data transmission and limit access to any data transmission, storage, and retrieval system.
- (5) The laboratory will send only to the MRO the original or a certified true copy of the drug testing custody and control form (part 2), which, in the case of a report positive for drug use, will be signed (after the required certification block) by the individual responsible for day-to-day management of the drug testing laboratory or the individual responsible for attesting to the validity of the test reports, and attached to which shall be a copy of the test report.
- (6) The laboratory will provide to Addiction Medical Consultants, Inc. (AMC) an aggregate quarterly statistical summary of urinalysis testing of the County's employees not more than 14 calendar days after the end of the quarter covered by the summary. Laboratory confirmation data only must be included from test results reported within the quarter. The summary must contain only the following information:

- (i) Number of specimens received for testing;
- (ii) Number of specimens confirmed positive for:
 - 1. Marijuana metabolite
 - 2. Cocaine metabolite
 - 3. Opiates;
 - 4. Phencyclidine;
 - 5. Amphetamines;
- (iii) Number of specimens for which a test was not performed.

Quarterly reports will not contain personal identifying information or other data from which it is reasonably likely that information about individuals' tests can be readily inferred. If necessary, in order to prevent disclosure of such data, the laboratory will not send such a report until data are sufficiently aggregated to make such an inference unlikely. In any quarter in which a report is withheld for this reason, or because no testing was conducted, the laboratory must so inform AMC in writing.

- (7) The laboratory will make available copies of all analytical results for County's drug testing programs when requested by DOT with regulatory authority over the County.

- (8) All records pertaining to a given urine specimen will be retained by the drug testing laboratory for a minimum of 2 years.
- (h) *Long-Term Storage.* Long-term storage (-20 C or less) ensures that positive urine specimens will be available for any necessary retest during administrative or disciplinary proceedings. Drug testing laboratories must retain and place in properly secured long-term frozen storage for a minimum of 1 year all specimens confirmed positive, in their original labeled specimen bottles. Within this 1-year period, the AMC (or other person designated in a DOT agency regulation) may request the laboratory to retain the specimen for an additional period of time, but if no such request is received the laboratory may discard the specimen after the end of 1 year, except that the laboratory will be required to maintain any specimens known to be under legal challenge for an indefinite period.
- (i) *Retesting Specimens.* Because some analytes deteriorate or are lost during freezing and/or storage, quantitation for a retest is not subject to a specific cutoff requirement but must provide data sufficient to confirm the presence of the drug or metabolite.
- (j) *Laboratory facilities.*
- (1) Laboratory facilities will comply with applicable provisions of any State licensing requirements.

- (2) Laboratories certified in accordance with DHHS Guidelines must have the capability, at the same laboratory premises, of performing initial and confirmatory tests for each drug or metabolite for which service is needed.
- (k) *Documentation.* The drug testing laboratories will maintain and make available for at least 2 years, documentation of all aspects of the testing process. This 2-year period may be extended upon written notification by DOT or by the County. The required documentation will include personnel files on all individuals authorized to have access to specimens; chain-of-custody documents; quality assurance/quality control records; procedure manuals; all test data (including calibration curves and any calculation used in determining test results); reports; records on performance testing; performance on certification inspections; and hard copies of computer-generated data. The laboratory will maintain documents for any specimen known to be under legal challenge for an indefinite period.
- (l) *Additional Requirements for Certified Laboratories.* The laboratory must not enter into any relationship with the County's MRO that may be construed as a potential conflict of interest or derive any financial benefit by having the County use a specific MRO.

ARTICLE 37 TERMINATION PAY

The parties agreed to study and implement roll over of termination pay (time certificates) into a tax qualified plan by July 1, 2005.

In November 2004, the Termination Pay Pick Up Plan (TPP) was implemented to tax defer termination pay (time certificates). Effective May 31, 2006, the TPP ceased accepting new applications pending further IRS guidance.

Pending the outcome of the IRS guidance, management shall continue to work with the CCU to have the TPP comply with the new regulations; otherwise, investigate alternatives for the tax deferral of termination pay.

ATTACHMENT A

SUMMARY DESCRIPTION OF THE CHOICES PLAN

The Choices Plan will be operated as a cafeteria benefit plan pursuant to Section 125 of the Internal Revenue Code.

The parties jointly agree that the Coalition of County Unions (CCU) will establish an IRS qualified mandatory Retiree Medical Trust, and the costs of establishing the Trust shall be at no cost to the County. The Trust shall be administered by the CCU. The County agrees to transfer on a pre-tax basis the employees' non-elective income contributions to the Trust. The CCU agrees to indemnify and hold harmless the County from any liabilities of any nature which may arise as a result of the operation of the Trust, except for the obligation of the County to make and report the non-elective transfer of employees' income contributions as described herein.

In addition, the parties agree to reopen the CCU Fringe MOU in the event LACERA fails to adopt the parties jointly recommended changes to the Retiree Health Program.

PLAN YEAR

The Choices Plan became effective on July 1, 1989 pursuant to mutual agreement between the County and the Coalition. The Plan operates on a "Plan Year" basis as required by Section 125. The first Plan Year (hereinafter referred to as the "1989 Plan Year") consists of the six-month period spanning July 1, 1989, through December 31, 1989.

The second Plan Year (hereinafter referred to as the "1990 Plan Year") consists of the 12-month period spanning January 1, 1990, through December 31, 1990. The third Plan Year will be January 1, 1991, through December 31, 1991. It is the intent of the parties that all subsequent Plan Years and periods of coverage will consist of twelve (12) months, January 1 through December 31, of each year.

ELIGIBLE EMPLOYEES

Eligible employees will include all full-time permanent employees who are: 1.) represented by the Coalition; 2.) employees in bargaining units covered by the Coalition Fringe Benefit Memorandum of Understanding; and 3.) non-represented employees who are ineligible to participate in the County's Flexible Benefit Plan for non-represented employees. For purposes of this Plan, "full-time permanent employee" means any employee appointed to an "A", "D", "M," or "N" item, as defined in Title 6 of the County Code. An eligible employee shall become a "Participant" in the Choices Plan upon meeting all of the requirements for participation set forth below.

HOW THE PLAN WORKS

It is the purpose of the Choices Plan to allow Participants to choose among the various benefits contained within the Plan in a manner that best meets their personal needs, and, further, to choose, to the maximum extent permitted by applicable law, between taxable and nontaxable compensation. The benefit options available, and various rules relating to those options are set forth below:

1. HEALTH INSURANCE: Participants may purchase one of the following County-sponsored, or County-approved union-sponsored, health insurance plans.

(Beginning plan year 2008, pediatric office/urgent care co-pays will be zero dollars (\$0) for children up to age five (5)):

- a. Kaiser Foundation Health Plan

Effective January 1, 2008, a \$10.00 mandatory office/urgent care co-pay, a \$10.00-generic/ \$20.00-brand name prescription co-pay and a \$50.00 emergency room co-pay for the Kaiser health plan.

- b. Cigna Health Plans

Effective January 1, 2008, Choices will no longer offer Cigna's PPO as one of the Medical Plan selections.

Effective January 1, 2008, a mandatory \$10.00 office/urgent care co-pay and a \$10.00 generic/\$20.00 brand name prescription plan. Effective January 1, 2007, \$25.00 urgent care co-pay and a \$50.00 emergency room co-pay.

- c. California Association of Professional Employees (CAPE) Health Plan.

- d. Los Angeles County Fire Fighters Local 1014 Health and Welfare Plan.
- e. Association for Los Angeles Deputy Sheriffs (ALADS) Health Plan.

Enrollment Rules:

- a. The two County-sponsored health insurance plans (Plans (a) and (b) above) will be fully open to all Participants, and their dependents, with no evidence of insurability required. The premiums in effect on January 1 of each Plan Year for the County-sponsored health insurance plans will remain unchanged for the duration of that Plan Year unless mid-year premium increases are required due to imposition of state or federal taxes. The premiums for the County-approved union-sponsored health insurance plans may be adjusted during each Plan Year at the request of the sponsoring union, subject to approval by the County.
- b. The CAPE Health Plan will be available to all Choices Participants, and their dependents, subject to evidence of insurability as required by CAPE.
- c. The Fire Fighters Plan is only available to Fire Fighter personnel who are members of Local 1014. It will be open to new hires (i.e., Fire Fighter recruits still within their first 60 days of employment), and their dependents, and to veteran Local 1014 members, and their dependents, with evidence of insurability as required by Local 1014.

- d. The ALADS Health Plan is only available to Peace Officers who are eligible to be members of ALADS and Lifeguards and any employee in a bargaining unit represented by PPOA, including #621 and #614. It will be fully open to members of those groups, and their dependents, with no evidence of insurability required.
- e. Every Participant in the Choices Plan must be enrolled in one of the above plans or certify that he/she has other health insurance coverage through another employer, retirement plan, or Medicare to receive the waiver contribution. Such certification must state the name of the other insurance plan, name of the employer or retirement plan, and the name, SSN and medical record number of the subscriber.

Beginning in January 2015, participants may decline coverage to enroll in an individual health insurance plan (including enrolling in health insurance coverage through a health care exchange); however, there will be no waiver contribution for participants who choose to decline coverage and enroll in an individual plan.

The provisions of the above paragraph shall not apply to participants who decline coverage and enroll in an individual health insurance plan prior to January, 2014.

The County agrees to indemnify and hold the members of the Coalition harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this section.

Effective January 1, 2011, in the event a participant fails to provide the required health insurance certification, they will be enrolled by default into a health insurance plan as follows:

- Participants represented by CAPE will be enrolled in the lowest cost CAPE health insurance plan subject to the terms of subsection b.
- Participants eligible for participation in the Local 1014 plan will be enrolled in the lowest cost Local 1014 health insurance plan subject to the terms of subsection c.
- Participants eligible for participation in the ALADS Health Plan will be enrolled in the lowest cost ALADS health insurance plan subject to the terms of subsection d.
- All other participants will be enrolled in the lowest cost County-sponsored Choices health insurance plan.

2. DENTAL INSURANCE: Choices Participants may purchase one of the following County-sponsored dental plans:
- a. Delta Dental
 - b. DELTACare
 - c. Safeguard Dental Plan

Enrollment rules: All three dental plans will be fully open to all Participants. As with health insurance, every Participant must be enrolled in one of the above dental plans or certify that he/she has other dental coverage. Such certification shall require the name of the dental plan, the name of the subscriber and the Social Security number of the subscriber. The premiums in effect on January 1 of each Plan Year for the dental plans will remain unchanged for the duration of each Plan Year, unless mid-year adjustments are required due to imposition of state or federal taxes, or unless adjustments are otherwise agreed to by the County and Coalition.

Beginning January 1, 2007, the premiums for these plans will be on a three tier basis.

County contribution subsidy rates for Delta Dental during the term of the agreement as follows:

	<u>2014</u>	<u>2015</u>
Employee Only	\$20.59	\$20.59
Employee plus one dependent	\$36.02	\$36.02
Employee plus two or more dependents	\$56.58	\$56.58

If the County discontinues the buy down of Delta Dental, the cost of such buy down will be added proportionately to the contribution rate of all Choices participants, whether such participants purchase Delta Dental or not.

3. **LIFE INSURANCE:** All Choices Participants will automatically receive \$2,000 of term life insurance coverage if they are members of Retirement Plan A, B, C, or D and \$10,000 of term life insurance coverage if they are members of Retirement Plan E. This coverage is fully paid by the County outside of the Choices Plan.

Participants may purchase optional County-sponsored term life insurance in amounts up to –eight times their annual salary. The County will subsidize the three-year rate guarantee for optional term life quoted by the insurer at a 15% subsidized rate for the term of this agreement. Employees in Retirement Plan E may purchase up to \$40,000 of this coverage on a pretax basis through the Plan. Employees in Retirement Plan A, B, C, or D, may purchase up to \$48,000 of coverage on a pretax basis through the Plan. Coverage in excess of \$40,000 or \$48,000, whichever is applicable, must be purchased on an after-tax basis outside the Plan.

Employees may elect to purchase optional life insurance in increments of \$5,000 to a maximum of \$20,000 for their spouse or domestic partner. The effective date of this option is January 1, 2005. Additional coverage of lesser amounts is available for dependents and domestic partners.

The premiums in effect on January 1 of each plan year for the life insurance program will remain unchanged for the duration of that Plan Year, unless mid-year adjustments are required due to imposition of state or federal taxes.

4. ACCIDENTAL DEATH AND DISMEMBERMENT (AD&D) INSURANCE:

Participants may purchase County-sponsored AD&D insurance in specified amounts from \$10,000 to \$250,000, but not more than ten times their annual salary. Additional coverage in lesser amounts is available for dependents.

Enrollment Rules:

Participants may increase or decrease coverage, or continue existing coverage. No evidence of insurability is required. The premiums in effect on January 1 of each plan year for the AD&D program will remain unchanged for the duration of that Plan Year, unless mid-year adjustments are required due to imposition of state or federal taxes.

5. HEALTH CARE SPENDING ACCOUNT: Each Participant may allocate from \$10.00 to \$200.00 per month to a Health Care Spending Account. Changes to these limits for subsequent Plan Years shall be recommended by the Committee. Money allocated to a Health Care Spending Account may be expended on behalf of a Participant, or of his/her dependents, for "medical expenses," as defined in the Internal Revenue Code, incurred during the current Plan Year. Payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no later than six months after the close of the Plan Year in which the medical expenses were incurred.

Effective with Plan Year 2014, up to \$500.00 of unused Health Care Spending Account funds from the prior Plan Year will be carried over to the next Plan Year.

6. DEPENDENT CARE SPENDING ACCOUNT:
- a. Each Participant may allocate from \$10.00 to \$400.00 per month to a Dependent Care Spending Account. Increases or decreases in the limits will be recommended by the Committee. Money allocated to a Dependent Care Spending Account may be expended on "employment-related" dependent care expenses, as defined in the Internal Revenue Code. As with the Health Care Spending Account, payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no

later than six months after the close of the Plan Year in which the dependent care expenses were incurred.

- b. Effective with the Plan year beginning January 1, 2008, the County shall provide a monthly contribution to each participant's Dependent Care Spending Account based on the employee's annual salary as follows:

Employee Gross Annual Salary	Employer Contribution per month
Less than \$29,999	\$375
\$30,000-\$34,999	\$300
\$35,000-\$39,999	\$275
\$40,000-\$44,999	\$200
\$45,000-\$49,999	\$125
\$50,000 or more	\$75

The County contribution towards Dependent Care Spending Account for CCU members is subject to an annual limit not to exceed \$3.330 Million Dollars for plan years 2014 and 2015 (for a total of \$6.660 Million Dollars). Any remaining amount not used in the Plan Year will be returned to the County's General Fund.

Participants in the Choices Dependent Care Spending Account will be able to use their account for eligible Child Care and/or Elder Care expenses up to the maximum allowable contribution amount. Participants would be required to sign up for the Dependent Care Spending Account subject to existing administrative rules, IRS regulations, and other requirements governing

flexible spending accounts. The implementation of the County contribution towards Choices Dependent Care Spending Account shall not change any of the IRS guidelines and/or claims procedures as established by the Committee and outlined in the Health Care and Dependent Care Spending Accounts booklet. The CCU and Chief Executive Office Employee Relations Division will be responsible for making recommendations regarding the administration of the Dependent Care Spending Account and developing communication materials and election information. The provisions for the Choices Dependent Care Spending Account will be provided during the term of this MOU agreement.

7. TAXABLE CASH: Any portion of any County contribution which is not used to pay for the costs of nontaxable benefits available under this Plan shall be paid to the Participant as taxable cash.

HEALTH INSURANCE CONTRIBUTIONS

The County will make contributions on behalf of each Participant pursuant to the following three rate structure for the term of this agreement:

	<u>Coverage</u>	<u>Monthly Contribution</u>
	<u>2014</u>	<u>2015</u>
Employee who waives health insurance coverage	\$244.00	\$244.00
Employee Only	\$757.46	\$812.00
Employee plus one dependent	\$1382.02	\$1481.53
Employee plus two or more dependents	\$1632.60	\$1750.15

Management will contribute a one-time only \$250.00 payment to the Choices contribution in January 2014 and July 2014.

In addition, in Plan Years 2014 and 2015, the County will buy down the premium of every County or Union sponsored health plan so the premium is decreased \$5.44 per month for Employee Plus One Dependent and Employee Plus Two Or More Dependents.

No employee may receive multiple contributions from the Choices Plan, the Los Angeles County Flexible Benefit Plan, or any other County contribution toward any health or dental insurance plan during the same month. An employee who would otherwise be eligible for more than one such contribution during any month will be entitled to the contribution to which his/her status on the last day of the month entitles him/her.

If an employee's nontaxable benefit selections cost the employee more than the amount of the applicable County contribution except as noted in Section 2 (Dental Insurance) of this Attachment A, the difference will be made up with pretax salary reduction contributions.

Salary reduction contributions are additional contributions made by the County in exchange for an equivalent reduction in an employee's taxable compensation. No County contribution or salary reduction contribution will be made on behalf of any Participant if he/she has not been in a pay status for at least eight hours during the preceding month. Unless otherwise required by State or Federal law, salary reduction contributions shall have no adverse effect on County retirement benefits authorized by the 1937 Retirement Act, or any other employee benefit.

ELECTION PROCEDURES

Eligible employees shall make their benefit elections on forms provided by the County pursuant to procedures established by the Chief Executive Office.

Employees hired prior to January 1, 1990, shall have 90 days to enroll. Employees hired on or after January 1, 1990, shall have 60 days to enroll.

An employee shall become a Participant effective on the first day of the month following the date on which the enrollment document is submitted. A newly hired employee who fails to act within the above time limit will be deemed ineligible to participate in the Plan until the next Plan Year. For purposes of this Plan, "hired" means appointment to a position eligible for the Plan.

Employees who fail to submit the required enrollment documentation during an annual open enrollment within the established time frame will be subject to the default rules set forth below:

- a) If the defaulting employee is currently enrolled in a County-sponsored or County-approved union sponsored health insurance plan, he/she will become a Participant in the Choices Plan for the subsequent Plan Year, and will be deemed to have elected to perpetuate his/her existing benefit coverage relative to health insurance, dental insurance, optional life insurance, and AD&D insurance. The "existing coverage" for this purpose will be the coverage reflected on each Participant's December 15 pay warrant for the current year. Such employee will not be entitled to receive coverage under a Health Care or Dependent Care Spending Account, and he/she will not receive any taxable cash unless the cost of his/her perpetuated nontaxable benefit coverage is less than the amount of the County contribution.
- b) If the defaulting employee is not enrolled in a County-sponsored or County-approved union sponsored health insurance plan, he/she will be deemed ineligible to participate in the Choices Plan until the next Plan Year.

MAINTENANCE OF BENEFITS

Unless otherwise agreed to by the County and the Coalition, all insurance coverage sponsored by County shall retain the levels of benefits in effect on January 1, 2014, through December 31, 2015. In cases where a recognized employee organization

sponsors a County-approved health insurance plan, such employee organization shall secure prior reapproval for the health plan contribution from the County whenever it plans to change the level of benefits and/or premium structure of its health insurance plan.

MISCELLANEOUS RULES:

1. **Unpaid Leaves of Absence:**

As stated above, an employee loses the monthly County contribution if he/she is not in a pay status at least eight hours in the preceding month. In all other respects, however, an employee who goes on an unpaid leave of absence will continue to be a Participant in the Plan. If the employee pays for his/her insurance premiums while on leave, coverage(s) will continue and all deductions will resume upon the employee's return to an eligible pay status. However, if the employee allows his/her insurance coverage(s) to be cancelled, when he/she returns to an eligible pay status, coverage(s) will resume with a new effective date which will be the 1st of the month after the employee has been in a pay status at least eight hours in the preceding month.

2. **Breaks in Service:**

An employee who breaks service and then re-enters during the same Plan Year will be required to complete the current Plan Year with the benefit election in place at the time of the break. If the employee returns during a different Plan Year, he/she will be treated as a new hire. An employee who breaks service and who has elected coverage under the Health Care Reimbursement or Dependent Care

Reimbursement options will be deemed to be a Participant in the Plan through the end of the current Plan Year for the limited purpose of claiming any amounts set aside for said benefits prior to the break.

3. Change in Family Status:

- A. Change Form must be submitted to your Benefit Services, Personnel, Human Resources, or Union Office if applicable, within 90 days from the date of a qualified change in family status to be eligible for any increase in, or alternate use of, the County Contribution. Changes involving increases in medical insurance premiums which are submitted after expiration of the 90 days must be paid with after-tax dollars. No refund of premium overpayments will be made if a Change Form is not received within the 90-day period.

The employee must check with his/her medical plan as to the time period in which that plan will accept a change in family status without proof of insurability, which may be less than 90 days.

ADMINISTRATIVE FEE

A monthly administrative fee of \$3.00 will be charged to each Participant; provided, however, that such fee shall be waived for any Participant who is (a) hired prior to July 1, 1989, and (b) appointed to a classification designated as eligible for the Plan effective July 1, 1989. Such fee shall be collected via tax-free salary reduction contributions.

ATTACHMENT BCOUNTY CONTRIBUTION TOWARD HEALTH INSURANCE FOR
CERTAIN TEMPORARY AND RECURRENT EMPLOYEESSection 1.

The maximum monthly County contribution toward health insurance to be paid on behalf of employees designated in Section 2 shall be the premium of the County sponsored health insurance plan in which they are enrolled, or the premium of the County approved union sponsored health insurance plan in which they are enrolled, whichever is applicable, not to exceed the limits set forth below:

<u>Coverage</u>	Maximum Monthly County Contribution	
	<u>2014</u>	<u>2015</u>
Employee only	\$635.96	\$681.75
Employee plus one dependent	\$1129.54	\$1210.87
Employee plus two or more dependents	\$1296.59	\$1389.94

Management will contribute a one-time only \$250.00 payment to the Choices contribution in January 2014 and July 2014. In addition management will provide one-time \$125.00 contribution to the Pension Savings Plan account for temporary and recurrent Los Angeles County employees not eligible for the Choices program in January 2014 and July 2014.

No employee shall receive a County contribution toward more than one health insurance plan during the same month.

In addition, the parties agree that the County will provide the same health insurance subsidy listed above to non-student part-time employees as described below:

HEALTH INSURANCE SUBSIDY FOR NON-STUDENT PARTIME EMPLOYEES

Employees Eligible For Participation

An employee will be eligible to enroll in subsidized health coverage if the employee is in a non-student position and is in a pay status for an average of 20 hours a week for the three consecutive months prior to enrollment.

An employee will be deemed to be in a pay status for an average of 20 hours a week for the three consecutive months prior to enrollment if:

the employee is on a daily or hourly item and the employee's total pay status hours for the three consecutive months prior to enrollment is equal to or greater than 249 hours.

the employee is on a 3/4 or 4/5 monthly item and the employee,s total pay status hours for the three consecutive months prior to enrollment is equal to or greater than 360 hours.

Initial Enrollment

The initial enrollment will allow for health benefits to be effective July 1, 2001.

To determine eligibility for the initial enrollment, the months of January, February and March of 2001 will be used to determine if an employee is in a pay-status for an average of twenty (20) hours a week.

Effective January 1, 2010, employees in a pay-status for an average of twenty (20) hours a week during any three (3) consecutive month period will be eligible to enroll in subsidized health coverage.

Ongoing Eligibility

To receive a contribution to a health insurance for a month, an employee must be in a pay status for at least eight hours in the prior month. Effective January 1, 2007 an employee will be taken off of this benefit effective July 1, if an employee is in a pay-status for an average of less-than 20 hours a week during January, February, and March.

Management agrees not to reduce work hours of such employees of sole purpose of denying them this benefit.

If, during the term of this agreement, the County's monthly contribution for health insurance for represented employees not covered by Choices is increased in an amount above the

monthly contribution provided for in Attachment B, the employees covered by Attachment B shall receive the higher monthly contribution.

Section 2.

The contribution provided for in Section 1 shall be paid on behalf of any employee who a) is employed on a monthly temporary ("O" Item), or monthly recurrent ("B" Item), as defined in Section 6.28.020 of the County Code, b) satisfies the requirements set forth in Section 5.36.050 of said County Code, and c) is not a participant in the Choices Plan. In no event shall a County contribution be made on behalf of any employee who has not been in a pay status for at least eight hours during the preceding month.

Section 3.

The County contribution provided for in this Attachment B shall first be reflected in County pay warrants issued on the payday occurring on or about the fifteenth of the month following the indicated effective dates.

ATTACHMENT CSUMMARY DESCRIPTION OF THE LOS ANGELES COUNTY
INVESTMENT FUND

The Los Angeles County Investment Fund (hereinafter LACIF) shall be an additional investment option within the existing Deferred Compensation and Thrift Plan, commonly known as Horizons. LACIF shall provide in part that:

1. Participation will be limited to employees who are Horizons participants on March 1, 1993. Enrollment will be on a one-time-only basis during the month of March 1993 to be effective April 1, 1993.
2. Participants may transfer all or any portion of their vested funds from other investment options within Horizons to LACIF without charge. The County may also transfer participants' non-vested match to LACIF.
3. The County will assume the prorata share of the existing Horizons Plan deficit equal to the amount transferred to LACIF.
4. LACIF will be secured by revenue-producing securities, Certificates of Participation (COPs), with a maximum fifteen year maturity, unless retired sooner.
5. The interest rate will be 1/2% above the credited rate for Horizons' Stable Income Fund (SIF), but not less than 6%. The interest rate will be set every six months.

6. Interest will be paid monthly beginning May 1993. The first payment of both principal and interest will be on or after July 1, 1994, but no later than August 15, 1994. The securities will not be called prior to July 1, 1994.
7. Earnings to LACIF will be credited in the same manner as Horizons' SIF. However, payments cannot be reinvested to LACIF, therefore, participants must designate, at the time of enrollment, another investment option(s) within Horizons to place their payments.
8. LACIF will be implemented if approximately \$25 million or more is transferred to it. If LACIF is over-subscribed, as determined by the CEO, the amount participants are permitted to transfer will be prorated. Participants will not be charged for any County or third party administrative "start-up" or communications costs associated with LACIF. It is understood that participants in this new investment option will pay no more than the on-going Horizons administrative fee.
9. Except as provided herein, the provisions of Horizons will apply to LACIF.
10. It is agreed and understood this is a one-time-only arrangement and will not be used in the future.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Memorandum of Understanding the day, month, and year first above written.

ARTICLE 1 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721, and all other rights in the Employee Relations Ordinance and Government Code, Section 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, disability, or other factors not directly related to the successful performance of the job.

ARTICLE 2 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties either in whole or in part unless and until said Board of Supervisors:

1. Acts, by majority vote, formally to approve said Memorandum of Understanding;
2. Enacts necessary resolutions and amendments to County ordinances required to implement the full provisions of this Memorandum of Understanding;
3. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

If the parties do not mutually agree to implement appropriate provisions of the Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 3 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 2, Implementation, are fully met; but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2013. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2015.

ARTICLE 4 RENEGOTIATION

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from February 15, 2015, through February 28, 2015, its written request to commence negotiations.

Upon receipt of proposals, negotiations shall begin no later than March 15, 2015.

ARTICLE 5 RETIREMENTSection 1.

The parties agree to recommend jointly to the County's Board of Supervisors that pursuant to Section 31581.1 of the California Government Code, said Board adopt a resolution that, effective July 1, 2013, and for the term of this agreement only, provides that the County shall pay to the Retirement Fund the amount necessary which, based on actuarial determination, is sufficient to fund the difference between:

- a. The employee contributions that would be paid to said Retirement Fund during the term of this agreement if the employee contribution rates set forth in the Fringe Benefit MOU costs based on June 30, 2012, Actuarial Valuation dated March 28, 2013, by Milliman USA, were implemented, and
- b. The employee contributions that would be paid to said Retirement Fund during the term of this agreement if the employee contribution rates set forth in Section 2 of this Article were implemented in lieu of the contribution rates set forth in said Fringe Benefit MOU costs based on June 30, 2012 Actuarial Valuation.

Section 2.

The parties agree that, contingent upon action by the Board of Supervisors to adopt a resolution to implement the provisions of Section 1 of this Article, the negotiated employee contribution rates for the term of this agreement for employees who entered the Los Angeles County Employees Retirement Association prior to October 1, 1978, shall be

as follows; provided, however, such contribution rates shall not apply to employees who are covered by the optional non-contributory plan (hereinafter referred to as Plan E) made operative for General Members of said Retirement Association on and after January 4, 1982.

1. The negotiated employee contribution rates listed below shall apply to the retirement plan for employees who became General Members of the Los Angeles County Employees Retirement Association on or before August 31, 1977, (hereinafter referred to a Plan A for General Members):

Section 4.

The parties agree that General Members in Plans A, B, or C may not transfer to Plan E during the term of this agreement. Members in Plan E may transfer to Plan D, and General Members in Plan D may transfer to Plan E during the term of this agreement. Since Plan E closed to new LACERA members effective November 27, 2012, it is not available for transfer to General Members in Plan G.

Section 5.

The parties mutually agree that the retirement program shall be continued in a manner so that retirement contributions meet the conditions set forth in Section 414(h)(2) of the Internal Revenue Code as presently codified.

Section 6.

The parties agree to meet and confer regarding the impact of any increases in employee retirement contribution rates that may occur during the term of this agreement based on any actuarial valuation required under the County Employees Retirement Law of 1937.

Section 7.

Each newly hired employee shall become a member of Plan G, effective the first day of the month following the date of hire with the following exceptions: 1) Deferred member of LACERA prior to January 1, 2013, who returns to active membership; 2) An individual who becomes a member on or after January 1, 2013, and has established reciprocity based upon membership in a reciprocal system on or before December 31, 2012; or 3) A former

member of LACERA who has re-deposited the accumulated contributions he or she withdrew prior to January 1, 2013 along with the interest those contributions would have earned. Individuals who meet one of these exceptions are entitled to become a member of Plan D or to restore to their former other contributory plan. Former vested Plan E members are entitled to become Plan E members.

For purposes of this Section 7, a "newly hired employee" shall mean an employee appointed to a position which otherwise entitles the incumbent to coverage under General Plan G.

Section 8.

The parties further agree to meet and confer on the integration of County retirement benefits with Social Security Retirement Benefits in the event the County re-enters the Social Security system. The scope of such meet and confer process shall be limited to retirement benefits provided under Plans A, B, C, D, and G for General Members and Plans A, B and C for Safety Members to the extent such plans cover employees who are represented by SEIU, Local 721, and impacted by said re-entry into Social Security.

Section 9.

The parties agree that for the term of this agreement a portion of the County contribution to the Options Plan that may be taken as cash if the employee waives health insurance coverage equal to \$244.00 is considered as earnings for retirement purposes for each employee for whom a contribution is made, whether the employee elects to take cash or

not. This section shall not apply to persons hired on or after January 1, 1996. For such employees, no portion of the County contribution to the Options Plan will be considered as earnings for retirement purposes.

Section 10.

Following completion of 2000–2003 fringe benefit negotiations and the parties' joint sponsorship of legislation (AB 399), the Board approved and the County implemented the following changes to the retirement plans:

- A. Provided a prospective COLA for Plan E of up to 2% per year based on Consumer Price Index movement for all urban consumers for the Los Angeles/Riverside/Orange County area (1982-1984 bases). Plan E members may purchase the 2% COLA for past service at rates to be determined by LACERA, provided such rates cover the full cost of the COLA for past service.
- B. For Plan E members who retire prior to age 65, reduced to age 62 the age at which the member is:
 - (1) no longer presumed to be working in Social Security covered employment following his or her retirement from the County; and
 - (2) permitted to provide evidence of the member's Social Security primary insurance amount in lieu of the estimated primary insurance amount that

would otherwise be applied in the calculation of the member's Plan E benefit.

This provision only applies to Plan E members who earned Social Security credits through County employment.

- C. Indexed the pre-disability final compensation figure for a Plan E participant on Long Term Disability by the Consumer Price Index movement for the Los Angeles/Riverside/Orange County area (1982-1984 base), not to exceed 2% per year. This provision shall apply only to Long Term Disabilities occurring on or after July 1, 2001.
- D. Established Plan E early retirement factors at the current levels, regardless of future actuarial valuations.
- E. Increased survivor benefits for Plans A, B, C, and D from 60% to 65% and for Plan E from 50% to 55% for all pre-retirement and post-retirement survivor benefits. Service connected survivor benefits payable at 100% are not affected. Persons already retired and persons already receiving survivor benefits will not receive the increase.
- F. Allowed prospective transfers from Plan E to Plan D (without a service buy back requirement) and from Plan D to Plan E (without in service cash out). Members in Plan E may also purchase all, some, or none of their time for Plan D credit. Members transferring from Plan E to Plan D must serve a two year waiting period for

all disability retirements. Members who transfer from one plan to another prospectively will receive the appropriate prorated share of benefits from each plan upon retirement.

- G. Increased \$750.00 post-retirement lump sum death benefit for retirees in Plans A, B, C, and D to \$5000.00
- H. Established a \$5000.00 post-retirement lump sum death benefit for retirees in Plan E.

Effective July 1, 2001, the County amended the final compensation period for Plans B, C, and D to be the highest one year.

Section 11.

The County will provide LACERA survivor benefits for domestic partners as permitted by State law.

Section 12.

The County will provide retiree health insurance for domestic partners and their minor children who receive survivor benefits under LACERA.

Section 13. Joint Labor Management Retiree Health Committee

The Joint Labor Management Retiree Health Committee established during 2006-2009

Fringe Benefit Negotiations shall be permanent. The Committee will consist of five (5) representatives designated by the Union and five (5) representatives designated by management. The Committee shall establish meeting protocols and appoint a Chairperson and Vice- Chairperson from its members. The Chairperson and Vice-Chairperson positions will alternate annually between Union and Management.

The Committee will continue to develop and make joint labor-management advisory recommendations to the Chief Executive Officer to mitigate and control the cost of future retiree health insurance. The Joint Labor Management Retiree Health Committee has recommended and supports the establishment of a Trust and Investment Services Agreement to mitigate the cost of retiree health insurance.

The Committee will be provided with pertinent documentation/information from the County relating to the establishment of the Trust and Investment Services Agreement. The CEO shall review the Committee's recommendations and prepare an analysis and report to the Board of Supervisors for review and consideration.

Local 721 reserves its right to negotiate any Retiree Health recommendation that affects wages, hours, and other terms and conditions of employment.

The County will negotiate with SEIU Local 721 regarding:

- Amendment of the Trust and Investment Services Agreement
- Appointment of a Successor Trustee
- Termination of the Trust,
- Removal of the Trustee (LACERA)

The County will provide the Joint Labor Management Retiree Health Committee with information relating to the operation and funding of the OPEB Trust.

The Trust and Investment Services Agreement was adopted by the Board of Supervisors on May 15, 2012, and adopted by the LACERA Board of Investments on June 13, 2012.

ARTICLE 6 LONG TERM DISABILITYSection 1.

The parties agree to recommend jointly to the County's Board of Supervisors that said Board adopt and implement through amendment to the County Code the following modifications to the County's Long Term Disability and Survivor Benefit Plan (LTD Plan) to be effective on the effective date of the amending ordinance:

- a) Existing provisions of the LTD Plan stipulate that no benefit shall be payable for any "disability resulting from, or contributed to, by mental or nervous disorder, drug addiction, or alcoholism, except while the employee is under the care of a licensed physician." The parties agree that "care" shall mean regular care under a planned program of observation and treatment by a licensed physician as required by applicable medical standards.

- b) Existing provisions of the LTD Plan require that i) an employee who is sufficiently insured for Social Security Disability Benefits be eligible for or actually receiving such benefits as a condition of receiving LTD benefits beyond the initial 24 months of benefit payments, and ii) that LTD benefits be reduced by the amount of the Social Security Disability Benefits that an LTD disability beneficiary receives. The parties agree that an LTD disability beneficiary who receives Social Security Retirement Benefits in lieu of Social Security Disability Benefits shall not have his/her entitlement to LTD benefits impaired by reason thereof, providing the reason for the individual's entitlement to Social Security Retirement Benefits is due solely to

age and not the fact that the individual is not disabled within the meaning of the Social Security Act. The parties further agree that, in such case, the individual's LTD benefit shall be reduced by the amount of the Social Security Retirement Benefit as if it were a Social Security Disability Benefit, provided, however, that no such reduction shall apply to any LTD disability beneficiary who was receiving LTD benefits prior to the effective date of the ordinance implementing the provisions of this Article.

- c) LTD benefits shall not be payable in any case where an employee has been absent from work for six months or more prior to the commencement of total disability, provided, however, that this exclusion shall not apply to any employee whose absence is due to an approved, non-medical leave.
- d) After sending written notice by certified mail, should the surviving spouse fail to cooperate with the County for a period of 90 days, the survivor benefit payable under the LTD Plan shall be payable to the surviving children of the deceased employee or deceased disability beneficiary who otherwise meets all eligibility requirements. In the event that the survivor benefit is paid to the surviving children, duplicate payment for the same eligibility period shall not subsequently be payable to a surviving spouse.
- e) It is agreed that LTD benefits available to Plan E members are the same as those available to members of Plans A through D.

- f) Extend LTD Survivor Benefits to domestic partners. "Domestic Partner", for purposes of this Article, shall parallel the definition used by LACERA.

Section 2.

The parties agree to recommend that the Board of Supervisors amend the LTD plan to:

- A. provide a maximum 2% COLA for LTD disability cases commencing on or after January 1, 2001. The COLA would be based on the Consumer Price Index for all urban consumers for the Los Angeles/Riverside/Orange County area (1982-1984 base) for each calendar year, not to exceed 2% per year, commencing the first month following two years of LTD benefit payments.
- B. increase the survivor continuance benefit under the LTD plan to 55%, effective July 1, 2001.

Section 3.

The LTD Health Insurance Program provides guaranteed access to County-sponsored or County-approved group health insurance for individuals currently enrolled in a health insurance plan and receiving LTD benefits. Effective January 1, 2008 all eligible LTD participants, otherwise eligible to receive LTD benefits, will receive health insurance protection at no cost to the participant. Under this health insurance protection program, the employee would pay 25% of the monthly medical plan premium while receiving LTD benefits, and the County would pay the remaining 75% from a LTD Health Trust Fund. No

person shall be excluded from participating in a County-sponsored or County-approved group health insurance plan solely by virtue of being an LTD Health Plan beneficiary.

Beginning January 1, 2008, employees can elect to “buy-up” 100% LTD Health Insurance subsidy at a cost to the employee to be determined each year by the County. The monthly premium will raise sufficient revenue to fund the program as determined by the County of Los Angeles. Under this optional coverage, the County would pay 100% of the monthly medical plan premium while the employee is receiving LTD benefits.

After two years, LTD recipients who are participants in a contributory retirement plan (i.e. Retirement Plan A, B, C, D or G) must apply for disability retirement benefits with LACERA. Failure to make such application will result in the cessation of LTD benefits. In the event the employee becomes eligible to receive retiree health insurance coverage with LACERA, LTD Health Benefits will cease. The new program would apply only to new disabilities incurred on or after January 1, 2008 and would not apply to employees currently disabled or in the qualifying six month waiting period. Coverage would become effective for those employees after returning to work for a period of six months or more.

The County will ask each health insurance carrier to “experience rate” the LTD group covered in their plans and any increase in premium costs associated with these individuals would be financed from the LTD Health Trust fund.

Employees who do not elect the 100% Optional Coverage would be barred from enrolling in it for two years following that decision. Beginning on January 1, 2005, LTD Health Insurance will be extended to the survivor (including a domestic partner) of an employee who is participating in the LTD health insurance protection program provided that the survivor was listed as an eligible dependent on record prior to the onset of disability.

The definition of “domestic partner” for this purpose will parallel the definition used by LACERA.

ARTICLE 7 **INJURY LEAVE**

The parties agree that the benefits for persons injured in the course of employment who are not covered by Section 4850 of the Labor Code shall be those set forth in Section 6.20.070 of the County Code and that such benefits shall provide for the following:

- A. The sum of benefits prescribed by the Worker's Compensation Laws of the State of California plus benefits provided by said Section 6.20.070 and earnings from other employment shall equal 70% of an employee's base salary for a period not to exceed one year from the date of injury or the length of his/her continuous service prior to the date of injury, whichever is less. In no event, however, shall an employee receive less than the benefits required under the law.

- B. If an employee charges an absence due to work-related injury to full-pay sick leave, vacation, accumulated overtime, or accumulated holiday time pending a determination as to the compensability of said injury, he/she shall, in the event said injury is determined to be compensable, be entitled to have 70% of such benefits restored. The remaining 30%, having been used to provide a higher benefit than is authorized for injury leave, shall not be restored. For purposes of this Section, restorable time shall be calculated to the nearest 15-minute increment.

- C. From the time an injury is determined to be compensable until either one year from the date of injury, or the length of the employee's continuous service prior to the

date of injury, whichever is less, an employee may not use any other leave benefits to supplement benefits described in this Article.

- D. Nothing herein shall prevent an employee from using leave benefits to supplement Workers' Compensation benefits available after one year from the date of injury, or the length of his/her continuous service prior to the date of injury, whichever is less.
- E. The County and Local 721 shall form a Labor-Management Committee to meet and consult pursuant to County Code Section 5.04.090(A) on health and medical issues that include but are not limited to workers' compensation, temporary and long-term disability, accommodation of employees with disabling health conditions, and mechanisms to ensure compliance with County policies on health and medical issues. The Committee shall consist of no more than five members of Local 721 and five members of Management. The intent of the Committee is to meet quarterly or more often if the parties mutually agree.

ARTICLE 8 OPTIONS - CAFETERIA BENEFIT PLAN AND HEALTH, DENTAL AND LIFE INSURANCE

Section 1. Cafeteria Benefit Plan - Options

The parties agree to recommend jointly to the County's Board of Supervisors for adoption and implementation by amendment to the County Code that a cafeteria benefit plan (hereinafter called Plan or Options), pursuant to Section 125 of the IRS Code be implemented for employees covered by the MOU for the period January 1, 2014 through December 31, 2015. The Plan will operate on a Plan year basis as required by Section 125 of the IRS Code. It is the intent of the parties that this plan year will consist of twelve (12) months, January 1 through December 31 of each year. Each election period shall be an open enrollment, unless otherwise indicated.

Section 2. Benefits Administration Committee

- A. The Labor and Management Committee known as the Local 721 Benefits Administration Committee (BAC or Committee) will jointly administer the benefits provided to employees covered by this MOU through the Plan. The Committee shall use the Joint Labor-Management Health Insurance Cost Containment Strategic Action Plan (Cost Mitigation, Goals and Objectives) in Appendix A as a guideline in the development and design of benefit plans.
- B. The Committee shall be comprised of five (5) representatives designated by Local 721 and five (5) representatives designated by Management. The Committee shall

have the authority, subject to CEO and Board of Supervisors approval when required, to:

1. Develop its own internal procedures, including the scheduling of meetings and reports of contacts with insurance carriers.
2. Negotiate with carriers of County-sponsored insurance plans regarding premium rates and benefit plan design for all benefits provided to employees under the Plan.
3. Review utilization and claims experience of all County-sponsored insurance and benefits plans within the Plan, which may require access to all relevant reports, and face to face discussions with both providers and the appropriate agencies. This does not preclude the Committee from requesting similar information for other plans.
4. Engage its own consultant. If it does, the cost of such consultant shall be negotiated by the County and Local 721.
5. Recommend to the CEO which County-sponsored benefit options, (including but not limited to voluntary plans such as life, vision, group legal, educational assistance), and plan carriers will be offered through the Plan.

Members may use their individual resources to analyze, research, and develop recommendations to the Committee regarding new benefit plan options.

The parties agree that during the term of this agreement, the parties will discuss ways to mitigate premium increases for subsequent plan years.

Section 3. Employees Eligible For Options

- A. Employees eligible for Options will include all full-time permanent employees who are:
1. Represented by Local 721;
 2. Employees in bargaining units covered by Local 721's Fringe Benefits Memorandum of Understanding;
 3. Non-represented employees who are ineligible to participate in the County's Flexible Benefit Plan for non-represented employees and who are ineligible to participate in the Choices Plan for represented employees.
- B. For purposes of this Plan, "full-time permanent employee" means any employee appointed to an "A," "D," "M," or "N" item, as defined in Title 6 of the County Code. An eligible employee shall become a "Participant" in the Plan upon meeting all of the requirements for participation set forth above.

Section 4. How The Plan Works

It is the purpose of the Plan to allow Participants to choose among the various benefits contained within the Plan in a manner that best meets their personal needs, and, further, to choose, to the maximum extent permitted by applicable law, between taxable and nontaxable compensation. The benefit options available for the Plan Years 2014 and 2015 and various rules relating to those options, are set forth below:

A. Health Insurance:

Participants may purchase one County-sponsored health insurance plan.

Enrollment Rules:

1. The County-sponsored health insurance plans will be fully open to all Participants, and their dependents, with no evidence of insurability required. The premiums in effect on January 1 of each Plan Year for the County-sponsored health insurance plans will remain unchanged for the duration of that Plan Year unless mid-year premium increases are required due to imposition of State or Federal taxes.
2. Every participant in the Options Plan must be enrolled in a county-sponsored plan or certify that he/she has other health insurance coverage through another employer, retirement plan or Medicare to receive the waiver contribution. Such certification must state the name of the other insurance plan, name of the employer or retirement plan and the name, SSN and medical record number of the subscriber.

Beginning in January 2015, participants may decline coverage to enroll in an individual health insurance plan (including enrolling in health insurance coverage through a health care exchange) however, there will be no waiver contribution for participants who choose to decline coverage and enroll in an individual plan.

Effective January 1, 2011, in the event that a participant defaults on providing the required health insurance certification coverage information he/she shall be defaulted into the lowest costs HMO plan.

B. Dental Insurance:

Plan Participants may purchase a County-sponsored dental plan.

Enrollment Rules:

All dental plans will be fully open to all Participants. As with health insurance, every Participant must be enrolled in a dental plan or certify that he/she has other dental coverage. Such certification shall require the name of the other dental plan, the name of the subscriber and the Social Security number of the subscriber. The premiums in effect on January 1 of each Plan Year for the dental plans will remain unchanged for the duration of each Plan Year, unless mid-year adjustments are required due to imposition of State or Federal taxes.

C. Life Insurance:

All Plan Participants will automatically receive \$2,000 of term life insurance coverage if they are members of Retirement Plan A, B, C, D, or G and \$10,000 of term life insurance coverage if they are members of Retirement Plan E. This coverage is fully paid by the County outside of the Plan.

Effective date of this change is January 1, 2005. Employees in Retirement Plan E may purchase up to \$40,000 of this coverage on a pre-tax basis through the Plan.

Employees in Retirement Plans A, B, C, D or G may purchase up to \$48,000 of coverage on a pre-tax basis through the Plan. Coverage in excess of \$40,000 or \$48,000, whichever is applicable, must be purchased on an after-tax basis outside the Plan.

Subject to the limitations set forth above, participants may purchase optional County-sponsored term life insurance in amounts up to eight (8) times their annual salary. The County will subsidize the three year rate guarantee for optional term life quoted by the insurer at a 15% subsidized rate for the term of this agreement.

Employees may elect to purchase optional life insurance in increments of \$5,000 to a maximum of \$20,000 for their spouse or domestic partner. The effective date of this option is January 1, 2005. Additional coverage of lesser amounts is available for dependents and domestic partners.

D. Accidental Death and Dismemberment (AD&D) Insurance:

Participants may purchase County-sponsored AD&D insurance in specified amounts from \$10,000 to \$250,000, but not more than ten (10) times their annual salary. Additional coverage in lesser amounts is available for dependents.

Enrollment Rules:

Participants may increase or decrease coverage, or continue existing coverage. No evidence of insurability is required.

E. Health Care spending Account:

Each Participant may allocate from \$10.00 to \$200.00 per month to a Health Care Spending Account. Limits in subsequent Plan Years shall be recommended by the Committee. Money allocated to a Health Care Spending Account may be expended on behalf of a Participant, or of his/her dependents, for "medical expenses," as defined in the Internal Revenue Code, incurred during the current Plan Year. Payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no later than six (6) months after the close of the Plan Year in which the medical expenses were incurred.

Effective with Plan Year 2014, up to \$500.00 of unused Health Care Spending Account funds from the prior Plan Year will be carried over to the next Plan Year.

F. Dependent Care Spending Account:

- 1) Each participant may allocate from \$10.00 to \$400.00 per month to a Dependent Care Spending Account. Increases or decreases in the limits will be recommended by the Committee. Money allocated to a Dependent Care Spending Account may be expended on "employment-related" dependent care expenses, as defined in the Internal Revenue Code. As with the Health Care Spending Account, payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no later than six (6) months after the close of the Plan Year in which the dependent care expenses were incurred.

- 2) Effective with the Plan year beginning January 1, 2008, the County shall provide a monthly contribution to each participant's Dependent Care Spending Account based on the employee's annual salary as follows:

Employee Gross Annual Salary	Employer Contribution per month
Less than \$29,999	\$375
\$30,000-\$34,999	\$300
\$35,000-\$39,999	\$275
\$40,000-\$44,999	\$200
\$45,000-\$49,999	\$125
\$50,000 or more	\$75

The County contribution towards Dependent Care Spending Account for Local 721 members is subject to an annual limit not to exceed \$5 Million Dollars for plan years 2014 and 2015 (for a total of \$10 Million Dollars). Any remaining amount not used in the Plan Year will be returned to the County's General Fund.

Participants in the Options Dependent Care Spending Account will be able to use their account for eligible Child Care and/or Elder Care expenses up to the maximum allowable contribution amount. Participants would be required to sign up for the Dependent Care Spending Account subject to existing administrative rules, IRS regulations, and other requirements governing flexible spending accounts. The implementation of the County contribution towards Options Dependent Care Spending Account shall not change any of the IRS guidelines and/or claims procedures as established by the Committee and outlined in the Health Care and Dependent Care Spending Accounts booklet. The Benefits Administration Committee (BAC) Joint Labor-Management Committee will be responsible for making recommendations regarding the administration of the Dependent Care Spending Account and developing communication materials and election information. The provisions for the Options Dependent Care Spending Account will be provided during the term of this MOU agreement.

G. Election Procedures:

1. Eligible employees shall make their benefit elections on forms provided by the County pursuant to procedures established by the Chief Executive Office.
2. Newly hired and newly eligible employees shall have sixty (60) days to enroll.
3. An employee shall become a Participant effective on the first day of the month following the date on which the enrollment document is submitted. A newly hired employee who fails to act within the above time limit will be deemed ineligible to participate in the Plan until the next Plan Year. For purposes of this Plan, "hired" means appointment to a position eligible for the Plan.
4. Employees who fail to submit the required enrollment documentation during an annual open enrollment within the established time frame will be subject to the default rules set forth below:
 - a) If the defaulting employee is currently enrolled in a County-sponsored health insurance plan, he/she will become a Participant in the Plan for the subsequent Plan Year, and will be deemed to have elected to perpetuate his/her existing benefit coverage relative to health insurance, dental insurance, optional life insurance, and AD&D insurance. The "existing coverage" for this purpose will be the

coverage reflected on each Participant's pay warrant on the 15th of the month immediately preceding the effective date of his/her election for all Plan Years. Such employee will not be entitled to receive coverage under a Health Care or Dependent Care Spending Account, and he/she will not receive any taxable cash unless the cost of his/her perpetuated nontaxable benefit coverage is less than the amount of the County contribution.

- b) If the defaulting employee is not enrolled in a County-sponsored health insurance plan, he/she will be deemed ineligible to participate in the Plan until the next Plan Year.

H. Maintenance of Benefits

Unless otherwise agreed to by the County and the Union, all insurance coverage sponsored by the County shall retain the levels of benefits in effect on January 1, 2014 through December 31, 2015.

Effective January 1, 2003, the parties implemented a \$5.00 mandatory office co-pay for the Kaiser and PacifiCare HMO - (high option) health plans, a \$5.00 prescription co-pay for the Kaiser plan, and a \$5.00 generic/\$10.00 brand name prescription co-pay for the PacifiCare HMO - (high option) plan.

Effective January 1, 2008, the parties implemented a \$10.00 mandatory Office/Urgent Care co-pay for the County sponsored HMO health plans, and a \$5.00 generic/\$20.00 brand name prescription co-pay for the County sponsored HMO health plans. Beginning in plan year 2008, pediatric Office/Urgent Care co-pays will be zero dollars (\$.0) for children up to age five (5).

Beginning in plan year 2009, the parties elected to waive co-pays for preventative care for the County sponsored HMO plans.

Beginning in plan year 2009, the parties implemented the following enhancements to the dental PPO:

- 1) Increased the annual plan maximum to \$1,750 across all three network tiers,
- 2) Added orthodontia coverage for adults and children with a 50% coinsurance subject to a \$1,200 lifetime maximum,
- 3) Added coverage for dental implants with 50% coinsurance subject to the annual plan maximum, and
- 4) allowed a third teeth cleaning if medically recommended.

Effective January 1, 2010, the parties increased the United HealthCare (UHC) Choice Plus PPO lifetime maximum benefit to \$5 million.

In accordance with the Affordable Care Act there is no lifetime maximum on any County sponsored health plan.

I. Miscellaneous Rules:

1. Unpaid Leave of Absence:

As stated above, an employee loses the monthly County contribution if he/she is not in a pay status at least eight (8) hours in the preceding month. In all other respects, however, an employee who goes on an unpaid leave of absence will continue to be a Participant in the Plan. If the employee pays for his/her insurance premiums while on leave, coverage(s) will continue and all deductions will resume upon the employee's return to an eligible pay status. However, if the employee allows his/her insurance coverage(s) to be canceled, when he/she returns to an eligible pay status coverage(s) will resume with a new effective date which will be the 1st of the month after the employee has been in a pay status at least eight (8) hours in the preceding month.

2. Breaks in Service:

An employee who breaks service and then re-enters during the same Plan Year will be required to complete the current Plan Year with the benefit

election in place at the time of the break. If the employee returns during a different Plan Year, he/she will be treated as a new hire. An employee who breaks service and who has elected coverage under the Health Care Reimbursement or Dependent Care Reimbursement options will be deemed to be a Participant in the Plan through the end of the current Plan Year for the limited purpose of claiming any amounts set aside for said benefits prior to the break.

3. Change in Family Status:

An employee must submit a Change Form within ninety (90) days from the date of a qualified change in family status to be eligible for any increase in, or alternate use of, the County Contribution. No refund of premium overpayments will be made if a Change Form is not received within the ninety (90) day period.

Section 5. Contributions

- A. The County will make contributions on behalf of each Participant pursuant to the following three rate structure for the term of this agreement:

<u>Coverage</u>	<u>Monthly Contribution</u>	
	<u>2014</u>	<u>2015</u>
Employee who waives health insurance coverage	\$ 228.00	\$ 228.00
Employee only	\$ 757.46	\$ 812.00
Employee plus one Dependent	\$1,382.02	\$1,481.53
Employee plus two or more dependents	\$1,632.60	\$1,750.15

Management will contribute a one-time only \$250.00 payment to the Options contribution on January 1, 2014 and July 1, 2014 for a total of \$500.00 during the term of the agreement. The two (2) one-time payments also apply to Options participants who waive coverage.

B. Taxable Cash

Any portion of any County contribution which is not used to pay for the costs of nontaxable benefits available under this Plan shall be paid to the Participant as taxable cash.

- C. In addition, in Plan Years , 2014 and 2015, the County will buy down the premium of any County or Union sponsored health plan so the premium is decreased \$6.00 per month for employee only coverage, \$9.00 per month for employee plus one dependent coverage, and \$11.00 per month for employee plus two or more dependents coverage.

- D. No employee may receive multiple contributions from the Plan, the Choices Plan, the Los Angeles County Flexible Benefit Plan, or any other County contribution toward any health or dental insurance plan during the same month. An employee who would otherwise be eligible for more than one such contribution during any month will be entitled to the contribution to which his/her status on the last day of the month entitles him/her.
- E. If an employee's nontaxable benefit selections cost more than the amount of the applicable County contribution, the difference will be made up with pretax salary reduction contributions. Salary reduction contributions are additional contributions made by the County in exchange for an equivalent reduction in an employee's taxable compensation. No County contribution or salary reduction contribution will be made on behalf of any Participant if he/she has not been in a pay status for at least eight (8) hours during the preceding month. Unless otherwise required by State or Federal law, salary reduction contributions shall have no adverse effect on County retirement benefits authorized by the 1937 Retirement Act, or any other employee benefit.

Section 6. PPO Dental Subsidy

Beginning January 1, 2010, the premiums for these plans will be on a three tier basis. For each month of the term of this contract, the County contribution to participants in the Indemnity/PPO dental plan shall be as follows:

	<u>2014</u>	<u>2015</u>
Employee Only	\$20.59	\$20.59
Employee plus one dependent	\$36.02	\$36.02
Employee plus two or more dependents	\$56.58	\$56.58

If the County discontinues the buy down of the PPO dental plan, the cost of such buy down shall be added proportionately to the contribution rate of all Options participants, whether such participants purchase the PPO dental plan or not.

Section 7. Administrative Fee

A \$2.00 per month minimum fee shall be charged to each participant for the County costs to administer the Plan. A monthly administrative fee, as determined by the Committee may be charged to each participant. Such fee shall be for enrollment, communications, third party administration, etc.

The above fee shall be collected via tax free salary reduction. It is the intent of the parties that all administrative costs of the Plan be revenue neutral.

Section 8. Health Insurance for Temporary and Recurrent Employees

- A. The parties further agree to recommend jointly to the County's Board of Supervisors for adoption and implementation by amendment to the County Code, that the County contribution toward health insurance for certain temporary and recurrent employees who are not eligible for the Plan be as set forth below for the term of this agreement.

<u>Coverage</u>	<u>Monthly Contribution</u>	
	<u>2014</u>	<u>2015</u>
Employee Only	\$ 635.96	\$ 681.75
Employee plus one Dependent	\$1,129.54	\$1,210.87
Employee plus two or more dependents	\$1,296.59	\$1,389.94

Management will contribute a one-time only \$125.00 payment on January 1, 2014 and July 1, 2014 for a total of \$250.00 during the term of the agreement to the Pension Savings Plan account for temporary and recurrent employees who are not eligible to the Options program

In addition, the parties agree that the County will provide the same health insurance subsidy listed above to non-student part-time employees as described below.

B. Health Insurance Subsidy for Non-Student Part-time Employees Eligible for Participation

1. An employee will be eligible to enroll in subsidized health coverage if the employee is in a non-student position and is in a pay status for an average of twenty (20) hours a week for the three (3) consecutive months prior to enrollment.

An employee will be deemed to be in a pay status for an average of twenty (20) hours a week for the three (3) consecutive months prior to enrollment if:

- a. The employee is on a daily or hourly item and the employee's total pay status hours for the three (3) consecutive months prior to enrollment is equal to or greater than 249 hours.
- b. The employee is on a 3/4 or 4/5 monthly item and the employee's total pay status hours for the three (3) consecutive months prior to enrollment is equal to or greater than 360 hours.

C. Initial Enrollment

The initial enrollment will allow for health benefits to be effective July 1, 2001.

To determine eligibility for the initial enrollment, the months of January, February and March of 2001 will be used to determine if an employee is in a pay-status for an average of thirty (30) hours a week.

Effective January 1, 2010, employees in a pay-status for an average of twenty (20) hours a week during, and, any three (3) consecutive month period will be eligible to enroll in subsidized health coverage.

D. Ongoing Eligibility

To receive a contribution to a health insurance for a month, an employee must be in a pay status for at least eight (8) hours in the prior month. Effective January 1, 2007, an employee will be taken off this benefit effective July 1, if an employee is in a pay-status for an average of less-than twenty (20) hours a week during January, February, and March.

Management agrees not to reduce work hours of such employees for the sole purpose of denying them this benefit.

Section 9. Flexible Benefit and Mega-Flex Benefit Plan

Permanent County employees currently participating in, or eligible to participate in the Flexible Benefit Plan (FBP) and/or Mega-Flex Plan (Pensionable and Non-Pensionable), shall continue to be eligible for and participate in said plans upon unit certification or accretion into a Local 721 bargaining unit. Any and all future changes the County makes to the Flex and Mega-Flex Benefit Plans for non-represented employees, including contributions, plan design and benefit changes, shall be extended to and become part of said eligible or participating employee's Flex and Mega-Flex Plans.

It is the intent of Section 9 to provide a “grandfathered” benefit to employees currently receiving or eligible to participate in the Flexible Benefit/Mega-Flex Plans that elect to be represented by a certified employee organization. Any new employee subsequently hired or promoted into an accreted job classification or a classification covered by unit certification previously covered by the Flex/Mega-Flex Plan shall not participate in the Flex/Mega-Flex Program.

The County shall not discriminate against non-represented employees upon unit certification or accretion into a Local 721 bargaining unit, or otherwise restrict their participation in the Flex and Mega-Flex Benefit Plans, on the basis of their status as represented employees.

The parties agree that the exclusive management, control and administration of the Flex/Mega-Flex Program shall be at the discretion of the County. Any current and future changes or modifications to the Flex/Mega-Flex Program will be at the sole discretion of Management subject to the County meeting and consulting with the Union prior to implementing any changes to the plan(s). Any employee currently covered by Flex/Mega-Flex may waive this benefit and opt on a one-time only basis to be covered by Options. Once an employee elects to be covered by Options this choice will be irrevocable.

Section 10. Joint Labor-Management Health Insurance Committee

The parties agree to establish a Joint Labor-Management Health Insurance Committee. The Committee will consist of seven (7) representatives designated by SEIU Local 721 and

seven (7) representatives designated by County Management. The Committee shall establish meeting protocols and appoint a Chairperson and Vice-Chairperson from among its members. The Chairperson and Vice-Chairperson positions will alternate annually between Management and Union.

The purpose of the Joint Labor-Management Committee is to meet, explore and review the feasibility of establishing an Operational Plan to utilize Los Angeles County's health care delivery system as an option for employees and new hires to select as part of their health insurance benefit program. County Management and SEIU Local 721 may engage their own consultant to participate in the discussion and engagement process. The Committee will develop and make advisory recommendations to the Chief Executive Officer.

SEIU Local 721 reserves its rights to negotiate any health insurance cost mitigation recommendation that affects wages, hours and other terms and conditions of employment.

The parties agree to recommend to the County's Board of Supervisors that said Board adopt and implement, through amendment to the County Code, an increase in the additional compensation which may be received, if all the conditions enumerated in Section 6.10.140 of said code are met, from \$80 per month to \$100 per month (\$50.00 per pay period) effective January 1, 2001.

The parties further agree to recommend to the County's Board of Supervisors that effective January 1, 1992, said Board adopt and implement through amendment to County Code Section 6.10.140 that temporary and recurrent employees who meet the conditions stated in said County Code shall be eligible to receive bilingual pay.

ARTICLE 11 PAYDAYSSection 1.

The parties agree that payroll warrants, including base pay, bonuses, overtime, or any other compensation, will be issued semi-monthly on the 30th day of the month for work performed from the first day through the fifteenth day of the month and on the 15th day of the following month for work performed from the sixteenth day through the last day of the month. If such a day falls on a Saturday, Sunday, or holiday, the payday shall be the immediately preceding regular work day. Employees may opt to participate in the Direct Deposit Program, in which the entire semi-monthly net pay is automatically deposited directly into the employee's checking or savings account at the bank, savings and loan, or credit union of his/her choice which is a member of the Automated Clearing House. Such deposits will be made on or before the 15th and 30th days of each month.

Section 2

The provisions of this Article will be impacted by the implementation of a new payroll/personnel system commonly known as e-HR in on or after January 2010 through December 31, 2012. Any impact on implementation of the proposed system changes (including bi-weekly pay) on wages, hours, or other terms and conditions of employment will be negotiated with Local 721 in the same manner, and subject to the same conditions, as that provided for in Article 29 e-HR of this Memorandum of Understanding.

ARTICLE 12 SICK LEAVESection 1.

The parties agree that on the effective dates listed below, full pay sick leave shall be earned and accrued as follows:

Employees hired prior to July 1, 1986, shall, effective January 1, 1994, earn 0.050 of an hour of full pay sick leave (0.075 of an hour for employees working a 56 hour shift) for each qualifying hour of service during a pay period. Qualifying hours include all active service hours, but do not include regular days off or overtime. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year. Employees will no longer receive a lump of sick leave on January 1 of each calendar year. Such employees will receive, on January 1, 1994, a number of days of special usage only sick leave on a one-time only basis. This number of days is equal to such employees' annual maximum number of full pay sick leave days. This special sick leave can be used only after all other full pay sick leave subject to 50% payoff at termination is used, (that sick leave earned on or after January 1, 1971), but may be used before full pay sick leave subject to 100% payoff is used (that sick leave earned prior to January 1, 1971). This special sick leave is not paid off at termination. Upon termination, an employee who otherwise qualifies for payoff of unused full pay sick leave is, in addition to all previously accrued and unused full pay sick leave, paid off for 50% of his or her current annual maximum number of sick leave days less any full pay sick leave taken in the year of termination.

Employees hired on or after July 1, 1986 shall, effective upon the implementation of phase 2 of the County-wide Timekeeping and Payroll-Personnel System (CWTAPPS) earn 0.050 of an hour (0.075 of an hour for employees working a 56 hour shift) for each qualifying hour of service worked during a pay period. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year.

Section 2.

The parties further agree to recommend jointly to the County's Board of Supervisors for adoption and implementation through amendment to said County Code that during the term of this agreement only, full-time, permanent employees may be paid for unused full-pay sick leave as follows:

- a) An employee may, at his/her option, be paid for up to 3 sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from July 1, 2013, through December 31, 2013, and if, by December 31, 2013, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on December 31, 2013.
- b) An employee may, at his/her option, be paid for up to 3 sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from January 1, 2014, through June 30, 2014, and if, by June 30, 2014,

- J. Nothing in this section shall be construed to modify the employment relationship between the County and the receiving employee; restrict County's management rights; nor modify existing County rules, policies or agreements regarding unpaid leave of absence or parental leave.

ARTICLE 33 PENSION SAVINGS PLAN

Section 1. Purpose

The Pension Savings Plan (the “Plan”) is a retirement plan for temporary and part time employees of the County of Los Angeles who are not eligible to participate in the Los Angeles County Employees Retirement Association. It is intended that the Plan qualify under IRC Sections 457 and 3121 as a benefit enhancement provided to employees in lieu of participation in the Social Security System.

Section 2. Plan Document

The parties mutually agree that the benefits provided by the Plan shall be those provided in Chapter 5.19 of the County of Los Angeles Code (the “Plan”) and is fully incorporated by reference in this Article 33.

Section 3. Operational Details

The parties further agree on the following matters which provide operational details concerning Plan operation, or are related to the Plan but are outside the scope of its provisions:

- A. The provisions of Chapter 5.19 are not subject to the Grievance Procedure set forth in Article 26 of this MOU,

- B. The County monthly contribution shall be 3 percent of compensation and the minimum monthly employee contribution shall be 4.5 percent of compensation.

- C. The Plan Administrative Committee (PAC) shall have responsibility for the operation and administration of the Plan and trust, and the members of the PAC shall be trustees subject to the fiduciary duties imposed on trustees under California law, including but not limited to the duties imposed by the Uniform Prudent Investors Act.

- D. The Plan shall be administered by the PAC, consisting of the Auditor-Controller, Chief Executive Officer, County Counsel, Treasurer and Tax Collector, a representative of Local 721, SEIU, and a representative of the Coalition of County Unions. Local 721, SEIU, and the Coalition of County Unions may each designate one named alternate member. Administrative costs will be charged against the account earnings, subject to limits set by Federal regulation. Policies and procedures will be established to minimize administrative costs. The PAC shall provide to each participant a periodic statement of account and information describing the benefits provided by the plan.

- E. To the extent that employees represented by SEIU Local 721 are impacted, the termination of the Plan or the amendment of any Plan provisions that are subject to negotiation shall be negotiated between the parties.

- F. In the event that the County is mandated by Federal or State law to re-enter the Social Security system during the term of the current Fringe Benefits Memorandum of Understanding, at the request of either party, the parties agree to open negotiations within 45 days of such request regarding the impact of such mandate

on the matching contributions of the employees represented by SEIU Local 721 to be covered by Social Security.

- G. In the event that applicable law is changed to require the Plan to be terminated or merged into another form of deferred compensation program during the term of the current Fringe Benefits Memorandum of Understanding, at the request of either party, the parties agree to open negotiations within 45 days of such request regarding the impact of such termination or merger on Plan participants who are employees represented by SEIU Local 721.

Section 4.

It is agreed between the parties that any conflict between this Article and the Plan provisions of the County Code be resolved in favor of the Memorandum of Understanding provisions.

ARTICLE 34 TERMINATION PAY

The parties agree to study and implement roll over of termination pay (time certificates) into a tax qualified plan by July 1, 2005.

In November 2004, the Termination Pay Pick Up Plan (TPP) was implemented to tax defer termination pay (time certificates). Effective May 31, 2006, the TPP ceased accepting new applications pending further IRS guidance.

Pending the outcome of the IRS guidance, management shall continue to work with the Union to have the TPP comply with the new regulations; otherwise, investigate alternatives for the tax deferral of termination pay.

ARTICLE 35 401(K) SAVINGS PLAN

Permanent County employees currently participating in or eligible to participate in the 401(k) Savings Plan shall continue to be eligible for and participate in said plan upon unit certification or accretion of their classification into a Local 721 bargaining unit. Any and all future changes the County makes to the 401(k) Savings Plan for non-represented employees, shall be extended to and become part of said eligible or participating employee's 401(k) Savings Plan.

It is the intent of this Article to provide a "grandfathered" benefit to individual employees currently participating or eligible to participate in the 401(k) Savings Plan (Chapter 5.26 of the County Code) following unit certification or accretion of their class into a Local 721 Bargaining Unit.

Any employee subsequently hired, transferred, promoted, or who demotes into an accreted job classification, and/or whose class is in a newly certified unit shall not participate in the 401(k) Savings Plan. An employee, who was not otherwise previously eligible for or participated in the 401(k) Savings Plan, shall not become eligible to participate in the Plan based on the grandfathering provisions of this Article.

The "grandfathering" provisions apply on an individual employee basis and do not extend to job classifications.

Nothing in this Article changes the parties practice regarding the 401(k) Savings Plan for non-represented employees who voluntarily elect a change in their employment status to a represented bargaining unit.

The County shall not discriminate against employees, or otherwise restrict their participation in the 401(k) Savings Plan on the basis of their unit certification or accreted status as represented employees.

The parties agree that the exclusive management, control, and administration of the 401(k) Savings Plan shall be at the discretion of the County. Any current and future changes, modifications, or termination of the 401(k) Savings Plan shall be at the sole discretion of Management, subject to the County meeting and consulting with the Union prior to implementing any changes or termination of the 401(k) Savings Plan.

Both parties reserve the right to challenge a Commission decision in other forums.

3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.
5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee

Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.
7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect

whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by

Management, Local 721, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.
- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of

individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established

procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
 - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
 - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition,

each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.
11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, semi-monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made or who is subject to an automatic Fair Share Fee or Agency Fee deduction pursuant to an agency shop provision.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2. Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3. Religious Objections

Any employee who is a member of a bona fide religion, body, or sect who has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 5. Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Section 6. Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period May 10 through May 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7. Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8. Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9. List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents. The list shall contain the name, employee number, date of hire into the Unit, item step, salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. Such list shall include new hires, and employees promoted, demoted or transferred into the Bargaining Unit. The semi-monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.

It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Section 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such

changes as soon as practicable. Such emergency assignments shall not extend beyond the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. - C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.

The provisions of this section may be implemented even if the employee cashes the payroll warrant.

Section 2. Overpayments

Management will endeavor to notify the affected employee of an overpayment on the employee's payroll warrant(s) prior to making any deduction to recover any such overpayment from the employee's subsequent payroll warrant(s). Upon request by the affected employee Management will establish a reasonable method of repayment.

County agrees to determine the feasibility of having an affected employee repay an overpayment with accumulated benefits that the employee would be entitled to at termination of employment. County agrees to consult with the Union on this issue within ninety (90) days after implementation of this MOU, in accordance with the Employee Relations Ordinance (5.04.090(A)).

Recovery of more than fifteen percent (15%) of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller. Performance Evaluations

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

Disaster Leave

In the event of a disaster emergency as defined by Section 2.68.050 of the County Code and the Emergency Ordinance, Ordinance 10493, that prevents employees from reporting to their positions, the Chief Executive Officer may grant a leave of absence with pay to such employees, subject to ratification by the Board.

APPENDIX D

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29

C.F.R. § 825.300(a) may require additional disclosures.

**"NOTICE A"****PREGNANCY DISABILITY LEAVE**

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
 - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
 - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND
PREGNANCY DISABILITY LEAVE

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA- eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

ARTICLE 11 GRIEVANCE PROCEDURESection 1 Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2 Definitions

1. Wherever used the term "employee" means either employee or employees as appropriate.
2. "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.

A group grievance is a common complaint by a number of employees within the department or a unit thereof.
3. "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. SEIU, Local 721, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.
2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and
 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.

3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7. Procedures

Level 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature

of the grievance and the remedy requested from his/her departmental Management. The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
- 3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
 - 4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the

Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each

party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

Purpose

Recognition

Non-Discrimination

Implementation

Term

Renegotiation

Safety and Health

Payroll Deductions and Dues

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding on all parties.

Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with

the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented

where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations

may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
 - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
 - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within

sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

ARTICLE 15 PAYROLL DEDUCTIONS AND DUES/AGENCY SHOP

Section 1 Deductions and Dues

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, semi-monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made or who is subject to an automatic Fair Share Fee or Agency Fee deduction pursuant to an agency shop provision.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2 Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3 Religious Objections

Any employee who is a member of a bona fide religion, body, or sect who has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 4 Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit. It is the intent of the parties that the agency shop provisions in the Memorandum of Understanding comply with applicable state law (Government Code Section 3502.5).

Section 5 Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Section 6 Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period May 10 through May 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7 Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8 Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9 List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents.

The list shall contain the name, employee number, date of hire into the Unit, item step, salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. Such list shall include new hires, and employees promoted, demoted or transferred into the Bargaining Unit. The semi-monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.

Section 10 Indemnification Clause

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

ARTICLE 16 NEW EMPLOYEE ORIENTATION

Subject to prior approval of the Department Head, SEIU, Local 721 representatives shall be notified of and participate in new employee orientation on County time for the sole purpose of providing employees information regarding SEIU, Local 721 Union membership.

This Article shall be subject to advisory arbitration.

ARTICLE 17 MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Section 1

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Section 3 Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.

All copies of the transfer request shall be submitted to the current office head. The office head will indicate on the request for transfer the employee's continuous service date, length of service as a Clerk, Typist Clerk, Intermediate Clerk or Intermediate Typist Clerk at the current office and certified bilingual skills if any.

The office head will forward the transfer request to the Bureau and receiving Division Headquarters with a copy to the employee. If the employee does not meet the above transfer criteria, all copies of the transfer request will be returned to the employee with the reason for denial.

Transfer requests forwarded to the Bureau and Division Headquarters shall be valid for one (1) year or until withdrawn in writing by the employee.

During the months of March, June, September, and December, Management will review transfer requests on file at Bureau Headquarters and office vacancies and initiate transfers of the most senior employees providing certified bilingual skills are not required. Should Management determine that bilingual skills are required more in the receiving office than the sending office, the most senior bilingual employee will be eligible for transfer. In the event an eligible employee is placed on improvement needed or no longer desires voluntary transfer, the employee's name shall be removed from the list for a period of six months after which time the employee will be eligible to request transfer in accordance with Section 3 of this Article.

Transfers will be effected as expeditiously as possible and will be done prior to any new hiring of employees in the aforementioned classifications.

It is understood that this Section does not modify Management's right to promote an eligible employee who is working in the office where the vacancy occurs.

During emergencies or when vacancies occur as a result of opening new facilities, altering or reorganizing programs or when vacancies exceed five percent (5%) as a result of the transfer from the sending office, the provisions of this Section shall be applied only to the degree practicable.

For the purpose of this Section, seniority shall be based upon continuous service in the classification and within the Department.

ARTICLE 47 VACATION SCHEDULING - HOSPITAL CLERICAL EMPLOYEES

Vacation periods shall be scheduled by Management to provide adequate staffing. Such schedules shall be subject to the needs of County service. Employees in this bargaining unit shall be entitled to take authorized vacations in accordance with the following procedures:

1. a. Management shall prepare an annual vacation schedule for employees in this bargaining unit in each vacation scheduling unit. A vacation scheduling unit is defined as:
 - (1) A unit with a sufficient number of employees in this bargaining unit with interchangeable skills to ensure that employees in this bargaining unit will not have to compete with employees not in this bargaining unit for vacation schedules, and
 - (2) A unit where vacations are required to be scheduled throughout the year. For each vacation scheduling unit, Management shall decide the number of employees who may be on vacation at any given time. No request for vacation shall be denied because of the season of the year.
- b. Where the vacation scheduling unit is a small unit within a hospital where employees in this bargaining unit with the necessary skills cannot be floated into the unit, prior practices in vacation scheduling shall be controlling.

2. The employee in this bargaining unit with the greatest seniority based on continuous service date will be given the opportunity to have one (1) first available choice of vacation schedule, with the other employees in this bargaining unit being given their choice of available vacation schedules in descending order of seniority.
3. Having once made such a choice, no employee in this bargaining unit may change his/her vacation schedule if such change will conflict with the choice of any other employee in this bargaining unit in the vacation scheduling unit or unless the affected employee in this bargaining Unit and Management agree to such a change.
4. For the purposes of this Article, employees in this bargaining unit assigned to a vacation scheduling unit after the annual vacation schedule has been prepared waive any seniority rights they have until the next annual vacation schedule is prepared.
5. In the case of a tie involving two or more employees in this bargaining unit, the opportunity to choose a vacation schedule will be given to the employee in this bargaining Unit in the descending order of one (1) their continuous service date, two (2) seniority in the work facility, or three (3) seniority in the vacation scheduling unit.

2. Training Opportunities

An employee can request to participate in educational programs, symposiums, seminars, conferences and meetings which would lead to an increase in their skills, knowledge and understanding. Employee training requests for County time to attend such programs shall be subject to Management approval.

Grievances filed under this section for training funded under Section 4 shall be expedited to the Third Level upon being filed.

3. In-Service Training

training programs in departments and classifications where possible. Management agrees to make information concerning in-service training programs available to employees within the unit.

Management agrees that training programs will not be established to deprive qualified employees of higher earnings.

4. Training Expenses

The parties agree that the provisions of this article shall not be grievable nor arbitrable, and are, therefore, expressly excluded from the grievance and arbitration provisions of Articles 11, 13, and 14 of this Memorandum of Understanding.

ARTICLE 53 OVERTIMESection 1 Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) in one (1) week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. ' 201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.
- B. The County will pay employees for any overtime worked at a rate of one and one-half (1-1/2) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.
- C. Payoff of Special Deferred CTO
On or after August 1, 1995, at the employee's option, CTO earned during the period October 1, 1993 through and including June 30, 1994 and remaining on the books, may continue to be taken as time off, subject to Management approval, or may be converted to pay. An employee electing payment for any portion of his or her CTO

accrual balance may submit a request and within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.

- D. With Department Head (Appointing Authority) approval, an employee in the bargaining unit may elect to work up to thirty-two (32) hours of FLSA overtime to be used as compensatory time off in lieu of pay. Compensatory time is accrued at the rate of one and one-half (1-1/2) hours for each hour of overtime worked. No more than forty-eight (48) hours of compensatory time may be accrued in a calendar year. All overtime hours worked in excess of thirty-two (32) hours and accrued as compensatory time in a calendar year shall be paid.

To use compensatory time, an employee must submit a written request to the immediate supervisor at least five (5) working days prior to the first date requested to be off. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management. Accumulated compensatory time must be used by the end of the calendar year following the year in which it was earned or it shall be paid. Accrued compensatory time shall be paid prior to any promotions.

Management may direct an employee to use accumulated compensatory time provided the employee is given ten (10) business days' notice. Unless approved by management, employees may not accrue overtime hours which are worked during

disaster periods or emergencies declared by the Board of Supervisors, local or federal government.

Section 2. Usage of Non-FLSA Earned Compensatory Time

- A. Employees shall not be directed by Management to take compensatory time off without at least ten (10) business days' notice or be denied a timely request to take such time off.

Requests for time-off will be approved based on the needs of the service as determined by Management.

- B. With prior approval of departmental Management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 3. Saving Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 4. Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational work unit and work location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work.

Section 5.

An employee who works a four (4) day - forty (40) hour week schedule or a nine (9) day - eighty (80) hour two-week schedule and who uses benefit time or compensatory time to cover the balance of a day in which they receive an eight (8) hour holiday, the benefit time or compensatory time used shall be treated for purposes of overtime computation in the same manner as the eight (8) hours of County holiday time.

ARTICLE 54 SPECIAL PAY PRACTICESSection 1 Night Shift Differential

The parties agree to recommend jointly to the County's Board of Supervisors that employees in this Unit are paid for evening and night shift differential as follows:

- A. The evening shift is a shift at least five-eighths (5/8) of which falls between 4:00 p.m. and 11:00 p.m. The night shift is a shift at least five-eighths (5/8) of which falls between the hours of 9:00 p.m. and 8:00 a.m.
- B. Effective October 1, 1990, evening shift employees shall receive a premium of fifty cents (\$.50) per hour. Night shift employees shall receive a premium of fifty cents (\$.50) per hour, above the established rate for each classification.
- C. Effective July 1, 1991, night shift employees shall receive a premium of fifty-five cents (\$.55) per hour, above the established rate for each classification.
- D. Effective October 1, 1992, evening shift employees shall receive a premium of fifty-five cents (\$.55) per hour.
- E. Effective October 1, 1992, night shift employees shall receive a premium of sixty cents (\$.60) per hour, above the established rate for each classification.

Section 2 Superior Subordinate Pay

The Chief Executive Officer will authorize compensation for a supervisor at a rate of \$1.00

per month more than the base rate of his/her highest paid subordinate, when the qualifying conditions are met as provided by Section 6.10.070 of the County Code.

Section 3 Call Back

Whenever an employee is unexpectedly ordered by his/her Department Head or designated Management representative to return to work following the termination of his/her normal work shift and departure from his/her work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half (1½) of the employee's regular rate of pay. Work performed in excess of four (4) hours will be compensated for in accordance with provisions of the Overtime Article.

If an employee should complete work required, leave the work location, and subsequently be recalled during the four (4) hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four (4) hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two (2) hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 4 Transcriber Typist, Probation

Any person employed in the Probation Department on a permanent full-time position of Transcriber Typist, excluding probationary employees, shall be paid a bonus of \$55 for work performed during any month after July 1, 1991, whenever said employee's average monthly production standard based on group performance and control for the previous three (3) months is 101% or greater.

Such bonus does not constitute a base rate and shall not be considered in overtime calculation nor be used in the calculation of any other compensation or benefit.

Section 5 Freezer Bonus

The parties agree to recommend to the County's Board of Supervisors that said Board adopt and implement to the applicable ordinance that any employee covered herein who is employed in the Internal Services Department, and who is assigned to spend the major portion of a regularly established shift working in the freezer of said department, shall be entitled to receive, in addition to their regular compensation, one dollar (\$1.00) per hour for each hour worked during such assignment.

Such bonus does not constitute a base rate and shall not be considered in overtime calculations nor be used in the calculation of any other compensation or benefit.

Section 6

At the conclusion of the term of this contract, negotiations for future MOU will include discussions on special pay practices as it relates to weekend bonus.

APPENDIX A

Performance Evaluations

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Evaluation of performance is not the simple preparation of an annual report, but is a continuous process involving the communication of work goals, giving instructions, assigning work, observing and evaluating work progress and the ongoing dialogue between supervisors and workers during the entire rating period.

Informal Corrective Actions

Informal corrective actions represent attempts to handle problems before they seriously hamper employee effectiveness. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

School and Child Care Activities

Any employee who is the parent, guardian, or grandparent with custody may utilize existing vacation, personal leave, compensatory time off, or leave without pay to participate in the school activities of their children who are either enrolled in kindergarten through twelfth grade or are under the age of five and enrolled in a child care or preschool program.

Civil Service Examinations

Any employee shall be allowed time necessary to be absent from work at his or her regular rate of pay to participate in civil service examinations for positions with any public entity as defined in Section 6.04.080 of the Los Angeles County Code.

Military Leave

Any employee shall be allowed a military leave of absence in accordance with the applicable provisions of law including, but not limited to, the Uniformed Services Employment and Reemployment Act, the Family and Medical Leave Act, the California Military and Veterans Code, the Los Angeles County Charter, and the Los Angeles County Code. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

Disaster Leave

In the event of a disaster emergency as defined by Section 2.68.050 of the County Code and the Emergency Ordinance, Ordinance 10493, that prevents employees from reporting to their positions, the Chief Executive Officer may grant a leave of absence with pay to such employees, subject to ratification by the Board.

APPENDIX C

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"**PREGNANCY DISABILITY LEAVE**

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
 - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
 - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

"NOTICE B"FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND
PREGNANCY DISABILITY LEAVE

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

ARTICLE 1 PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

ARTICLE 2 RECOGNITIONSection 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, Los Angeles County Employees Association, SEIU, Local 721, was certified on April 23, 1970 by County's Employee Relations Commission (Employee Relations Commission File No. R-74-69) as the majority representative of County Employees in the Supervisory Clerical and Office Services Employee Representation Unit (hereinafter "Unit") previously found to be appropriate by said Employee Relations Commission. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007 transferring representational responsibilities to SEIU, Local 7211 for bargaining units formerly represented by SEIU Local 660 and SEIU Local 535. Management hereby recognizes SEIU, Local 721, as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit in the employee classifications comprising said Unit as listed in the Salaries Article, as well as such classes as may be added hereafter by the Employee Relations Commission.

Section 2. Exclusive Recognition

Management agrees that it shall recognize SEIU, Local 721, as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and SEIU, Local 721, has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or his/her duly authorized representative [Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-2404], except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

- B. The SEIU, Local 721 principal authorized agent shall be the Executive Director, or his/her duly authorized representative (Address: 1545 Wilshire Blvd, Los Angeles, California 90017; Telephone: (213) 368-8660).

ARTICLE 5 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither SEIU, Local 721, nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 6 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721 and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, or disability status or other factors not directly related to the successful performance of the job.

ARTICLE 7 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2013. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2015.

ARTICLE 8 RENEGOTIATION

In the event either party hereto desires to negotiate the provisions of a successor Memorandum of Understanding, such party shall serve upon the other its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding, during the period of February 15 to February 28, 2015.

Negotiations shall begin no later than March 15, 2015. If full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by April 30, 2015, an impasse shall be automatically declared on those issues which remain in dispute unless the parties mutually agree to continue negotiations.

ARTICLE 9 WORK RELEASE FOR NEGOTIATIONS

It is the intent of the parties to engage in good faith negotiations and endeavor to reach agreement on a successor Memorandum of Understanding.

The Chief Executive Office/Employee Relations Division will meet and consult with SEIU, Local 7211 thirty (30) calendar days prior to the commencement of negotiations for the purpose of obtaining information to ensure the release of a reasonable number of departmental employee representatives to attend and participate in successor contract negotiations.

For employees working on an evening or night shift the Chief Executive Office/Employee Relations Division will coordinate temporary work schedule/shift changes with Departments subject to operational considerations to facilitate negotiations for a successor MOU.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

SEIU, Local 7211 shall provide a final list containing the names and departments for bargaining committee members (regular members and alternates) to the Chief Executive Office/Employee Relations Division at least thirty (30) days prior to the commencement of negotiations.

ARTICLE 10 COORDINATED BARGAINING

The parties agree that coordinated bargaining shall take place between the County and SEIU's Local 721 Bargaining Policy Committee. Such bargaining shall include general salary movement, employee benefits, term, and common language provisions. Common language provisions shall be included in the individual unit MOUs.

Individual unit tables will continue to bargain economic matters including special pay practices, bonuses, recruitment and retention adjustments, step increases, differentials, and other compensation unique to their MOU's. Individual unit tables will also continue to bargain operational issues such as transfers, caseloads, training and other matters which are unique to their MOU's

The parties agree that the Fringe Benefits MOU will continue to be bargained between the County and SEIU's Local 721 Bargaining Policy Committee.

ARTICLE 11 GRIEVANCE PROCEDURESection 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2. Definitions

1. Wherever used the term "employee" means either employee or employees as appropriate.
2. "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.

A group grievance is a common complaint by a number of employees within the department or a unit thereof.
3. "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. SEIU, Local 721, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.

2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and

 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.

3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.

3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7. Procedures

Level 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management.

The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
- 3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
 - 4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the

Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each

party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the

matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures

or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
 - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
 - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within

sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2. Agency Shop Defined

It is mutually agreed by the parties that the term “agency shop” means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3. Religious Objections

Any employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 4. Agency Shop

Section 5. Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Section 6. Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period May 10 through May 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7. Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8. Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9. List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents.

The list shall contain the name, employee number, date of hire into the Unit, item step, salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. Such list shall include new hires, and employees promoted, demoted or transferred into the Bargaining Unit. It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Section 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond

the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 20 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to SEIU, Local 7211 and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days. Additionally, prior to the release of any Government Code Section 31000.4 and Proposition A contract RFP, the parties agree to jointly review and consult on said contracts. The review will include but is not limited to the cost savings, service delivery and the quality control aspects of the recommended contract(s).

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency,

Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 21 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 22 ALTERNATIVES TO LAYOFFSSection 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement

transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and Department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

Section 3. Civil Service Rules

Nothing in Section 1 and 2 of this Article shall limit the Director of Human Resources or the appointing authority's discretion to implement layoffs pursuant to Civil Service Rules.

Section 4. Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or, if laid off, rehire such employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A contracts.

Section 5. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days' notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 23 EMPLOYEE BENEFITS

The parties agree that the provisions of the Memoranda of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and SEIU, Local 721, in effect during the term of this agreement shall apply to employees in this Unit.

ARTICLE 24 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Any permanent, full-time employee shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities of a higher level which are assigned or approved by the Department Head or designated Management representative and approved by the Chief Executive Office.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the additional responsibilities bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus. In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

ARTICLE 25 OUT-OF-CLASS ASSIGNMENTSSection 1. Definition

- A. For the purpose of this Article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated vacant*, funded position in one class by an individual in another class.
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

*For the purpose of this article, vacancies due to leaves of absence shall be defined as in County Code Section 6.20.110.

return the employee to an assignment in his/her own class. If such return is made within thirty (30) calendar days of the request for relief, no bonus under this article is to be paid; or

pay the employee the bonus. The bonus is paid from the date of request for relief, and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.
- B. Nothing in this article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign

employees out-of-class for the purpose of training without any additional compensation for the duration of such training.

Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.
- D. Upon the employee's written request a written confirmation of his/her out-of-class assignment shall be placed in the employee's personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.
- E. Grievances filed under this article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 26 POSITION CLASSIFICATION STUDYSection 1. Definition and Authority

For the purpose of this article, a classification study is a study by the Director of Personnel or by the Personnel Office of the Department, of the duties and responsibilities assigned to a position in order to determine whether the position is properly classified.

Section 2. Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf, and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3. Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4. Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide Local 721 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications, the primary duties of which are derived from Local 721 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

ARTICLE 27 PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. ARTICLE 29 ENHANCED VOLUNTARY TIME-OFF PROGRAMProgram Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.

- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.
- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. - An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
 - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.

- EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.
- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
 - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
 - After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.

- Retirement service credit will not accrue during this period.
- FLSA Non-exempt employees may request EVTO in increments as little as one hour.
- FLSA Exempt employees must request EVTO in full work day increments.
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.
- Department Heads may continue to approve other unpaid leave of absences.

location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work.

Section 5.

An employee who works a four (4) day - forty (40) hour week schedule or a nine (9) day - eighty (80) hour two-week schedule and who uses benefit time or compensatory time to cover the balance of a day in which they receive an eight (8) hour holiday, the benefit time or compensatory time used shall be treated for purposes of overtime computation in the same manner as the eight (8) hours of County holiday time.

ARTICLE 53 SPECIAL PAY PRACTICESSection 1. Night Shift Differential

The parties agree to recommend jointly to the County's Board of Supervisors that employees in this Unit are paid for evening and night shift differential as follows:

- A. The evening shift is a shift at least five-eighths (5/8) of which falls between 4:00 p.m. and 11:00 p.m. The night shift is a shift at least five-eighths (5/8) of which falls between the hours of 9:00 p.m. and 8:00 a.m.
- B. Effective October 1, 1990, evening shift employees shall receive a premium of fifty cents (\$.50) per hour. Night shift employees shall receive a premium of fifty cents (\$.50) per hour, above the established rate for each classification.
- C. Effective July 1, 1991, night shift employees shall receive a premium of fifty-five cents (\$.55) per hour, above the established rate for each classification.
- D. Effective October 1, 1992, evening shift employees shall receive a premium of fifty-five cents (\$.55) per hour.
- E. Effective October 1, 1992, night shift employees shall receive a premium of sixty cents (\$.60) per hour, above the established rate for each classification.

Section 2. Superior Subordinate Pay

The Chief Executive Officer will authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his/her highest paid subordinate, when the qualifying conditions are met as provided by Section 6.10.070 of the County Code.

Section 3. Call Back

Whenever an employee is unexpectedly ordered by his/her Department Head or designated Management representative to return to work following the termination of his/her normal work shift and departure from his/her work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half (1½) of the employee's regular rate of pay. Work performed in excess of four (4) hours will be compensated for in accordance with provisions of the Overtime Article.

If an employee should complete work required, leave the work location, and subsequently be recalled during the four (4) hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four (4) hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two (2) hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 4.

At the conclusion of the term of this contract, negotiations for future MOU will include discussions on special pay practices as it relates to weekend bonus.

Section 2. Vacation For Pay Program

A. Salary Deduction

The parties agree that, for the period October 1, 1993 through June 30, 1994, 2 percent shall be deducted from the pay of each employee. This deduction shall be determined by calculating the employee's actual pay based on the pay rate provided for the employee in the salary article of this MOU plus any earned pay period bonuses stated as a percent of pay or number of additional schedules and/or levels and subtracting from the result 2 percent (8 salary levels). In the case of those employees taking part pay sick leave for all or a portion of the month no deduction shall be taken for the portion of the month in which the employee is receiving part pay sick leave.

B. Special Vacation

1. For each calendar month in which an employee receives a pay deduction as described in Paragraph A, such employee will receive .0201 of an hour of special vacation for each qualifying hour (as defined below) earned during the calendar month.
2. For purposes of this article, "qualifying hours" means hours worked during a work period, industrial disability hours covered by County benefits and paid leaves of absence including EVTO. Not included are hours while receiving long term disability benefits, absence without pay hours, overtime hours, and regular days off.

C. Vacation Usage

Any special vacation earned pursuant to Paragraph B, shall be credited to the employee on the first of the month after the month in which it is earned. The employee may use special vacation once it has been credited with the prior approval of Management.

D. Payoff of Special Vacation

On or after August 1, 1995, at the employee's option, unused special vacation may continue to be taken as time off, subject to prior Management approval, or may be converted to pay. An employee electing payment for any portion of the employee's special vacation balance, may submit a request to Management and, within 45 days of that request, shall be paid at the workday pay rate then in effect for the employee.

Any employee who terminates County employment shall be paid upon termination at the workday rate then in effect for any remaining special vacation granted pursuant to this article. It is understood that the Board of Supervisors may direct at any time prior to termination that some or all employees be paid at the workday pay rate then in effect for the employee for some or all of the unused special vacation.

Section 3..

The parties having jointly reviewed and considered available salary and wage information data, agree that independent of their relationship to prior salaries, the recommended salaries set forth herein were negotiated in good faith, and that said salaries were

determined independently of race, gender, age or national origin.

Section 4. Step Advances

- A. Full-time permanent employees in this unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's Department Head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.

- B. If no performance review is filed as defined in A. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

Where no Performance Evaluation is issued in accordance with Paragraph A. above, the employee may request his/her Department Head in writing to issue a Performance Evaluation. The Department Head shall issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his/her step advance anniversary date.

- C. Grievances arising out of this section shall be processed as follows:
 - 1. Where no Performance Evaluation has been issued in accordance with Paragraph B. above, the employee may file a grievance with the Department

of Human Resources. If the Director of Personnel fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his/her step anniversary date.

2. Where the Department Head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his/her step advance anniversary date.
3. Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the Department Head or his/her designated representative who shall respond to the grievance within ten days. Appeals from a Department Head decision shall be processed in accordance with Civil Service Rules.

- D. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section. In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

APPENDIX A

Performance Evaluations

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Evaluation of performance is not the simple preparation of an annual report, but is a continuous process involving the communication of work goals, giving instructions, assigning work, observing and evaluating work progress and the ongoing dialogue between supervisors and workers during the entire rating period.

Informal Corrective Actions

Informal corrective actions represent attempts to handle problems before they seriously hamper employee effectiveness. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

School and Child Care Activities

Any employee who is the parent, guardian, or grandparent with custody may utilize existing vacation, personal leave, compensatory time off, or leave without pay to participate in the school activities of their children who are either enrolled in kindergarten through twelfth grade or are under the age of five and enrolled in a child care or preschool program.

Civil Service Examinations

Any employee shall be allowed time necessary to be absent from work at his or her regular rate of pay to participate in civil service examinations for positions with any public entity as defined in Section 6.04.080 of the Los Angeles County Code.

Military Leave

Any employee shall be allowed a military leave of absence in accordance with the applicable provisions of law including, but not limited to, the Uniformed Services Employment and Reemployment Act, the Family and Medical Leave Act, the California Military and Veterans Code, the Los Angeles County Charter, and the Los Angeles County Code. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

Disaster Leave

In the event of a disaster emergency as defined by Section 2.68.050 of the County Code and the Emergency Ordinance, Ordinance 10493, that prevents employees from reporting to their positions, the Chief Executive Officer may grant a leave of absence with pay to such employees, subject to ratification by the Board.

APPENDIX C

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"PREGNANCY DISABILITY LEAVE

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
 - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
 - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

Employer's Contact Person at Employer's Telephone Number

- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA- eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.

- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

ARTICLE 1 PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

ARTICLE 2 RECOGNITIONSection 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, Los Angeles County Employees Association, SEIU, Local 721, was certified on April 23, 1970 by County's Employee Relations Commission (Employee Relations Commission File No. R-74-69) as the majority representative of County Employees in the ADMINISTRATIVE, TECHNICAL AND STAFF SERVICES Employee Representation Unit (hereinafter "Unit") previously found to be appropriate by said Employee Relations Commission. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007, transferring representational responsibilities to SEIU, Local 721 for bargaining units formerly represented by SEIU Local 660 and SEIU Local 535. Management hereby recognizes Los Angeles County Employees Association, SEIU, Local 721, as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit in the employee classifications comprising said Unit as listed in the Salaries Article, as well as such classes as may be added hereafter by the Employee Relations Commission.

Section 2. Exclusive Recognition

Management agrees that it shall recognize SEIU, Local 721, as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and SEIU, LOCAL 721, has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or his/her duly authorized representative [Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-2404], except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

ARTICLE 7 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2013. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2015.

Negotiations shall begin no later than March 15, 2015. If full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by April 30, 2015, an impasse shall be automatically declared on those issues which remain in dispute unless the parties mutually agree to continue negotiations.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2. Definitions

1. Wherever used the term "employee" means either employee or employees as appropriate.
2. "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.

A group grievance is a common complaint by a number of employees within the department or a unit thereof.
3. "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. SEIU, Local 721, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.

2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and

 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.

3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.

3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7. Procedures

Level 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management.

The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
- 3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
 - 4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the

Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each

party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

- Purpose
- Recognition
- Non-Discrimination
- Implementation
- Term

Renegotiation
Safety and Health
Payroll Deductions and Dues
Authorized Agents
Provisions of Law
Workplace Retraining
New Employee Orientation

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding on all parties.

Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with

the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large

number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures

or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.

Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Section 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to SEIU, Local 721 and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days. The review will include but is not limited to the cost savings, service delivery and the quality control aspects of the recommended contract(s).

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees

to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 21 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement

transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and Department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

Section 3. Civil Service Rules

Section 4. Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or, if laid off, rehire such employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A contracts.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus. In no event shall an employee receive compensation

pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.

For the purpose of this article, a classification study is a study by the Director of Personnel or by the Personnel Office of the Department, of the duties and responsibilities assigned to a position in order to determine whether the position is properly classified.

Section 2. Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf, and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3. Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4. Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide Local 721 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications, the primary duties of which are derived from Local 721 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

ARTICLE 27 PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing his/her personnel file, may request and have any written warnings or reprimand(s) issued more than two (2) years prior removed from his/her personnel file except as such may be a part of an official permanent record.

ARTICLE 28 LEAVES OF ABSENCESection 1. Medical Leave

Section 2. Educational Leave

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, educational leaves will be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university.

Section 3. Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which

disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4. Employee Organization Leave

SEIU, Local 721 requests for employee organizational leave for at least thirty (30) calendar days or more, shall be made in writing to the CEO/Employee Relations Division and to the affected Department at least ten (10) business days in advance of the leave. SEIU, Local 721 may not have more than ten (10) employees in the Bargaining Unit on leave of absence to accept employment with SEIU, Local 721. These leaves are subject to the Civil Service Rules.

The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct SEIU, Local 721 business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year. Except by mutual agreement, no more than one (1) employee shall be on such leave from any given department.

Section 5. Family Leave

- A. The parties agree that employees covered by this Memorandum of Understanding are subject to the provisions of the California Family Rights Act of 1993 (CFRA) and the Federal Family and Medical Leave Act of 1993 (FMLA), as amended and the California Fair Employment and Housing Act (FEHA) Pregnancy Disability Leave (PDL).

"Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State Law, except that a domestic partner and their children may qualify an employee as eligible for FMLA/CFRA".

- B. The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.
- C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.

- D. An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

Section 6. Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

Section 7. Other Leaves

The parties agree that employees covered by this Memorandum of Understanding are subject to other County authorized leave provisions including but not limited to: military

leave, disaster leave, leave for civil service examinations and leave for school or child day care program activities. Specific leave information is available in the Appendix.

ARTICLE 29 ENHANCED VOLUNTARY TIME-OFF PROGRAMProgram Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.
- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.

- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
 - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.
 - EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.

- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. §201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.
- B. The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.
- C. Payoff of Special Deferred CTO
On or after October 1, 2000, at the employee's option, Compensatory Time Off (CTO) accrued during the period from October 1, 1993 through and including June 30, 1994 and remaining on the books may continue to be taken as time off, subject to management approval, or may be converted to pay. An employee electing payment for any portion of such CTO accrual balance may submit a request

and within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.

- D. With Department Head (Appointing Authority) approval, an employee in the bargaining unit may elect to work up to fifty six (56) hours of FLSA overtime to be used as compensatory time off in lieu of pay. Compensatory time is accrued at the rate of one and one-half ($1 \frac{1}{2}$) hours for each hour of overtime worked. No more than forty eight (48) of compensatory time may be accrued in a calendar year. All overtime hours worked in excess of fifty six hours and accrued as compensatory time in a calendar year shall be paid.

To use compensatory time, an employee must submit a written request to the immediate supervisor at least five (5) working days prior to the first date requested to be off. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management. Accumulated compensatory time must be used by the end of the calendar year following the year in which it was earned or it shall be paid. Accrued compensatory time shall be paid prior to any promotions.

Management may direct an employee to use accumulated compensatory time provided the employee is given ten (10) business days' notice. Unless approved by

management, employees may not accrue compensatory overtime hours which are work during disaster periods or emergencies declared by the Board of Supervisors, local or federal government.

Section 2 Usage of Non-FLSA Earned Compensatory Time

- A. Employees shall not be directed by Management to take compensatory time off without at least ten (10) business days' notice or be denied a timely request to take such time off. Requests for time off will be approved based on the needs of the service as determined by Management.

- B. With prior approval of departmental management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 3 Saving Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 4 Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational work unit and work location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work.

Section 5

An employee who works a four (4) day 40 hour week schedule or a nine (9) day - 80 hour two week schedule and who uses benefit time or compensatory time to cover the balance of a day in which they receive an eight (8) hour holiday, the benefit time or compensatory time used shall be treated for purposes of overtime computation in the same manner as the eight (8) hours of County holiday time.

The parties agree to recommend jointly to the County's Board of Supervisors that employees in this Unit be paid for evening and night shift differential as follows:

- A. The evening shift is a shift at least five-eighths of which falls between 4:00 p.m. and 11:00 p.m. The night shift is a shift at least five-eighths of which falls between the hours of 9:00 p.m. and 8:00 a.m.
- B. Effective July 1, 1992, the evening shift differential shall be fifty cents (\$.50) per hour above the established rate for each classification.
- C. Effective July 1, 1992, the night shift differential shall be fifty-five (\$.55) cents per hour above the established rate for each classification.

Section 2 Call Back

Whenever an employee is unexpectedly ordered by his/her Department Head or designated Management representative to return to work following the termination of his/her normal work shift and departure from his/her work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half of the employee's regular rate of pay. Work performed in excess of four hours will be compensated for in accordance with provisions of the Overtime Article.

If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 3 Superior Subordinate Pay

The Chief Executive Officer will authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his/her highest paid subordinate, when the qualifying conditions are met as provided by Section 6.10.070 of the Los Angeles County Code.

The date that proof of completion is presented to Management that the final license has been obtained shall be the eligible date for the award of the bonus. Payment of the bonus shall be effective the second payday following the calendar month in which the Certificate is issued. For persons employed on a permanent full-time position of Inspector of Weights and Measures I or II who have already received all California State licenses shall be eligible for the bonus on the date they present proof of completion of all Certificates to Management. Payment of the bonus shall be effective the second payday following the calendar month in which the proof of completion of all Certificates is presented.

Any employee on a permanent, full-time position of Inspector of Weights & Measures I or II who successfully takes and passes a California State license examination, upon presentation of proof that the exam has been passed, shall be reimbursed the cost of each successfully passed examination.

Any permanent, full-time Inspector of Weights & Measures (Item #3091 and #3093) whose work assignment requires a Commercial Truck Drivers License shall receive a bonus of 12 levels. The bonus payment shall end when the Inspector is reassigned and a Commercial Truck Drivers License is no longer required, or when the Inspector fails to qualify for the Commercial Truck Drivers License.

Except as otherwise provided in this section, a \$0.25-per-hour bonus not to exceed a maximum of \$50.00 per month total may be paid to any person assigned regularly scheduled periods of standby service at off-duty times, which assignments cause inconvenience and restrict normal activity during such off-duty periods.

Section 2

Notwithstanding any other provision of Section 1 of this Article, persons employed in the position of Child Support Officer I (Item No. 1613) may, at the discretion of the appointing authority, be compensated at the first, second, or third step of the range. The rate(s) established by this provision constitute a base rate.

The parties having jointly reviewed and considered available salary and wage information data, agree that independent of their relationship to prior salaries, the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

Section 3 Step Advances

- a. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.
- b. If no performance review is filed as defined in a. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due. Where no Performance Evaluation is issued in accordance with Paragraph a. above, the employee may request his department in

writing to issue a Performance Evaluation. The department head shall issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

- c. Grievances arising out of this section shall be processed as follows:
 - (1) Where no Performance Evaluation has been issued in accordance with Paragraph b. above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his step anniversary date.
 - (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his step advance anniversary date.
 - (3) Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the department head or his

designated representative who shall respond to the grievance within ten days.

Appeals from a department head decision shall be processed in accordance with Civil Service Rules.

- d. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section. In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

Section 4 Vacation For Pay Program

A. Salary Deduction

The parties agree that, for the period October 1, 1993 through June 30, 1994, 2 percent shall be deducted from the pay of each employee. This deduction shall be determined by calculating the employee's actual pay based on the pay rate provided for the employee in the salary article of this MOU plus any earned pay period bonuses stated as a percent of pay or number of additional schedules and/or levels and subtracting from the result, 2 percent (8 salary levels). In the case of those employees taking part pay sick leave for all or a portion of the month no deduction shall be taken for the portion of the month in which the employee is receiving part pay sick leave.

Not included are hours while receiving long term disability benefits, absence without pay hours, overtime hours, and regular days off.

C. Vacation Usage

Any special vacation earned pursuant to Paragraph B, shall be credited to the employee on the first of the month after the month in which it is earned. The employee may use special vacation once it has been credited with the prior approval of management.

D. Payoff of Special Vacation

On or after October 1, 2000, at the employee's option, unused special vacation may continue to be taken as time off, subject to prior management approval, or may be converted to pay. An employee electing payment for any portion of the employee's special vacation balance, may submit a request to management and, within 45 days of that request, shall be paid at the workday pay rate then in effect for the employee.

Any employee who terminates County employment shall be paid upon termination at the workday rate then in effect for any remaining special vacation granted pursuant to this article. It is understood that the Board of Supervisors may direct at any time prior to termination that some or all employees be paid at the workday pay rate then in effect for the employee for some or all of the unused special vacation.

APPENDIX D

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"PREGNANCY DISABILITY LEAVE

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
 - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
 - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

"NOTICE B"FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND
PREGNANCY DISABILITY LEAVE

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

ARTICLE 1 PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

ARTICLE 2 RECOGNITIONSection 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, Los Angeles County Employees Association, SEIU, Local 721, was certified on April 23, 1970, by County's Employee Relations Commission (Employee Relations Commission File No. R-74-69) as the majority representative of County Employees in the SUPERVISING ADMINISTRATIVE, TECHNICAL AND STAFF SERVICES Employee Representation Unit (hereinafter "Unit") previously found to be appropriate by said Employee Relations Commission. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007, transferring representational responsibilities to SEIU, Local 721 for bargaining units formerly represented by SEIU Local 660 and SEIU Local 535. Management hereby recognizes Los Angeles County Employees Association, SEIU, Local 721, as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit in the employee classifications comprising said Unit as listed in the Salaries Article, as well as such classes as may be added hereafter by the Employee Relations Commission.

Section 2. Exclusive Recognition

Management agrees that it shall recognize SEIU, Local 721, as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and SEIU, LOCAL 721, has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or his/her duly authorized representative [Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-2404], except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

- B. The SEIU, Local 721 principal authorized agent shall be the Executive Director, or his/her duly authorized representative (Address: 1545 Wilshire Blvd, Los Angeles, California 90017; Telephone: (213) 368-8660).

ARTICLE 5 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither SEIU, Local 721, nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 6 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721 and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

ARTICLE 7 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2013. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2015.

ARTICLE 8 RENEGOTIATION

In the event either party hereto desires to negotiate the provisions of a successor Memorandum of Understanding, such party shall serve upon the other its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding, during the period of February 15 to February 28, 2015.

Negotiations shall begin no later than March 15, 2015. If full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by April 30, 2015, an impasse shall be automatically declared on those issues which remain in dispute unless the parties mutually agree to continue negotiations.

ARTICLE 9 WORK RELEASE FOR NEGOTIATIONS

It is the intent of the parties to engage in good faith negotiations and endeavor to reach agreement on a successor Memorandum of Understanding.

The Chief Executive Office/Employee Relations Division will meet and consult with SEIU, Local 721 thirty (30) calendar days prior to the commencement of negotiations for the purpose of obtaining information to ensure the release of a reasonable number of departmental employee representatives to attend and participate in successor contract negotiations.

For employees working on an evening or night shift the Chief Executive Office/Employee Relations Division will coordinate temporary work schedule/shift changes with Departments subject to operational considerations to facilitate negotiations for a successor MOU.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

SEIU, Local 721 shall provide a final list containing the names and departments for bargaining committee members (regular members and alternates) to the Chief Executive Office/Employee Relations Division at least thirty (30) days prior to the commencement of negotiations.

ARTICLE 10 COORDINATED BARGAINING

The parties agree that coordinated bargaining shall take place between the County and SEIU's SEIU, Local 721 Bargaining Policy Committee. Such bargaining shall include general salary movement, employee benefits, term, and common language provisions. Common language provisions shall be included in the individual unit MOUs.

Individual unit tables will continue to bargain economic matters including special pay practices, bonuses, recruitment and retention adjustments, step increases, differentials, and other compensation unique to their MOU's. The parties agree that the Fringe Benefits MOU will continue to be bargained between the County and SEIU's SEIU, Local 721 Bargaining Policy Committee.

ARTICLE 11 GRIEVANCE PROCEDURESection 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2. Definitions

1. Wherever used the term "employee" means either employee or employees as appropriate.
2. "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.

A group grievance is a common complaint by a number of employees within the department or a unit thereof.
3. "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. SEIU, Local 721, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of

any employee, discuss the employee's complaint with him/her at a mutually satisfactory time.

2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and
 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.

2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her

duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.

4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.
3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the

interpretation or application of the specific terms and provisions of the Memorandum of Understanding.

5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7. Procedures

Level 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management. The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
- 3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
 - 4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the

Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each

party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
 - Purpose
 - Recognition
 - Non-Discrimination
 - Implementation

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or SEIU, Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, SEIU, Local 721, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the

principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee

or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures

or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
 - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
 - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2. Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3. Religious Objections

Any employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 4. Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit. It is the intent of the parties that the agency shop provisions in the Memorandum of Understanding comply with applicable state law (Government Code Section 3502.5).

Section 5. Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Section 6. Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period May 10 through May 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7. Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8. Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9. List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents.

The list shall contain the name, employee number, date of hire into the Unit, item step, salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. Such list shall include new hires, and employees promoted, demoted or transferred into the Bargaining Unit. The semi-monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.

ARTICLE 17 MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVERSection 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond

the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 20 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to SEIU, Local 721 and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days. Additionally, prior to the release of any Government Code Section 31000.4 and Proposition A contract RFP, the parties agree to jointly review and consult on said contracts. The review will include but is not limited to the cost savings, service delivery and the quality control aspects of the recommended contract(s).

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees

to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 21 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 22 ALTERNATIVES TO LAYOFFSSection 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement

transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and Department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

Section 3 Civil Service Rules

Nothing in Section 1 and 2 of this Article shall limit the Director of Human Resources or the appointing authority's discretion to implement layoffs pursuant to Civil Service Rules.

Section 4 Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or, if laid off, rehire such employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A contracts.

Section 5 Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days' notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 23 EMPLOYEE BENEFITS

The parties agree that the provisions of the Memoranda of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and SEIU, Local 721, in effect during the term of this agreement shall apply to employees in this Unit.

ARTICLE 24 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Any permanent, full-time employee shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities of a higher level which are assigned or approved by the Department Head or designated Management representative and approved by the Chief Executive Office.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the additional responsibilities bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus. In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

ARTICLE 25 OUT-OF-CLASS ASSIGNMENTSSection 1. Definition

- A. For the purpose of this Article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated vacant*, funded position in one class by an individual in another class.
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

*For the purpose of this article, vacancies due to leaves of absence shall be defined as in County Code Section 6.20.110.

return the employee to an assignment in his/her own class. If such return is made within thirty (30) calendar days of the request for relief, no bonus under this article is to be paid; or

pay the employee the bonus. The bonus is paid from the date of request for relief, and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.
- B. Nothing in this article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training.

Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.
- D. Upon the employee's written request a written confirmation of his/her out-of-class assignment shall be placed in the employee's personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.
- E. Grievances filed under this article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 26 POSITION CLASSIFICATION STUDYSection 1. Definition and Authority

For the purpose of this article, a classification study is a study by the Director of Personnel or by the Personnel Office of the Department, of the duties and responsibilities assigned to a position in order to determine whether the position is properly classified.

Section 2. Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf, and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3. Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4. Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide SEIU, Local 721 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications; the primary duties of which are derived from SEIU, Local 721 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of SEIU, Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

ARTICLE 27 PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing his/her personnel file, may request and have any written warnings or reprimand(s) issued more than two (2) years prior removed from his/her personnel file except as such may be a part of an official permanent record.

ARTICLE 28 LEAVES OF ABSENCESection 1. Medical Leave

Pursuant to applicable provisions of the Civil Service Rules, County Code, and other law, medical leaves of absence will be granted by the employee's Department Head upon request only upon submission of a doctor's certificate or other satisfactory medical evidence of the employee's need for such leave.

Section 2. Educational Leave

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, educational leaves will be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university.

Section 3. Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which

disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4. Employee Organization Leave

SEIU, Local 721 requests for employee organizational leave for at least thirty (30) calendar days or more, shall be made in writing to the CEO/Employee Relations Division and to the affected Department at least ten (10) business days in advance of the leave. SEIU, Local 721 may not have more than ten (10) employees in the Bargaining Unit on leave of absence to accept employment with SEIU, Local 721. These leaves are subject to the Civil Service Rules.

The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct SEIU, Local 721 business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year. Except by mutual agreement, no more than one (1) employee shall be on such leave from any given department.

Section 5. Family Leave

- A. The parties agree that employees covered by this Memorandum of Understanding are subject to the provisions of the California Family Rights Act of 1993 (CFRA) and the Federal Family and Medical Leave Act of 1993 (FMLA), as amended and the California Fair Employment and Housing Act (FEHA) Pregnancy Disability Leave (PDL).

"Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State Law, except that a domestic partner and their children may qualify an employee as eligible for FMLA/CFRA".

- B. The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.
- C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.
- D. An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

Section 6. Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

Section 7. Other Leaves

The parties agree that employees covered by this Memorandum of Understanding are subject to other County authorized leave provisions including but not limited to: military leave, disaster leave, leave for civil service examinations and leave for school or child day care program activities. Specific leave information is available in the Appendix.

ARTICLE 29 ENHANCED VOLUNTARY TIME-OFF PROGRAMProgram Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.
- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the

departments in determining projected savings.

- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
 - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.
 - EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule

occasional EVTO days to avoid loss of pay for weekend and holiday days.

- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
 - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
 - After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.
 - Retirement service credit will not accrue during this period.

- FLSA Non-exempt employees may request EVTO in increments as little as one hour.
- FLSA Exempt employees must request EVTO in full work day increments.
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.
- Department Heads may continue to approve other unpaid leave of absences.
- If the employee's request is not approved, Management will respond in writing to the employee giving the reason(s) for denial.

ARTICLE 53 OVERTIMESection 1 Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. §201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.
- B. The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.
- C. Payoff of Special Deferred CTO
On or after October 1, 2000, at the employee's option, Compensatory Time Off (CTO) accrued during the period from October 1, 1993 through and including June 30, 1994 and remaining on the books may continue to be taken as time off, subject to management approval, or may be converted to pay. An employee electing payment for any portion of such CTO accrual balance may submit a request and within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.

- D. With Department Head (Appointing Authority) approval, an employee in the bargaining unit may elect to work up to fifty six (56) of FLSA overtime to be used as compensatory time off in lieu of pay. Compensatory time is accrued at the rate of one and one-half ($1 \frac{1}{2}$) hours for each hour of overtime worked. No more than forty eight (48) hours of compensatory time may be accrued in a calendar year. All overtime hours worked in excess of fifty six (56) hours and accrued as compensatory time in a calendar year shall be paid.

To use compensatory time, an employee must submit a written request to the immediate supervisor at least five (5) working days prior to the first date requested to be off. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management. Accumulated compensatory time must be used by the end of the calendar year following the year in which it was earned or it shall be paid. Accrued compensatory time shall be paid prior to any promotions.

Management may direct an employee to use accumulated compensatory time provided the employee is given ten (10) business days' notice. Unless approved by management, employees may not accrue compensatory overtime hours which are work during disaster periods or emergencies declared by the Board of Supervisors, local or federal government.

Section 2 Usage of Non-FLSA Earned Compensatory Time

- A. Employees shall not be directed by Management to take compensatory time off without at least ten (10) business days' notice or be denied a timely request to take such time off. Requests for time off will be approved based on the needs of the service as determined by Management.

- B. With prior approval of departmental management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 3 Saving Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 4 Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational work unit and work

location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work.

Section 5

An employee who works a four (4) day - 40 hour week schedule or a nine (9) day - 80 hour two week schedule and who uses benefit time or compensatory time to cover the balance of a day in which they receive an eight (8) hour holiday, the benefit time or compensatory time used shall be treated for purposes of overtime computation in the same manner as the eight (8) hours of County holiday time.

ARTICLE 54 SPECIAL PAY PRACTICESSection 1 Night Shift Differential

The parties agree to recommend jointly to the County's Board of Supervisors that employees in this Unit be paid for evening and night shift differential as follows:

- A. The evening shift is a shift at least five-eighths of which falls between 4:00 p.m. and 11:00 p.m. The night shift is a shift at least five-eighths of which falls between the hours of 9:00 p.m. and 8:00 a.m.
- B. Effective July 1, 1992, the evening shift differential shall be fifty cents (\$.50) per hour above the established rate for each classification.
- C. Effective July 1, 1992, the night shift differential shall be fifty-five (\$.55) cents per hour above the established rate for each classification.

Section 2 Call Back

Whenever an employee is unexpectedly ordered by his/her Department Head or designated Management representative to return to work following the termination of his/her normal work shift and departure from his/her work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half of the employee's regular rate of pay. Work performed in excess of four hours will be compensated for in accordance with provisions of the Overtime Article.

If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 3 Superior Subordinate Pay

The Chief Executive Officer will authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his/her highest paid subordinate, when the qualifying conditions are met as provided by Section 6.10.070 of the Los Angeles County Code.

Section 4 California State License Bonus

The date that proof of completion is presented to Management that the final license has

been obtained shall be the eligible date for the award of the bonus. Payment of the bonus shall be effective the second payday following the calendar month in which the Certificate is issued. For persons employed on a permanent full-time position of Inspector of Weights and Measures I or II who have already received all California State licenses shall be eligible for the bonus on the date they present proof of completion of all Certificates to Management. Payment of the bonus shall be effective the second payday following the calendar month in which the proof of completion of all Certificates is presented.

Any employee on a permanent, full-time position of Inspector of Weights & Measures I or II who successfully takes and passes a California State license examination, upon presentation of proof that the exam has been passed, shall be reimbursed the cost of each successfully passed examination.

Any permanent, full-time Inspector of Weights & Measures (Item #3091 and #3093) whose work assignment requires a Commercial Truck Drivers License shall receive a bonus of 12 levels. The bonus payment shall end when the Inspector is reassigned and a Commercial Truck Drivers License is no longer required, or when the Inspector fails to qualify for the Commercial Truck Drivers License.

Except as otherwise provided in this section, a \$0.25-per-hour bonus not to exceed a maximum of \$50.00 per month total may be paid to any person assigned regularly scheduled periods of standby service at off-duty times, which assignments cause inconvenience and restrict normal activity during such off-duty periods.

Assignment to such standby service requires the prior annual authorization of the chief executive officer, and payment of the bonus for standby service requires the finding of the chief executive officer that said service meets the standards set forth in this section.

APPENDIX B

Performance Evaluations

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. APPENDIX D

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:
Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29

C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"PREGNANCY DISABILITY LEAVE

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
 - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
 - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

"NOTICE B"FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND
PREGNANCY DISABILITY LEAVE

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

ARTICLE 1 PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation, and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

ARTICLE 2 RECOGNITIONSection 1

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, LACEA, SEIU, Local 721, and Local 434, SEIU, as a Joint Council, were certified on October 17, 1969, by County's Employee Relations Commission (Employee Relations Commission File No. R-8-69) as the majority representative of County employees in the Building Custodians Employee Representation Unit (hereinafter the "Unit") previously found to be appropriate by said Employee Relations Commission. On March 26, 1993, Local 434 was designated as the sole representative. Effective January 15, 2000, the Employee Relations Commission recognized LACEA, SEIU, Local 721, as the majority representative of County employees in this Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit in the employee classifications comprising said Unit as listed in the Salaries Article, as well as such classes as may be added hereafter by the Employees Relations Commission. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007, transferring representational responsibilities to SEIU, Local 721 for bargaining units formerly represented by SEIU, Local 721 and SEIU, Local 535. Management hereby recognizes Los Angeles County Employees Association, SEIU, Local 721, as the certified majority representative of the employees in said Unit.

Section 2 Exclusive Recognition

Management agrees that it shall recognize SEIU, Local 721 as the exclusive representative of the employees in said Unit when County rules, regulations, or laws are amended, and SEIU, Local 721 has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof, and;
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721 and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

ARTICLE 7 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2013. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2015.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

Such bargaining shall include general salary movement, employee benefits, term, and common language provisions. Common language provisions shall be included in the individual unit MOUs.

Individual unit tables will continue to bargain economic matters including special pay practices, bonuses, recruitment and retention adjustments, step increases, differentials, and other compensation unique to their MOUs. Level 2 Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3

Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.
- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8 Arbitration

- 1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.
- 2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:

- A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.

- D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they

will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.
7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
 - Purpose
 - Recognition
 - Non-Discrimination
 - Implementation Term
 - Renegotiation
 - Safety and Health

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both SEIU, Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or SEIU, Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by

Management, SEIU, Local 721, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, Local 721, SEIU, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.

- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working

conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established

procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
-
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum-of Understanding.
 - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:

- A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.
 - B. The parties agree that: 1) no stenographic record of the hearing will be made; 2) there will be no representation by counsel except for in-house staff counsel; and 3) there will be no post hearing briefs.
- 6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
 - 7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
 - 8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.

9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.
11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, semi-monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made or who is subject to an automatic Fair Share Fee or Agency Fee deduction pursuant to an agency shop provision.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2 Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3 Religious Objections

An employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 4 Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit. It is the intent of the parties that the agency shop provisions in the Memorandum of Understanding comply with applicable state law (Government Code Section 3502.5).

Section 5 Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Section 6 Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period May 10 through May 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7 Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8 Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9 List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents. The list shall contain the name, employee number, date of hire into the Unit, item step, salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. Such list shall include new hires, and employees promoted, demoted or transferred into the Bargaining Unit. The semi-monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.

Section 10 Indemnification Clause

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

ARTICLE 16 NEW EMPLOYEE ORIENTATION

Subject to prior approval of the Department Head, SEIU, Local 721 representatives shall be notified of and participate in new employee orientation on County time for the sole purpose of providing employees information regarding SEIU, Local 721 Union membership.

This Article shall be subject to advisory arbitration.

ARTICLE 17 MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Section 1

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 20 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to SEIU, Local 721 and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days. Additionally, prior to the release of any Government Code Section 31000.4 and Proposition A contract RFP, the parties agree to jointly review and consult on said contracts. The review will include but is not limited to the cost savings, service delivery and the quality control aspects of the recommended contract(s).

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected

employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 21 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 22 ALTERNATIVES TO LAYOFFS

Section 1 Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) Discontinuing non-County contracted temporary personnel (Government Code Section 31000 et. seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) Take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2 Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for

employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and Department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

Section 3 Civil Service Rules

Nothing in Section 1 and 2 of this Article shall limit the Director of Human Resources or the appointing authority's discretion to implement layoffs pursuant to Civil Service Rules.

Section 4 Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or, if laid off, rehire such employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A contracts.

Section 5 Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business day's notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 23 EMPLOYEE BENEFITS

The parties agree that the provisions of the Memoranda of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and SEIU, Local 721, in effect during the term of this agreement shall apply to employees in this Unit.

ARTICLE 24 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Any permanent, full-time employee shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities of a higher level which are assigned or approved by the Department Head or designated Management representative and approved by the Chief Executive Office.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the additional responsibilities bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for

the additional responsibilities bonus. In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

ARTICLE 25 OUT-OF-CLASS ASSIGNMENTS

Section 1 Definition

- A. For the purpose of this Article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated vacant¹, funded position in one class by an individual in another class.
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

Section 2 Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:
- appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

¹For the purpose of this article, vacancies due to leaves of absence shall be defined as in County Code Section 6.20.110.

return the employee to an assignment in his/her own class. If such return is made within thirty (30) calendar days of the request for relief, no bonus under this article is to be paid; or

pay the employee the bonus. The bonus is paid from the date of request for relief, and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3 Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.

- B. Nothing in this article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training.

Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

Section 2 Intent

It is the intention of the parties that this article is included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3 Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4 Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. - EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.
- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
 - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.

- Retirement service credit will not accrue during this period.
- FLSA Non-exempt employees may request EVTO in increments as little as one hour.

"Hours worked" will be calculated as provided for by the Fair Labor Standards Acts, 29 U.S.C. §201, et. seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.
- B. The County will pay employees for any overtime worked at a rate of one and one-half (1½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.
- C. Upon the effective date of this Memorandum of Understanding, and at the discretion of Management, an employee may accrue compensatory time off, in lieu of pay, at a rate of one and one-half (1½) hours for each hour of overtime to a maximum of 54 hours worked. The employee may request this option when the employee works overtime. Management shall not decide to order or authorize overtime based on the employee's preference of pay or compensatory

time off. Notwithstanding the provisions of this Section 1, employees of the Department of Internal Services shall not accrue compensatory time off in lieu of pay.

Section 2 Usage Earned Compensatory Time-Non Exempt Employees

- A. Effective with the implementation of this MOU, with prior approval of Management, new accumulated compensatory time off not used during the calendar year in which it is earned may be carried over for up to one year, not to exceed 81 hours of new accumulated compensatory time. Compensatory time not used within the above period shall be paid to the employee as provided by the Fair Labor Standards Act rather than lost.

Employees shall not be directed by Management to take non-FLSA compensatory time off without at least ten (10) business days prior notice. An employee shall be permitted to use such time off within a reasonable period after submitting a written request for time off, providing such time off does not unduly disrupt departmental operations

Section 3 Exempt Employees

If during the term of this Agreement, any bargaining unit employee is determined to be exempt, as defined by the Fair Labor Standards Act, the parties shall meet and consult regarding overtime coverage and the overtime rate to be applied to said employees.

Section 4 Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work. Permanent full-time employees shall have first choice of overtime work providing a specialized skill or ability is not required.

Section 5 Savings Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 6

Notwithstanding any other provisions of this Memorandum of Understanding:

- A. Between October 1, 1993 and June 30, 1994 only, all overtime shall be compensated with compensatory time off (CTO) as provided for in subparagraphs (1) (4), below.

1. To the extent such time would have qualified for time and one-half pay under other provisions of this MOU (including time and one-half pay at the employee's option), such time shall be compensated with time and one-half OT, subject only to the maximum accumulation of 240 hours or 480 hours for employees working in a public safety activity, an emergency response activity or a seasonal activity as defined by Fair Labor Standards Act regulations.
 2. To the extent such time would have qualified for straight time pay under other provisions of this MOU, such time shall be compensated with straight time OT.
 3. Such to either (a) may be taken off at the request of an employee subject to Management approval or (b) shall be maintained "on the book."
 4. Nothing in this paragraph is intended to alter the definition of "overtime" as set forth elsewhere in this MOU or the circumstances under which overtime compensation must be paid.
- B. All overtime worked on or after July 1, 1994, shall be subject to the overtime provisions in effect on September 30, 1993.

- C. On or after October 1, 2000, at the employee's option, time "on the books" may continue to be taken as time off, subject to Management approval, or may be converted to pay. An employee electing payment for any portion of his or her OT accrual balance may subject a request and, within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.
- D. Time accrued between October 1, 1993, and June 30, 1994, shall be taken off only at the request of the employee. For any OT accrued during other periods, nothing in this Section shall be construed to limit Management's authority to direct any employee to take accumulated OT as provided elsewhere in this MOU.
- E. July 1, 1994 through June 30, 1995, the Board of Supervisors may pay for OT accrued between October 1, 1993 and June 30, 1994 at the rate of pay then in effect for the employee.

Section 2 Step Advances

- A. Full-time permanent employees in this unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better performance evaluation has been filed by the employee's department. The performance evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.
- B. If no performance review is filed as defined in an above or if an employee receives an improvement needed performance evaluation, the employee's step advance will not be granted on the date due.

Where no performance evaluation is issued in accordance with Paragraph A above, the employee may request his department head in writing to issue a performance evaluation. The department head shall issue a performance

evaluation within five (5) days of the employee request. If said evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

Section 3

The parties having jointly reviewed and considered available salary and wage information data, agree that the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

APPENDIX A

Performance Evaluations

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Evaluation of performance is not the simple preparation of an annual report, but is a continuous process involving the communication of work goals, giving instructions, assigning work, observing and evaluating work progress and the ongoing dialogue between supervisors and workers during the entire rating period.

Informal Corrective Actions

Informal corrective actions represent attempts to handle problems before they seriously hamper employee effectiveness. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

School and Child Care Activities

Any employee who is the parent, guardian, or grandparent with custody may utilize existing vacation, personal leave, compensatory time off, or leave without pay to participate in the school activities of their children who are either enrolled in kindergarten through twelfth grade or are under the age of five and enrolled in a child care or preschool program.

Civil Service Examinations

Any employee shall be allowed time necessary to be absent from work at his or her regular rate of pay to participate in civil service examinations for positions with any public entity as defined in Section 6.04.080 of the Los Angeles County Code.

Military Leave

Any employee shall be allowed a military leave of absence in accordance with the applicable provisions of law including, but not limited to, the Uniformed Services Employment and Reemployment Act, the Family and Medical Leave Act, the California Military and Veterans Code, the Los Angeles County Charter, and the Los Angeles County Code. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

Disaster Leave

In the event of a disaster emergency as defined by Section 2.68.050 of the County Code and the Emergency Ordinance, Ordinance 10493, that prevents employees from reporting to their positions, the Chief Executive Officer may grant a leave of absence with pay to such employees, subject to ratification by the Board.

APPENDIX C

EMPLOYEE RIGHTS AND RESPONSIBILITIES

UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
 - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
 - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

ARTICLE 1 PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

ARTICLE 2 RECOGNITION

Section 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, Los Angeles County Employees Association, SEIU, Local 721, was certified on April 23, 1970 by County's Employee Relations Commission (Employee Relations Commission File No. R-74-69) as the majority representative of County Employees in the INSTITUTIONAL SUPPORT SERVICES Employee Representation Unit (hereinafter "Unit") previously found to be appropriate by said Employee Relations Commission. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007, transferring representational responsibilities to SEIU, Local 721 for bargaining units formerly represented by SEIU Local 660 and SEIU, Local 535. Management hereby recognizes Los Angeles County Employees Association, SEIU, Local 721 as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit in the employee classifications comprising said Unit as listed in the Salaries Article, as well as such classes as may be added hereafter by the Employee Relations Commission.

Section 2. Exclusive Recognition

Management agrees that it shall recognize SEIU, Local 721, as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and SEIU, LOCAL 721, has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or his/her duly authorized representative [Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-2404], except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

- B. The SEIU, Local 721 principal authorized agent shall be the, Executive Director, or his/her duly authorized representative (Address: 1545 Wilshire Blvd, Los Angeles, California 90017; Telephone: (213) 368-8660).

ARTICLE 5 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither SEIU, Local 721, nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 6 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721 and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, or disability status or other factors not directly related to the successful performance of the job.

ARTICLE 7 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2013. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2015.

ARTICLE 8 RENEGOTIATION

In the event either party hereto desires to negotiate the provisions of a successor Memorandum of Understanding, such party shall serve upon the other its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding, during the period of February 15 to February 28, 2015.

Negotiations shall begin no later than March 15, 2015. If full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by April 30, 2015, an impasse shall be automatically declared on those issues which remain in dispute unless the parties mutually agree to continue negotiations.

ARTICLE 9 WORK RELEASE FOR NEGOTIATIONS

It is the intent of the parties to engage in good faith negotiations and endeavor to reach agreement on a successor Memorandum of Understanding.

The Chief Executive Office/Employee Relations Division will meet and consult with SEIU, Local 721 thirty (30) calendar days prior to the commencement of negotiations for the purpose of obtaining information to ensure the release of a reasonable number of departmental employee representatives to attend and participate in successor contract negotiations.

For employees working on an evening or night shift the Chief Executive Office/Employee Relations Division will coordinate temporary work schedule/shift changes with Departments subject to operational considerations to facilitate negotiations for a successor MOU.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

SEIU, Local 721 shall provide a final list containing the names and departments for bargaining committee members (regular members and alternates) to the Chief Executive Office/Employee Relations Division at least thirty (30) days prior to the commencement of negotiations.

ARTICLE 10 COORDINATED BARGAINING

The parties agree that coordinated bargaining shall take place between the County and SEIU's Local 721 Bargaining Policy Committee. Such bargaining shall include general salary movement, employee benefits, term, and common language provisions. Common language provisions shall be included in the individual unit MOUs.

Individual unit tables will continue to bargain economic matters including special pay practices, bonuses, recruitment and retention adjustments, step increases, differentials, and other compensation unique to their MOU's. Individual unit tables will also continue to bargain operational issues such as transfers, caseloads, training and other matters which are unique to their MOU's

The parties agree that the Fringe Benefits MOU will continue to be bargained between the County and SEIU's Local 721 Bargaining Policy Committee.

ARTICLE 11 GRIEVANCE PROCEDURE

Section 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2. Definitions

1. Wherever used the term "employee" means either employee or employees as appropriate.
2. "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.

A group grievance is a common complaint by a number of employees within the department or a unit thereof.
3. "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. SEIU, Local 721, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.
2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and
 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.

2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from

his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.

4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.
3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly

involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.

5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7. Procedures

Level 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management. The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.
- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

- 1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
 - C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.

- D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will

select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
 - Purpose
 - Recognition
 - Non-Discrimination
 - Implementation
 - Term
 - Renegotiation
 - Safety and Health

Payroll Deductions and Dues

Authorized Agents

Provisions of Law

Workplace Retraining

New Employee Orientation

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding

on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.
- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working

conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
- 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:

- A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.
 - B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
- 6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
 - 7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
 - 8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
 - 9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2. Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7. Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8. Implementation

Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9. List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents. The list shall contain the name, employee number, date of hire into the Unit, item step, salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Section 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such

changes as soon as practicable. Such emergency assignments shall not extend beyond the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 20 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to SEIU, Local 721 and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days. Additionally, prior to the release of any Government Code Section 31000.4 and Proposition A contract RFP, the parties agree to jointly review and consult on said contracts. The review will include but is not limited to the cost savings, service delivery and the quality control aspects of the recommended contract(s).

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 21 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 22 ALTERNATIVES TO LAYOFFSSection 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and

enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and Department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

Section 3. Civil Service Rules

Nothing in Section 1 and 2 of this Article shall limit the Director of Human Resources or the appointing authority's discretion to implement layoffs pursuant to Civil Service Rules.

Section 4. Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or, if laid off, rehire such

employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A contracts.

Section 5. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days' notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 23 EMPLOYEE BENEFITS

The parties agree that the provisions of the Memoranda of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and SEIU, Local 721, in effect during the term of this agreement shall apply to employees in this Unit.

ARTICLE 24 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Any permanent, full-time employee shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities of a higher level which are assigned or approved by the Department Head or designated Management representative and approved by the Chief Executive Office.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the additional responsibilities bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the

additional responsibilities' bonus. In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

ARTICLE 25 OUT-OF-CLASS ASSIGNMENTS

Section 1. Definition

- A. For the purpose of this Article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated vacant*, funded position in one class by an individual in another class.

- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

*For the purpose of this article, vacancies due to leaves of absence shall be defined as in County Code Section 6.20.110.

pay the employee the bonus. The bonus is paid from the date of request for relief, and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.
- B. Nothing in this article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or

to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training.

Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.

ARTICLE 26 POSITION CLASSIFICATION STUDYSection 1. Definition and Authority

For the purpose of this article, a classification study is a study by the Director of Personnel or by the Personnel Office of the Department, of the duties and responsibilities assigned to a position in order to determine whether the position is properly classified.

Section 2. Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf, and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3. Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4. Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide Local 721 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications, the primary duties of which are derived from Local 721 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

ARTICLE 27 PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been

exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing his/her personnel file, may request and have any written warnings or reprimand(s) issued more than two (2) years prior removed from his/her personnel file except as such may be a part of an official permanent record.

ARTICLE 28 LEAVES OF ABSENCESection 1. Medical Leave

Section 2. Educational Leave

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, educational leaves will be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university.

Section 3. Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which

disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4. Employee Organization Leave

SEIU, Local 721 requests for employee organizational leave for at least thirty (30) calendar days or more, shall be made in writing to the CEO/Employee Relations Division and to the affected Department at least ten (10) business days in advance of the leave. SEIU, Local 721 may not have more than ten (10) employees in the Bargaining Unit on leave of absence to accept employment with SEIU, Local 721. These leaves are subject to the Civil Service Rules.

The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct SEIU, Local 721 business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year. Except by mutual agreement, no more than one (1) employee shall be on such leave from any given department.

Section 5. Family Leave

- A. The parties agree that employees covered by this Memorandum of Understanding are subject to the provisions of the California Family Rights Act of 1993 (CFRA) and the Federal Family and Medical Leave Act of 1993 (FMLA), as amended and the California Fair Employment and Housing Act (FEHA) Pregnancy Disability Leave (PDL).

"Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State Law, except that a domestic partner and their children may qualify an employee as eligible for FMLA/CFRA".

- B. The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.
- C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.
- D. An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

Section 6. Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

Section 7. Other Leaves

The parties agree that employees covered by this Memorandum of Understanding are subject to other County authorized leave provisions including but not limited to: military leave, disaster leave, leave for civil service examinations and leave for school or child day care program activities. Specific leave information is available in the Appendix.

ARTICLE 29 ENHANCED VOLUNTARY TIME-OFF PROGRAMProgram Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.
- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the

departments in determining projected savings.

- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
 - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.
 - EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.

- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
 - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
 - After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.
 - Retirement service credit will not accrue during this period.

- FLSA Non-exempt employees may request EVTO in increments as little as one hour.
- FLSA Exempt employees must request EVTO in full work day increments.
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.
- Department Heads may continue to approve other unpaid leave of absences.

A. OPTIONS/SALARY – COORDINATED BARGAINING

At SEIU, Local 721's sole option, the Union may re-open the 2003-2006 Fringe Benefit MOU (Article 8, Options) and the Individual Unit Contracts (Salary Article) for the purpose of negotiating a shift of general movement salary dollars to increase the County's Options (Health Insurance) contribution in 2005 and/or 2006.

Section 2

- A. The parties agree that, when the County determines that it will contract out a service, the County will establish a reduction-in-work force plan which will identify impact on employees as a result of such contracting. The Union agrees to cooperate with Management to facilitate the orderly transition of permanent, full-time, non-probationary employees who have a competent performance evaluation on file, any of the classes listed herein who are affected by contracting out. The Union may, on request of Management, designate a Local 721 staff representative to assist Management to implement the transition program including counseling and encouraging employees to cooperate. Management shall on request of Local 721 consult on this program.
- B. In consideration of A above, the parties agree to the following:
1. The County will establish a training or retraining program for employees affected by contracting out;
- OR
2. The County may involuntarily transfer employees from affected classes to other classes and, upon request of Local 721, will consult on the transfer. When Management deems it appropriate, employees may be Y-rated;

OR

3. The County may effect involuntary reductions of employees impacted by contracting out when such involuntary reduction is to a position which is paid no less than 15% below the employee's current position;

OR

4. Employees who resign to accept employment with a successful contractor may be granted up to a 6-month leave of absence without pay. The sole purpose of this leave would be to provide for a continuation of the County's employee health and dental benefit subsidies during this period;

OR

5. An employee who resigns from the County as a result of the County's contracting out program may participate in a County approved training or retraining program up to one year with County advanced or reimbursed tuition payments;

OR

6. Impacted employees who have at least five years' continuous permanent service in the County who elect resignation or retirement in lieu of layoffs, may receive one week's severance pay for each full year of County service.

- C. Notwithstanding any other provision of this Article, any employee who is offered and refuses to participate in any program designed for an orderly transition or does not successfully complete any of the programs in B above or who refuses an employment offer with the contractor may be separated from County service with the Department Head's endorsement.

Section 3

- A. Senior Cook - Any person employed in the Sheriff's Department item of Senior Cook (Item No. 6399) shall be entitled to compensation at a rate two schedules higher than that established for such position as provided in the Salaries Article of this Memorandum of Understanding.

- B. Any person employed on a permanent, full-time position of Senior Cook (Item No. 6399) who is permanently assigned to a probation campsite shall be entitled to compensation at a rate of 22 levels higher than that established for said position as provided in the Salaries Article of this Memorandum of Understanding.

Section 4 Step Advances

- A. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.
- B. If no performance review is filed as defined in (a) above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

Where no Performance Evaluation is issued in accordance with Paragraph (a) above, the employee may request his department in writing to issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

- C. Grievances arising out of this section shall be processed as follows:
- (1) Where no Performance Evaluation has been issued in accordance with Paragraph (b) above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human

Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his step anniversary date.

- (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his step advance anniversary date.
- (3) Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the department head or his designated representative who shall respond to the grievance within ten days.

Appeals from a department head decision shall be processed in accordance with Civil Service Rules.

- D. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section. In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

Section 5 Special Step Advance

Effective October 1, 1992, employees in this Unit holding positions compensated at Schedule 47J or below shall be advanced to the second step of the salary range upon completion of six months' continuous service pursuant to Section 6.08.010 of the County Code. Additionally, effective August 1, 1993, employees in this Unit holding positions compensated at Schedule 48F or below shall be advanced to the second step of the salary range upon completion of six months' continuous service pursuant to Section 6.08.010 of the County Code.

Section 6

The parties having jointly reviewed and considered available salary and wage information data, agree that the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

ARTICLE 60 WORKLOAD

Section 1 Commitment

Management and the Department's BU 211 County employees agree that there should be adequate staff to provide safe patient and client care.

Section 2 Equitable Workload

Based upon operational needs and skills and competencies, Management will assign work equitably.

Section 3 Resolution of Complaints

When an employee believes that he/she has been persistently overworked, that employee may protest the work assignment to the immediate supervisor, but a good faith effort must be made to comply with the work assignment. Such protest shall be submitted in writing at the end of the shift. Management shall investigate the complaint and if this situation continues beyond the second day, the employee may proceed through the grievance procedure by filing a grievance at the second level. When Management agrees that an overwork situation exists, action will be taken within the grievance time limits to remedy the overwork situation. If Management denies that the employee is overworked, and the employee believes that the overwork situation continues, the employee may appeal that decision through the grievance procedure.

ARTICLE 61BU 211 DEPARTMENTAL JOINT LABOR MANAGEMENT
COMMITTEE

The parties agree to establish a Joint Labor-Management Committee to consult on issues of concern specifically pertaining to unit members in accordance with Employee Relations Ordinance 5.04.090.

The committee shall be limited to a total of six (6) members, unless the parties mutually agree otherwise. Three (3) members shall be appointed by Management and a total of three (3) unit members appointed by the Union shall make up the committee.

The meetings shall be quarterly and shall commence within thirty (30) days of the ratification of the contract. If the meeting must be cancelled or postponed by either party, every effort will be made to immediately reschedule the meeting to a date and time agreeable to both parties.

Both the Union and Management must mutually agree to the scheduling of any committee meeting which is not a regularly scheduled quarterly meeting.

Meetings shall be on County time for employees who are scheduled to work on scheduled meeting dates. Employees not scheduled to work on scheduled meeting dates shall not be compensated but may attend scheduled meetings.

The parties agree that the Committee may make advisory recommendations to Management for consideration.

APPENDIX A

Performance Evaluations

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Evaluation of performance is not the simple preparation of an annual report, but is a continuous process involving the communication of work goals, giving instructions, assigning work, observing and evaluating work progress and the ongoing dialogue between supervisors and workers during the entire rating period.

Informal Corrective Actions

Informal corrective actions represent attempts to handle problems before they seriously hamper employee effectiveness. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

School and Child Care Activities

Any employee who is the parent, guardian, or grandparent with custody may utilize existing vacation, personal leave, compensatory time off, or leave without pay to participate in the school activities of their children who are either enrolled in kindergarten through twelfth grade or are under the age of five and enrolled in a child care or preschool program.

Civil Service Examinations

Any employee shall be allowed time necessary to be absent from work at his or her regular rate of pay to participate in civil service examinations for positions with any public entity as defined in Section 6.04.080 of the Los Angeles County Code.

Military Leave

Any employee shall be allowed a military leave of absence in accordance with the applicable provisions of law including, but not limited to, the Uniformed Services Employment and Reemployment Act, the Family and Medical Leave Act, the California Military and Veterans Code, the Los Angeles County Charter, and the Los Angeles County Code. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

Disaster Leave

In the event of a disaster emergency as defined by Section 2.68.050 of the County Code and the Emergency Ordinance, Ordinance 10493, that prevents employees from reporting to their positions, the Chief Executive Officer may grant a leave of absence with pay to such employees, subject to ratification by the Board.

APPENDIX B

OFFICE ERGONOMIC GUIDELINES

The lease, purchase and installation of computer monitors/microfiche viewers, keyboards, accessories and associated furnishings shall conform to ergonomics guidelines outlined herein.

1. LIGHTING

- a. The computer monitor/microfiche viewer should be located away from windows to the extent feasible.
- b. The windows in the work area should have blinds or drapes.
- c. The work area should be painted with low-reflective colors.
- d. The lighting in the work area should be from indirect or recessed sources.
- e. Employees who request that an adjustable direct light be provided for computer work should be provided with such a light.

2. GLARE

- a. Luminance of characters and background should have a high contrast ratio.
- b. In the event that the screen color and the adjustable lighting are unable to reduce glare, a non-glare screen should be fitted on the computer monitors/microfiche viewers.

3. KEYBOARDS AND COMPUTER MONITORS AND MICROFICHE VIEWERS

- a. The keyboard should be adjustable and conform to current ergonomic guidelines to the extent feasible.
- b. The monitor should be adjustable, fit the operator's plane of vision and provide a high contrast ratio,

- c. Research on radio frequency and other types of radiation has not yet yielded final conclusions. As research results become available, these guidelines will be modified to reflect these findings, and to ensure the protection and health of all employees.

When older versions of cathode ray tube (CRT) monitors are used for employees with conditions that may be affected by the use of CRTs, Management should consider the reassignment of the employee to other duties while the condition exists.

4. **PRINTER**

- a. Dot matrix and impact printers should be located in a separate room, if practical. Otherwise, a noise shield or cover should be fitted on the printer to reduce the noise level.

5. **CHAIR AND DESK**

- a. The chair should be adjustable for seat pan height, backrest height, and backrest angle. The chair should be adjustable by the employee with the chair in an upright position and without the use of tools. The chair backrest should be constructed to provide lumbar support. The chair base should have five (5) prongs and should have casters appropriate for the flooring. The chair should have armrests to be used at the employee's option. Chair seat, armrests and backrest should be made of moisture absorbing material.
- b. The computer work surface (i.e., computer table, desk or table) should be adjustable for height.
- c. The desk/table surface should be large enough to provide an adequate work surface, including space for a document holder. The underside of the desk should be free of sharp protrusions, and the leg space should be free of obstructions. The desk should have a matte surface to inhibit glare.
- d. The document holder should be adjustable for height, distance and angle.
- e. Footrests should be available to be used at an employee's option.

6. MAINTENANCE

- a. When an employee observes any problems with computer equipment, they may request an assessment of the need for repair of said equipment.

- c. Grievances resulting from disputes of these guidelines shall be subject to the provision of the Safety and Health Article of the appropriate Memorandum of Understanding.

APPENDIX C

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29

C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"PREGNANCY DISABILITY LEAVE

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
 - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
 - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

"NOTICE B"FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND
PREGNANCY DISABILITY LEAVE

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

ARTICLE 1 PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

ARTICLE 2 RECOGNITION

Section 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, Local 434, SEIU, AFL-CIO (hereinafter referred to as "Local 434" or as "Union") was certified on October 17, 1969 by County's Employee Relations Commission (Employee Relations Commission Decision No. 9-69) as the majority representative of County employees in the Paramedical Technical Representation Unit (hereinafter the "Unit") previously found to be appropriate by the Employee Relations Commission.. Effective January 15, 2000, the Employee Relations Commission recognized Local 660, SEIU, as the majority representative of County employees in this Unit. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007 transferring representational responsibilities to SEIU, Local 721 for bargaining units formerly represented by SEIU Local 660 and SEIU Local 535. Management hereby recognizes SEIU, Local 721, as the certified majority representative of County employees in this Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in those classifications listed in the Salaries Article, as well as such classes as may be added hereafter by the Employees Relations Commission.

Section 2. Exclusive Recognition

Management shall recognize SEIU, Local 721, as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and SEIU, Local 721, has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or his/her duly authorized representative [Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-2404], except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

- B. The SEIU, Local 721 principal authorized agent shall be the Executive Director, or his/her duly authorized representative (Address: 1545 Wilshire Boulevard, Los Angeles, California 90017; Telephone: (213) 368-8660)

ARTICLE 5 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither SEIU, Local 721, nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 6 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721 and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, or disability status or other factors not directly related to the successful performance of the job.

ARTICLE 7 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2013. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2015.

ARTICLE 8 RENEGOTIATION

In the event either party hereto desires to negotiate the provisions of a successor Memorandum of Understanding, such party shall serve upon the other its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding, during the period of February 15 to February 28, 2015.

Negotiations shall begin no later than March 15, 2015. If full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by April 30, 2015, an impasse shall be automatically declared on those issues which remain in dispute unless the parties mutually agree to continue negotiations.

ARTICLE 9 WORK RELEASE FOR NEGOTIATIONS

It is the intent of the parties to engage in good faith negotiations and endeavor to reach agreement on a successor Memorandum of Understanding.

The Chief Executive Office/Employee Relations Division will meet and consult with SEIU, Local 721 thirty (30) calendar days prior to the commencement of negotiations for the purpose of obtaining information to ensure the release of a reasonable number of departmental employee representatives to attend and participate in successor contract negotiations.

For employees working on an evening or night shift the Chief Executive Office/Employee Relations Division will coordinate temporary work schedule/shift changes with Departments subject to operational considerations to facilitate negotiations for a successor MOU.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

SEIU, Local 721 shall provide a final list containing the names and departments for bargaining committee members (regular members and alternates) to the Chief Executive Office/Employee Relations Division at least thirty (30) days prior to the commencement of negotiations.

ARTICLE 10 COORDINATED BARGAINING

The parties agree that coordinated bargaining shall take place between the County and SEIU's Local 721 Bargaining Policy Committee. Such bargaining shall include general salary movement, employee benefits, term, and common language provisions. Common language provisions shall be included in the individual unit MOUs.

Individual unit tables will continue to bargain economic matters including special pay practices, bonuses, recruitment and retention adjustments, step increases, differentials, and other compensation unique to their MOUs. Individual unit tables will also continue to bargain operational issues such as transfers, caseloads, training and other matters which are unique to their MOUs.

The parties agree that the Fringe Benefits MOU will continue to be bargained between the County and SEIU's Local 721 Bargaining Policy Committee.

ARTICLE 11 GRIEVANCE PROCEDURESection 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2. Definitions

1. Wherever used the term "employee" means either employee or employees as appropriate.
2. "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.

A group grievance is a common complaint by a number of employees within the department or a unit thereof.

3. "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. SEIU, Local 721, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.

2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and

 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.

3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.

3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7. Procedures

Level 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management.

The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
- 3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
 - 4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the

Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
 - Purpose
 - Recognition
 - Non-Discrimination
 - Implementation
 - Term
 - Renegotiation

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.
- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large

number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures

or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
 - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
 - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within

sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

ARTICLE 15 PAYROLL DEDUCTIONS AND DUES/AGENCY SHOPSection 1. Deductions and Dues

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, semi-monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made or who is subject to an automatic Fair Share Fee or Agency Fee deduction pursuant to an agency shop provision.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2. Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3. Religious Objections

Any employee who is a member of a bona fide religion, body, or sect who has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period May 10 through May 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. Section 8. Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9. List of New Employees/Separations

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Section 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond

the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 20 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to SEIU, Local 721 and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days. The review will include but is not limited to the cost savings, service delivery and the quality control aspects of the recommended contract(s).

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 21 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 22 ALTERNATIVES TO LAYOFFSSection 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement

transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and Department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

Section 3. Civil Service Rules

Nothing in Section 1 and 2 of this Article shall limit the Director of Human Resources or the appointing authority's discretion to implement layoffs pursuant to Civil Service Rules.

Section 4. Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or, if laid off, rehire such employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A contracts.

Section 5. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days' notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

The parties agree that the provisions of the Memoranda of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and SEIU, Local 721, in effect during the term of this agreement shall apply to employees in this Unit.

ARTICLE 24 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Any permanent, full-time employee shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities of a higher level which are assigned or approved by the Department Head or designated Management representative and approved by the Chief Executive Office.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the additional responsibilities bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus. In no event shall an employee receive compensation

pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

ARTICLE 25 OUT-OF-CLASS ASSIGNMENTS

Section 1. Definition

- A. For the purpose of this Article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated vacant*, funded position in one class by an individual in another class.

- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

*For the purpose of this article, vacancies due to leaves of absence shall be defined as in County Code Section 6.20.110.

pay the employee the bonus. The bonus is paid from the date of request for relief, and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.
- B. Nothing in this article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training.

Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.

- E. Grievances filed under this article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 26 POSITION CLASSIFICATION STUDYSection 1. Definition and Authority

For the purpose of this article, a classification study is a study by the Director of Personnel or by the Personnel Office of the Department, of the duties and responsibilities assigned to a position in order to determine whether the position is properly classified.

Section 2. Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf, and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3. Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4. Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide Local 721 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications, the primary duties of which are derived from Local 721 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

ARTICLE 27 PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing his/her personnel file, may request and have any written warnings or reprimand(s) issued more than two (2) years prior removed from his/her personnel file except as such may be a part of an official permanent record.

ARTICLE 28 LEAVES OF ABSENCESection 1. Medical Leave

Section 2. Educational Leave

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, educational leaves will be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university.

Section 3. Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4. Employee Organization Leave

SEIU, Local 721 requests for employee organizational leave for at least thirty (30) calendar days or more, shall be made in writing to the CEO/Employee Relations Division and to the affected Department at least ten (10) business days in advance of the leave. SEIU, Local 721 may not have more than ten (10) employees in the Bargaining Unit on leave of absence to accept employment with SEIU, Local 721. These leaves are subject to the Civil Service Rules.

The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct SEIU, Local 721 business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year. Except by mutual agreement, no more than one (1) employee shall be on such leave from any given department.

Section 5. Family Leave

- A. The parties agree that employees covered by this Memorandum of Understanding are subject to the provisions of the California Family Rights Act of 1993 (CFRA) and the Federal Family and Medical Leave Act of 1993 (FMLA), as amended and the California Fair Employment and Housing Act (FEHA) Pregnancy Disability Leave (PDL).

"Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State Law, except that a domestic partner and their children may qualify an employee as eligible for FMLA/CFRA".

- B. The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.
- C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.

- D. An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

Section 6. Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

Section 7. Other Leaves

The parties agree that employees covered by this Memorandum of Understanding are subject to other County authorized leave provisions including but not limited to: military leave, disaster leave, leave for civil service examinations and leave for school or child day care program activities. Specific leave information is available in the Appendix.

ARTICLE 29 ENHANCED VOLUNTARY TIME-OFF PROGRAMProgram Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.
- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.

- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
 - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.
 - EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.

- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
 - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
 - After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.
 - Retirement service credit will not accrue during this period.

- FLSA Non-exempt employees may request EVTO in increments as little as one hour.
- FLSA Exempt employees must request EVTO in full work day increments.
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.
- Department Heads may continue to approve other unpaid leave of absences.

An affected employee's departmental payroll section shall within one (1) business day forward a written request for a corrected or supplemental pay warrant for the affected employee to the Auditor-Controller. An employee shall be deemed to have waived the above indicated time limits, and to have indicated that he/she is willing to accept an adjustment on the following payroll warrant if he/she does not request a corrected or supplemental warrant within two (2) calendar days after receipt of the regular payroll warrant, exclusive of Saturdays, Sundays, and legal holidays.

Corrected or supplemental warrants will be sent by regular County messenger service to the employee's departmental payroll section. In emergencies the departmental payroll section will arrange to have the supplemental or corrected warrant either hand delivered to the employee or picked up by the employee at the Auditor's public counter.

The provisions of this section may be implemented even if the employee cashes the payroll warrant.

Section 2. Overpayments

Management will endeavor to notify the affected employee of an overpayment on the employee's payroll warrant(s) prior to making any deduction to recover any such overpayment from the employee's subsequent payroll warrant(s). Upon request by the affected employee Management will establish a reasonable method of repayment.

County agrees to determine the feasibility of having an affected employee repay an overpayment with accumulated benefits that the employee would be entitled to at termination of employment. Section 2. Step Advances

- A. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.

- B. If no performance review is filed as defined in A. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due. Where no Performance Evaluation is issued in accordance with Paragraph A. above, the employee may request his department in writing to issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

- C. Grievances arising out of this section shall be processed as follows:
 - 1. Where no Performance Evaluation has been issued in accordance with Paragraph B. above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance

The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

APPENDIX A

Performance Evaluations

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Evaluation of performance is not the simple preparation of an annual report, but is a continuous process involving the communication of work goals, giving instructions, assigning work, observing and evaluating work progress and the ongoing dialogue between supervisors and workers during the entire rating period.

Informal Corrective Actions

Informal corrective actions represent attempts to handle problems before they seriously hamper employee effectiveness. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

School and Child Care Activities

APPENDIX C

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29

C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"PREGNANCY DISABILITY LEAVE

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
 - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
 - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

"NOTICE B"FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND
PREGNANCY DISABILITY LEAVE

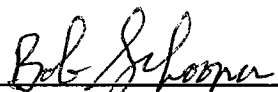

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

ARTICLE 1 PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

ARTICLE 2 RECOGNITION

Section 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable state law, Joint Council was certified on April 28, 1971, by County's Employee Relations Commission (Employee Relations Commission File No. R-111-71) as the majority representative of County employees in the Supervisory Paramedical-Health Employee Representation Unit (hereinafter "Unit") previously found to be appropriate by said Employee Relations Commission. Effective January 15, 2000, the Employee Relations Commission recognized SEIU, Local 721 as the majority representative of County employees in this unit. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007 transferring representational responsibilities to SEIU, Local 721 for bargaining units formerly represented by SEIU Local 660 and SEIU Local 535. Management hereby recognizes Local 721 as the certified majority representative of the employees in said Unit.

The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit in the employee classifications comprising said Unit as listed in the Salaries Article, as well as such classes as may be added hereafter by the Employee Relations Commission.

Section 2. Exclusive Recognition

Management agrees that it shall recognize SEIU, Local 721, as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and SEIU, Local 721, has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or his/her duly authorized representative [Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-2404], except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

- B. The SEIU, Local 721 principal authorized agent shall be the Executive Director, or his/her duly authorized representative (Address: 1545 Wilshire Blvd, Los Angeles, California 90017; Telephone: (213) 368-8660).

ARTICLE 5 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither SEIU, Local 721, nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 6 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721 and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, or disability status or other factors not directly related to the successful performance of the job.

ARTICLE 7 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2013. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2015.

ARTICLE 8 RENEGOTIATION

In the event either party hereto desires to negotiate the provisions of a successor Memorandum of Understanding, such party shall serve upon the other its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding, during the period of February 15 to February 28, 2015.

Negotiations shall begin no later than March 15, 2015. If full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by April 30, 2015, an impasse shall be automatically declared on those issues which remain in dispute unless the parties mutually agree to continue negotiations.

ARTICLE 9 WORK RELEASE FOR NEGOTIATIONS

It is the intent of the parties to engage in good faith negotiations and endeavor to reach agreement on a successor Memorandum of Understanding.

The Chief Executive Office/Employee Relations Division will meet and consult with SEIU, Local 721 thirty (30) calendar days prior to the commencement of negotiations for the purpose of obtaining information to ensure the release of a reasonable number of departmental employee representatives to attend and participate in successor contract negotiations.

For employees working on an evening or night shift the Chief Executive Office/Employee Relations Division will coordinate temporary work schedule/shift changes with Departments subject to operational considerations to facilitate negotiations for a successor MOU.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

SEIU, Local 721 shall provide a final list containing the names and departments for bargaining committee members (regular members and alternates) to the Chief Executive Office/Employee Relations Division at least thirty (30) days prior to the commencement of negotiations.

ARTICLE 10 COORDINATED BARGAINING

The parties agree that coordinated bargaining shall take place between the County and SEIU's Local 721 Bargaining Policy Committee. Such bargaining shall include general salary movement, employee benefits, term, and common language provisions. Common language provisions shall be included in the individual unit MOUs.

Individual unit tables will continue to bargain economic matters including special pay practices, bonuses, recruitment and retention adjustments, step increases, differentials, and other compensation unique to their MOU's. Individual unit tables will also continue to bargain operational issues such as transfers, caseloads, training and other matters which are unique to their MOU's.

The parties agree that the Fringe Benefits MOU will continue to be bargained between the County and SEIU's Local 721 Bargaining Policy Committee.

ARTICLE 11 GRIEVANCE PROCEDURESection 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2. Definitions

1. Wherever used the term "employee" means either employee or employees as appropriate.
2. "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.

A group grievance is a common complaint by a number of employees within the department or a unit thereof.
3. "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. SEIU, Local 721, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.

2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and

 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.

3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.

3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7. Procedures

Level 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature

of the grievance and the remedy requested from his/her departmental Management. The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
- 3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
 - 4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and

regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each

party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

 - Non-Discrimination
 - Implementation

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding on all parties.

Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the

matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to,

or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
 - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
 - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
- 6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
- 7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
- 8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
- 9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
- 10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative

action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.

12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, semi-monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made or who is subject to an automatic Fair Share Fee or Agency Fee deduction pursuant to an agency shop provision.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2. Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3. Religious Objections

An employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 4. Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit. It is the intent of the parties that the agency shop provisions in the Memorandum of Understanding comply with applicable state law (Government Code Section 3502.5).

Section 5. Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Section 6. Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period May 10 through May 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7. Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8. Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9. List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents.

The list shall contain the name, employee number, date of hire into the Unit, item step, salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. Such list shall include new hires, and employees promoted, demoted or transferred into the Bargaining Unit. The semi-monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.

Section 10. Indemnification Clause

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

ARTICLE 16 NEW EMPLOYEE ORIENTATION

Subject to prior approval of the Department Head, SEIU, Local 721 representatives shall be notified of and participate in new employee orientation on County time for the sole purpose of providing employees information regarding SEIU, Local 721 Union membership.

This Article shall be subject to advisory arbitration.

ARTICLE 17 MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVERSection 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such

changes as soon as practicable. Such emergency assignments shall not extend beyond the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 20 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to SEIU, Local 721 and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days. Additionally, prior to the release of any Government Code Section 31000.4 and Proposition A contract RFP, the parties agree to jointly review and consult on said contracts. The review will include but is not limited to the cost savings, service delivery and the quality control aspects of the recommended contract(s).

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 21 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 22 ALTERNATIVES TO LAYOFFSSection 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or

CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and Department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

Section 3. Civil Service Rules

Nothing in Section 1 and 2 of this Article shall limit the Director of Human Resources or the appointing authority's discretion to implement layoffs pursuant to Civil Service Rules.

Section 4. Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or, if laid off, rehire such employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A Contracts.

Section 5. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days' notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 23 EMPLOYEE BENEFITS

The parties agree that the provisions of the Memoranda of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and SEIU, Local 721, in effect during the term of this agreement shall apply to employees in this Unit.

ARTICLE 24 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Any permanent, full-time employee shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities of a higher level which are assigned or approved by the Department Head or designated Management representative and approved by the Chief Executive Office.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the additional responsibilities bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus. In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

ARTICLE 25 OUT-OF-CLASS ASSIGNMENTS

Section 1. Definition

- A. For the purpose of this Article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated vacant*, funded position in one class by an individual in another class.

- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

*For the purpose of this article, vacancies due to leaves of absence shall be defined as in County Code Section 6.20.110.

return the employee to an assignment in his/her own class. If such return is made within thirty (30) calendar days of the request for relief, no bonus under this article is to be paid; or

- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.

 - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.

- Retirement service credit will not accrue during this period.
- FLSA Non-exempt employees may request EVTO in increments as little as one hour.

The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.
- b. If no performance review is filed as defined in a. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

APPENDIX A

Performance Evaluations

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Evaluation of performance is not the simple preparation of an annual report, but is a continuous process involving the communication of work goals, giving instructions, assigning work, observing and evaluating work progress and the ongoing dialogue between supervisors and workers during the entire rating period.

Informal Corrective Actions

Informal corrective actions represent attempts to handle problems before they seriously hamper employee effectiveness. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

School and Child Care Activities

Any employee who is the parent, guardian, or grandparent with custody may utilize existing vacation, personal leave, compensatory time off, or leave without pay to participate in the school activities of their children who are either enrolled in kindergarten through twelfth grade or are under the age of five and enrolled in a child care or preschool program.

Civil Service Examinations

Any employee shall be allowed time necessary to be absent from work at his or her regular rate of pay to participate in civil service examinations for positions with any public entity as defined in Section 6.04.080 of the Los Angeles County Code.

Military Leave

Any employee shall be allowed a military leave of absence in accordance with the applicable provisions of law including, but not limited to, the Uniformed Services Employment and Reemployment Act, the Family and Medical Leave Act, the California Military and Veterans Code, the Los Angeles County Charter, and the Los Angeles County Code. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

Disaster Leave

In the event of a disaster emergency as defined by Section 2.68.050 of the County Code and the Emergency Ordinance, Ordinance 10493, that prevents employees from reporting to their positions, the Chief Executive Officer may grant a leave of absence with pay to such employees, subject to ratification by the Board.

APPENDIX C

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29

C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"PREGNANCY DISABILITY LEAVE

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
 - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
 - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
 - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

"NOTICE B"FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND
PREGNANCY DISABILITY LEAVE

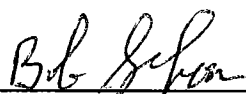

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.

3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7. Procedures

Level 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management.

The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
- 3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
 - 4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the

Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each

party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

Purpose

Recognition

Non-Discrimination

Implementation

Term

Renegotiation

Safety and Health

Payroll Deductions and Dues

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding on all parties.

Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.
- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees.

Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures

or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
 - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
 - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within

sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
 - Purpose
 - Recognition
 - Non-Discrimination
 - Implementation

ARTICLE 15 PAYROLL DEDUCTIONS AND DUES/AGENCY SHOPSection 1 Deductions and Dues

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, semi-monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made or who is subject to an automatic Fair Share Fee or Agency Fee deduction pursuant to an agency shop provision.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2 Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3 Religious Objections

An employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 4 Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit. It is the intent of the parties that the agency shop provisions in the Memorandum of Understanding comply with applicable state law (Government Code Section 3502.5).

Section 5 Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Section 6 Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period May 10 through May 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7 Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8 Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9 List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents.

The list shall contain the name, employee number, date of hire into the Unit, item step, salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. Such list shall include new hires, and employees promoted, demoted or transferred into the Bargaining Unit. The semi-monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.

Section 10 Indemnification Clause

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

ARTICLE 16 NEW EMPLOYEE ORIENTATION

Subject to prior approval of the Department Head, SEIU, Local 721 representatives shall be notified of and participate in new employee orientation on County time for the sole purpose of providing employees information regarding SEIU, Local 721 Union membership.

This Article shall be subject to advisory arbitration.

ARTICLE 17 MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Section 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond

the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.
